Good afternoon,

After learning of the motion that Councilmember Walsh made to approve all electric construction, I am writing to oppose such a bill at ANY time.

I feel this isn't something the Council should decide.

Thank you, Beth Cobleigh

Dear Howard County Elected Officials,

*I write with concerns regarding Amendment 1 to CB 71. A change this drastic should not be made through a last minute amendment to a bill after a public hearing took place. Homebuyers should have time to evaluate this proposal and provide feedback and testimony. It is unlikely that most county residents even know this is being considered. A change like this will greatly limit a future buyer's options when shopping for a new home, and it needs to be given much more very careful consideration. I appreciate your consideration.*

Kind regards,
