CHRIS ANDERSON

Union Representative

Steamfitter

Welder

PROFILE

Experienced Steamfitter and Welder with over 20 years of hands-on experience installing, fabricating, and maintaining complex piping systems. Skilled in working with a wide range of systems, from chilled water and HVAC piping to high-purity and process piping in pharmaceutical laboratories and other specialized facilities. Proven ability to read and interpret blueprints and isometric drawings, perform precision welding and pipe fabrication, and complete projects safely and efficiently.

EXPERIENCE

Plumbers and Steamfitters Local 486

2025-PRESENT

Maintain comprehensive knowledge of multiple labor contracts to support and defend workers' rights. Lead contract negotiations and engage in lobbying initiatives to protect union labor at both local and state levels.

Electrical Automation Services Inc. (EASI)

2023-2024

Installing control valves and components in HVAC piping systems for building automation and efficiency.

Pro-Air Inc.
