Chief Executive Officer & President
2019- 2025
Maryland Information Network (211 Maryland),

Provided executive leadership at 211 Maryland, a statewide nonprofit organization that supports connections 24/7 for over 400, 000 individuals and families annually in Maryland to health and human services.

- Secured over \$10 million in funding to enhance mental health and human services for Maryland residents.
- Led the legislative advocacy that resulted in the establishment of the groundbreaking statewide Mental Health Phone Check program (Raskin Act), now operated by 211MD
- Led a strategic reorganization that resulted in a 300% revenue growth within two years.
- Developed and implemented innovative solutions for state agencies to coordinate human services, with a focus on equity and inclusion, leading to increased organizational revenue.
- Work closely with the Board of Directors to enhance the reach and impact of 211 Maryland.
-

Director of Community Engagement
2007 – 2019

Howard County Government

Directed a team that provided services to Howard County residents, collaborating with fourteen government and nonprofit agencies. These organizations included the Howard County Coordination of Homeless Services, Family & Children Services, FIRN Immigration Services, Legal Aid, Grassroots, Domestic Violence Center, Department of Social Services, Making Change Financial Services, Workforce Development, Community Action Council, Healthy Howard, Meals on Wheels of Central Maryland, and the Howard County Detention Center-Reentry program.

- Spearheaded the strategic planning and execution of Howard County's inaugural multi-agency human services collaboration.
- Led the implementation of the county-wide "Bridges Out of Poverty" initiative, significantly improving resource accessibility and community integration for underrepresented populations.
- Directed strategic county initiatives focused on poverty reduction and promoting self-sufficiency for individuals and families.
- Provided comprehensive training on best practices and evidence-based community engagement strategies.
- Chaired multiple advisory boards, steering initiatives to enhance economic stability and reduce poverty
-

Classifications Counselor II
2004 – 2007
Cecil County Department of Corrections

Conducted comprehensive assessments for the entire inmate population to determine the appropriate security level for institutional placement..

- Offered crisis counseling, conflict resolution, legal support, and specialized treatment resources to address mental health issues and remove barriers for inmates.
- Developed and executed rehabilitative treatment plans and programs tailored to individual needs, including drug and alcohol addiction.
- Oversaw institution volunteers and special project programs.
- Supervised Workforce Development program that allowed inmates to work and earn good time for early release.

2001 – 2004
Baltimore City Housing Authority
Management Analyst

Lead strategic direction for the Baltimore Housing grant funded initiative “Work-Matters”, an employment and training continuum that offered employment and support services to the “Hardest-to-Employ” welfare recipients in Baltimore City.

- Directed staff who provided case management, counseling, and other support services to program participants.
- Facilitated Entrepreneurial workshops for individuals interested in starting their own business.
- Developed and managed the Non-Custodial Parent Program (focused on fatherhood) within the Baltimore Housing Authority's Work-Matters initiative

1997 – 2001
Division of Pretrial Services
Clinical Supervisor

Developed and implemented the Baltimore City Detention Center Re-entry program.

- Managed the supervision of juvenile and adult inmates participating in the Addicts Changing Together (A.C.T.) Program, focusing on substance misuse and drug-related offenses.
- Approved and reviewed the development of treatment plans for clients in treatment.
- Provided counseling and case management services to adult and juvenile offenders.
