ADDENDUM TO TECHNICAL STAFF REPORT

*Petition Accepted on August 13, 2013
Planning Board Meeting of August 29, 2013
County Council Hearing to be scheduled*

Case No./Petitioner: **ZRA-146 – Marsha S. McLaughlin, Director,
Department of Planning and Zoning**

Request: To amend Section 103.0 : Definitions of the Zoning Regulations to establish new definitions for the terms “Farm Brewery” and “Farm Brewery – Class 1A”.

To amend Section 104.0: RC (Rural Conservation) District to add “Farm Brewery – Class 1A” as a permitted accessory use under Section 104.C., subject to certain permit provisions.

To amend Section 105.0: RR (Rural Residential) District to add “Farm Brewery – Class 1A” as a permitted accessory use under Section 104.C., subject to certain permit provisions.

To amend Section 106.1: Howard County Preservation Easements to add “Farm Brewery – Class 1A” as a permitted accessory use under Section 106.1.C.1 for ALPP Purchased Easements and ALPP Dedicated Easements, and under Section 106.1.C.2 for other dedicated easements, subject to certain permit provisions.

To amend Section 128.0.O in the Supplementary Zoning District Regulations to revise the Contents listing and the current criteria and permit requirements for a “Farm Winery – Class 1A” in order to add the “Farm Brewery – Class 1A” use as similar accessory use to farming uses in the RC and RR Districts.

REASON FOR ADDENDUM

In preparing the original petition and the original Technical Staff Report, the need to also allow the potential for Farm Breweries as accessory uses on ALPP Purchased Easements and ALPP Dedicated Easements, other dedicated preservation easements was inadvertently missed. The bold, underlined text above is the added request for those types of properties. The attached Exhibit 1 is revised to add the associated proposed text.
