Howard County
Internal Memorandum

Subject: Testimony and Fiscal Impact Statement

To: Lonnie Robbins
Chief Administrative Officer

From: James M Irvin, Director 
Department of Public Works

Date: March 14, 2013

The Department of Public Works requests the transfer of \$770,000 from the General Fund Contingency Reserve for unanticipated expenses for snow removal in the Bureau of Highways. We may seek to amend this request as snow removal operations are still anticipated before the end of the winter season. There is no fiscal impact associated with this supplemental request as the appropriations to be transferred are not encumbered and available for transfer.

Thank you for your consideration. Should you have any questions or need any additional information, please feel free to contact me.
