---

Forty-three years experience developing and leading exceptional customer service in New Jersey and Maryland public libraries using inventive applications of non-library technologies and processes as well as vertical collaboration and community partnerships. Secured the resources and leadership necessary for the Library to excel in:

- Community partnerships
- Managing organizational change
- Capital and strategic planning
- Finance and budgeting
- Facilities
- Collection management
- Customer service and training
- Information technology

## **SELECTED ACHIEVEMENTS**

- Worked with key staff, the Library Commissioners, and community leaders to transform an excellent Library into an exceptional one by systematizing processes, consolidating resources and creating a shared customer-service oriented vision
- Pioneered the use of open source software to provide superior and more cost-effective access to library resources, public access computing and the Internet
- Fostered collaboration with a literacy volunteer organization to significantly increase their effectiveness in their ESOL, literacy and citizenship programs
- Promoted outreach to and collaboration with the many historical societies in the service area to digitize and host their content with the Digital Public Library of America
- Engaged an entire staff and the community at large in creating the next strategic plan using appreciative inquiry.

## **AREAS OF EXPERTISE**

### **Strategic Planning and Implementation**

- Strategic planning process that builds on prior success, community support and staff engagement
- Comprehensive technology planning
- Facilities planning and demographic analysis
- Organizational redesign
- Intergovernmental planning including Somerset County Joint Insurance Fund, Southern Skylands Regional Health Insurance Fund, OPEB, banking services, emergency response and collaborative fiber optic networks

### **Collaboration and Partnerships**

- Conceived of and initiated the collaboration between Howard County, Howard County Library and the Howard County Historical Society to house the archives of the latter in the Miller Library then being designed.
- Developed and executed annual operating budgets in excess of \$20 million
- Developed collaborative capital budgets in excess of \$60 million
- Developed strong personal relationships and strategic partnerships with colleagues in County and municipal governments, local non-profits and associations, as well as colleagues in non-member municipal libraries to further the Library's mission
