Implementing the Pay Plan.

- (a) *Rates are Hourly Rates.* All rates of pay contained in the Pay Plan are expressed as hourly rates.
- (b) *Fair Labor Standards Act* ([The] “FLSA”).
 - (1) Except as otherwise provided in the Pay Plan, full-time employees exempt from coverage of the federal FLSA receive an annual salary, which shall be calculated by multiplying the employee's hourly rate by the number of hours the employee is regularly scheduled to work per year, which are either the standard work hours for County employees or a schedule approved by the Personnel Officer under section 1.113(a)(1) of the County Code.
 - (2) In accordance with requirements of the FLSA, while the rates of pay in this Pay Plan, which are established by ordinance, may be expressed as hourly rates, employees in positions which have been determined to be exempt under the FLSA are paid on a salary basis, meaning a predetermined amount that does not vary from pay period to pay period, is not adjusted for quality or quantity of work, and meets the minimum salary level requirements under FLSA.
- (c) *Adjustments to Salary Schedule.* In order to maintain the effectiveness of the Pay Plan, the County annually shall review the general labor market, and, subject to the availability of appropriated funds, may propose an adjustment to the Salary Schedule.
- (d) *Management Employees of the Department of Fire and Rescue Services.*
 - (1) For purposes of determining the appropriate step within the *Fire Management (FM) schedule* upon appointment of an employee to the position of Fire Captain, Battalion Chief, or Assistant Chief, the Personnel Officer shall utilize the employee’s length of creditable service.
 - (2) Length of creditable service, in months, for purposes of paragraph (1) of this section shall be applied in accordance with the following schedule:

Steps

Rank	1	2	3	4	5	6	7	8	9	10	11	12	13	14
Capt.	66	78	90	102	114	126	138	150	162	174	186	210	234	258
Batt. Chief	78	90	102	114	126	138	150	162	174	186	198	222	246	270
Asst Chief	90	102	114	126	138	150	162	174	186	198	210	234	258	282

- (e) *“Creditable Service” Defined.*
 - (1) In implementing the Pay Plan for management employees of the Police Department and the Department of Fire and Rescue Services, “creditable service” means time spent in sworn classifications of the Police Department, in uniformed service in positions in the Department of Fire and Rescue Services, and in the positions of Police Officer (Probationary) and Firefighter Trainee.
 - (2) An employee shall be credited with service upon completion of the required length of service.
 - (3) “Creditable service” does not include time spent during unpaid breaks in service, time worked for which performance was rated less than satisfactory, or paid leave that was not credited as service time under application of the section entitled “Step Increment” of the Pay Plan.

Step Increment.

- (a) *When Authorized.* In a fiscal year, an employee in the Classified Service may be granted a step increment if:
- (1) The Personnel Officer establishes a step increment in the fiscal year for all eligible employees;
 - (2) The County Executive provides for the step increment in the proposed annual expense budget for the fiscal year;
 - (3) The step increment is approved by the County Council as part of the expense budget; and
 - (4) The employee is eligible under subsection (b) of this section.
- (b) *Eligibility.* A Classified employee is eligible to receive a step increment approved under subsection (a) of this section if:
- (1) The employee is being paid below the maximum rate of pay in the employee's grade;
 - (2) The employee's respective salary *Schedule* permits a step increment;
 - (3) The employee's work meets the standards for satisfactory performance;
 - (4) The employee has worked more than 75% of the scheduled workdays in the preceding year; and
 - (5) The employee is not, based upon the employee's position description, included within an exclusive representative unit that has been deemed appropriate for purposes of collective negotiations under Title 1 of the County Code, that is governed by a collective bargaining agreement containing express language inconsistent with this section.
- (c) *Employees paid according to the PM or FM Schedule.* Notwithstanding subsection (b)(2) of this section, when authorized under subsection (a) of this section:
- (1) An employee being paid below the maximum rate of pay in the employee's grade according to the *PM Schedule* is eligible for a step increment in accordance with the defined months of creditable service as indicated on the *PM Schedule*; and
 - (2) An employee being paid below the maximum rate of pay in the employee's grade according to the *FM Schedule* is eligible for step increment in accordance with the defined months of creditable service as indicated on the *FM Schedule*.
- (d) *Step Increment After Probationary Period.* Subject to subsection (a) of this section, and notwithstanding subsection (b)(2) of this section, if at the end of the initial probationary period an employee receives an overall rating of "Substantially Exceeds Standards" or better on the employee's performance appraisal, the department head may recommend, and the Personnel Officer may approve, a step increment for the employee.
- (e) *Effect of Funding on Step Increment.* If the County does not provide for a step increment in the current expense budget for any fiscal year, each year in which no step increment was granted shall be counted as one year for purposes of determining eligibility for a step increment in a subsequent year.
- (f) *When Step Increment Effective.*
- (1) A step increment is effective for a Classified employee at the beginning of the pay period during which the anniversary of the employee's date of appointment occurs. If an employee receives a step increment at the end of a probationary period, subsequent step increments shall be effective at the beginning of the pay period during which the anniversary of the date the increment became effective occurs, not the employee's anniversary date.

