6	On page 4, immediately following line 8, insert the following:
7	"2. Any permit for redevelopment of a property on which the existing development
8	was established prior to 1984 and that will result in no increase in the impervious
9	surfaces of the property and will improve stormwater management by providing a net
10	decrease in peak runoff flow from existing conditions for an 8.51 inch 24-hour storm event
11	as demonstrated by site plans certified by a licensed professional engineer and approved by the
12	Department of Panning and Zoning;".
13	
14	Renumber the remainder of the section accordingly.
