Dear County Council Members,

As a flooded out business owner on Main Street who has lost my business, I am shocked and appalled that the entire Council voted unanimously to table Council Bill 65-2016. I am requesting that you UNTABLE this bill and vote on it by the November council session so it will not die.

If the Council is not willing to do this much for us, why should we trust you? If my own Council rep voted to table his own bill, who is going to look out for the interests of the small Main St merchants vs the big developers?

Looks like the answer is **NOBODY**.

Sincerely,

Sara Arditti
