

**Amendment 5 to Council Resolution No. 103-2016**

**BY: Jennifer Terrasa**

**Legislative Day No: 17  
Date: November 7, 2016**

**Amendment No. 5**

*(This amendment would place limitations on the LIHTC project changes)*

1           On page 20 attached to the resolution, in paragraph F., after the first sentence, insert the  
2 following:

3           “The Parties agree that if there is a change in scope of a proposed LIHTC project, any  
4           alternative project scope shall not increase the total number of units by more than 5% or  
5           increase the percentage of affordable units within the project to more than 50%, unless  
6           the project is age-restricted.”.
