*CVE Certified, Service Disabled,
Veteran-Owned, Baltimore City MBE certified
and Maryland MDOT certified minority-owned business.*

Cain Contracting, Inc. is a full-service general contractor with specialization in commercial construction as well as the fit-out and renovation of interior spaces for government, healthcare, education, retail, and commercial projects. Andra Cain, President and CEO, founded Cain Contracting, Inc. in 2000 and grew the company to perform over \$12 million in construction projects each year while maintaining a stellar EMR safety rating of .64.

Andra Cain served in the United States Air Force as a jet engine mechanic. After receiving an honorable discharge, he completed his Bachelor of Science at Fairmont State University and obtained his MBA from the University of Phoenix. He enjoyed a successful career with United Technologies Corporation but, in response to his entrepreneurial spirit, he left his management position and created Cain Contracting, Inc. Through hard work, integrity, perseverance, and tenacity Andra grew the company from a small subcontractor to a major Joint Venture and Teaming partner enterprise.

Customers first, unquestionable quality, unparalleled value and safety are the guiding principles of Cain Contracting Inc. A top-notch staff with over a century of combined construction expertise support the company. Through teamwork and excellence, they have secured a prominent position in the industry, having managed large scale construction projects all across the State of Maryland and Washington D.C.

Some of the projects include the Social Security Administration Office in Baltimore; the Maryland Department of Health & Mental Hygiene's New Public Health Laboratory at Johns Hopkins in Baltimore; the Maryland House and Chesapeake House Travel Plazas; and the Earle G. Graves School of Business and Management at Morgan State University.

Cain Contracting Inc. has been recognized twice as a Minority Business of the Year; first from the Small Business Administration (2008) and then by the Maryland Washington Minority Companies Association (2010). Andra was also a finalist for the Ernst & Young Entrepreneur of the Year award in in 2010 at the Maryland state level.