- (2) An employee who is not eligible for a step increment on the appropriate date because the employee has not worked 75% of the scheduled workdays in the preceding year shall receive the increment immediately after the employee has worked the required number of scheduled workdays. The effective date of a step increment under this paragraph becomes the date on which the employee shall receive subsequent step increments under this section.
- (g) *Eligibility not Affected.* Eligibility for a step increment shall not be affected by:
 - (1) Pay increases due to change in hours of work;
 - (2) General pay increases affecting one (1) or more classes;
 - (3) Transfer; or
 - (4) Except as provided in subsection (f) of this section, promotion or reclassification to the extent that, for the purpose of determining eligibility for a step increment under Subsection (b)(2) of this section, the time spent in the former step is counted as time spent in the new step.
- (h) *Effect of Promotion or Reclassification on Step Increment.* If an employee is promoted or reclassified, the employee's anniversary date does not change, and future step increments shall be paid at the beginning of the pay period during which the anniversary date occurs. Granting a step increment during the employee's promotional probationary period does not satisfy the requirements of probation.

C. **Removal of CDL Requirement for Heavy Vehicle Operator (HVO) Positions**

Remove the position requirement for HVOs to obtain and maintain a federally regulated Commercial Driver’s License (CDL) (currently located on page 48 of the FY26 Pay Plan as Note “D” and used on page 45 for Master Firefighter/HVO and Firefighter/HVO classifications). The language in the referenced Note “D” is reproduced below and is recommended for removal in its entirety as it is not needed for these positions:

- D Individuals serving in designated heavy vehicle operator positions are eligible to receive a driver premium. Failure to maintain CDL certification endorsements or movement from a driver position will result in forfeiture of driver premium pay.

More specifically, federal regulations administered by the U.S. Department of Transportation regulations (49 CFR § 383.3(d)(2)) expressly exempt firefighters from CDL requirements when operating commercial emergency vehicles in the performance of emergency governmental functions at a State’s discretion. Consistent with this framework, the State of Maryland also excludes emergency fire apparatus from its definition of “commercial motor vehicle” that would otherwise require a CDL. Md. Code Ann., Trans. Art., § 16-803(c)(2)(ii).

In practice, Maryland’s licensing structure further supports this approach. A standard Maryland Class B non-commercial driver’s license (which is not subject to DOT regulations) permits the operation of heavy vehicles of 26,001 or more pounds within the State, and the operation of fire apparatus is governed not by commercial licensing standards, but by specialized emergency vehicle training (Emergency Vehicle Operator Course, or EVOC) along with internal departmental qualification processes.

In addition to the research of federal and state regulations, a review of comparable County jurisdictions within Maryland found that most career fire departments have shifted away from requiring a CDL for fire apparatus operators. Instead, these jurisdictions rely on structured internal credentialing programs specific to the operation of emergency apparatus, including Emergency Vehicle Operator Course (EVOC) training and apparatus certification programs. These programs are already established and required within the Howard County Department of Fire and Rescue, as follows:

- All firefighters are required to successfully complete the Maryland Fire and Rescue Institute (MFRI) Emergency Vehicle Operations Course (EVOC) or equivalent, as approved by the Maryland Fire Rescue

Education Training Commission (MFRETC) which is specifically designed for emergency response driving. This training provides focused scenario-based instruction on emergency vehicle operations, including apparatus control, intersection management, hazard recognition, and safe operation under various emergency conditions. These competencies are directly aligned with the operational demands placed on firefighters and are not addressed under the CDL framework, which was developed primarily for interstate commercial trucking and passenger transportation.

- In order to become an HVO, a firefighter must first obtain a Maryland Class B driving permit and then begin training in the Department. Typically, training begins with apparatus specific training under Department instructors. As part of the engine qualification process, the member also completes the applicable Pump Operator training and evaluation requirements. Upon successful completion of these requirements, the member may be qualified and credentialed to operate a fire engine for the Department as an HVO. Only after obtaining, at minimum, a Class B license and completing the Department's training program for each vehicle may an HVO be authorized to operate a particular class of fire apparatus.

Removing the federal CDL license will not impact the HVO pay differential, as this premium is intended to recognize the increased complexity of duties, responsibility, and specialized skill associated with operating fire apparatus and is not inherently tied to the possession of a federally regulated CDL. The CDL is structured to regulate commercial transportation activities, such as freight movement and passenger transport, and does not provide training specific to emergency response vehicle operations. By contrast, the County's existing training programs are tailored to the unique operational, safety, and risk management requirements of fire apparatus.

The recommended amendment to the Pay Plan will align County policy with federal and state law, reflect prevailing practices among peer jurisdictions, and ensure that qualification standards are directly relevant to operational needs. This change maintains the County's commitment to safety and training excellence while eliminating a requirement that is not necessary for the performance of essential job duties.

Fiscal Impact: There is no fiscal impact from this change.
