Dear county council members,

I just learned that besides recordation tax increase bill, there are a few more proposals that intend to increase tax rates for Howard county residents. I'm surprised that the thoughts of increasing taxes during the pandemic crisis and this is definitely not something with our tax payers in mind. I urge you to vote NO on this bills, especially CR81-2020, CR85-2020, CR85-2020. This will put more burdens on the citizens of Howard county and place our county in a disadvantage position in the region. Thank you very much.
