Hello All,

Thanks Deb for questioning this proposal.

Thanks to Brent Loveless for speaking in reference to.

Nice try Mandy H. for sideswiping us. Gone are the days when no one wanted to bell the cat. You were as opaque as they come. Hope you inform your client better.

With these few sentences, we urge our county council to vote **NO to ZRA 222, CB 24 2026.**

We need clear future plans for this area. It is prime property. No more gas stations in North Laurel, Md. 20723. No recreational/medicinal marajuaran dispensary either. These types of businesses would bring more blight to the area.

Perhaps, a banquet hall with a nice restaurant, a walk-in health facility, a drug store which will bring jobs to the area. And with the proposed development to the area, thus mixed use commercial-residential to Route 1 corridor.

Regards,

Bibi H. Foston
