SECTION 15: GENERAL PROVISIONS

15.1. Waiver. Developer agrees to waive all right of appeal as to the issue of the necessity and requirement for construction or maintenance of the Project shown and described on the Approved Plans and Specifications.

15.2. Issuance of Building Permits. The issuance of building permits pursuant to this Agreement is subject to possible interruption or suspension by reason of State and Federal action, such as a moratorium imposed for environmental or health reasons, and

the time within which the Project is to be constructed hereunder shall be extended by the length of any such interruption, suspension or moratorium.

15.3. Public Water and Sewer Capacity. The parties acknowledge that the execution of this Agreement does not grant or create in any manner a vested right to gain access to public water and/or sewer facilities, said right being solely provided under Section 18.122B of the Code. The parties further acknowledge that public water and/or sewer capacity to be created by expansion of current facilities, or construction of new facilities, is contingent on the availability of State and Federal funds for Water and Sewer Capital Programs. The parties agree that County shall not have any liability or any responsibility to provide allocations due to the inability of County to obtain necessary Federal or State funds or to acquire, in a reasonable time, easements necessary for construction of water and/or sewer projects or for Federal or State action, including operational moratoria, which may suspend, delay, or otherwise affect the allocation. It is understood that an allocation of capacity is not assignable or transferable from one development or section of a development to another except as provided in Section 18.122B of the Code. Developer hereby acknowledges that the conditions imposed in this section are established by Section 18.122B of the Code.

15.4. Force Majeure. In the event Developer is delayed or prevented from completing or repairing construction of the Project provided by this Agreement within by reason of war, riot, insurrection, strikes, epidemics, earthquakes, tornadoes, floods, explosions, governmental restraints, restrictions or limitations, or the unavailability of materials due to strikes or for any other reasonable delays (collectively "Force Majeure"), the performance required of Developer shall be excused for as long as such event of Force Majeure shall continue and the period of time specified herein for performance by the Developer shall be automatically extended by the number of days during which performance was precluded by the continuance of such event of Force Majeure.

15.5. No Use and Occupancy. No Certificate of Occupancy for any improvements within the property shown and described on the Approved Plans and Specifications shall be issued without the prior approval by the County of the adequacy of access, drainage and other essential public improvements pertinent to the property being certified, and compliance with all other applicable requirements of the building code.

15.6. Payment of Assessments and Charges. Nothing herein shall be construed as relieving Developer from the payment of all meter setting charges, water and/or sewer charges, front foot benefit assessment, in-aid-of-construction assessment, ad valorem taxes, supplemental in-aid-of-construction assessments (where applicable) and/or supplemental ad valorem taxes (where applicable), nor shall Developer be entitled to any set off on this account.

15.7. Assignment. Any assignment or pledge of this Agreement must be assented to, in writing, by the County prior to such assignment or pledge; otherwise, said assignment or pledge shall be invalid.

15.8. Notice. All correspondence regarding this Agreement and the work to be performed hereunder shall be mailed or personally delivered to the Developer, Waverly Woods Development Corporation, 14451 Triadelphia Road, Glenelg, Maryland 21737; and to the County, the Director of Public Works, George Howard Building, 3430 Court House Drive, Ellicott City, Maryland 21043. Either party to this Agreement may change its address by written notice to the other party.

15.9. Exhibits. Each writing or plat referred to in this Agreement as an exhibit is hereby made a part of this Agreement.

15.10. Laws of Maryland. This Agreement was made and entered into in Maryland and is to be construed under the Laws of Maryland. As to Developer, this Agreement is intended to be a contract under seal and a specialty.

15.11. Recordation. This Agreement shall be recorded among the Land Records and Developer shall pay all taxes and costs related to the recording, if any.
