6 **Amendment No. 4**

7
8
9 *(This amendment would allow an exemption for development projects with prior plan*
10 *approval so long as the proposed development manages stormwater at a greater capacity*
11 *than the current state of the property)*

12
13
14 On page 4, immediately following line 14, add the following “4. Any permit for a
15 dwelling that will be constructed on a property which has received technically complete
16 approval of a Preliminary Equivalent Sketch plan as part of the development review process
17 prior to September 6, 2016, provided that the proposed development manages the post
18 development runoff flow to not exceed existing conditions for an 8.51 inch 24-hour storm event
19 as demonstrated by site plans certified by a licensed professional engineer and approved by the
20 Department of Planning and Zoning.”

21
22 Renumber the remainder of the ordinance accordingly.
