

Roberta Kelly

Roberta has worked for the Howard County Department of Fire & Rescue Services for 12 years she currently works in the Office of the Fire Marshal (formerly the Bureau of Life Safety). She previously worked for Community Action Council, Inc of Howard County a non-profit organization that helps low income residents, for seven years she assisted the Executive Director to carry out the goals of the agency.

She is the first point of contact for the public in the Fire Marshal's office, providing answers to questions or directing them to the appropriate bureau. She is known as the "Woman who knows what's going on," She is also the Gateway Building Coordinator I in the event of an emergency incident she takes charge and evacuates everyone out of the building safely.

Roberta was born and raised in Howard County and graduated from Atholton High School on Freetown Road. She has one daughter, and two beautiful grandsons. She is involved in numerous community organizations and activities and is very active at her church Locust United Methodist Church located off Freetown Road.

She enjoys flowers, church, doing home improvement projects, being outside, reading, gardening, decorating, music, poetry, spending time with her family & friends, traveling, yard sales and loves serving those who are less fortunate or in need of a service.

Roberta is a big fan of Howard County so the next time you are in the Gateway Drive area stop by the fire department headquarters on the 4th floor and say "hello." She is always willing to help and if she can be of service, she will do what she can to help.
