*SUBJECT – Bond enabling legislation related to the Transfer of Appropriation Ordinance No. 1*

December 16, 2025

To: Brandee Ganz  
Chief Administrative Officer

From: Rafiu O. Ighile *ROI*  
Director of Finance

The proposed bond enabling bill relates to the Transfer of Appropriation Ordinance (TAO) No 1, Fiscal Year 2026, that transfers \$7,600,000 from capital project E1058 to capital project E1036, Oakland Mills Middle School – Addition and Renovation, to address budgetary shortfalls due to higher than expected construction bids.

### Fiscal Impact

The Department does not anticipate any fiscal impact in the current year as the proposed \$7,600,000 in GO Bond funding was previously approved during the FY2026 Capital Budget process. There is no additional request for funding.
