PRESERVATION HOWARD COUNTY

June 20, 2016

My name is Fred Dorsey and I live at 10774 Judy Lane, Columbia. I am President of Preservation Howard County and I am supportive of the reappointment of Elleen Tennor to the Historic Preservation Commission (HPC).

Ms. Tennor has continues to be a very effective member of the Commission having served as a commissioner, Chairperson and Vice Chairperson. She has provided continuity, expertise and a personal background of design that is important to the deliberation and decisions required of the HPC. My assessment of Ms. Tennor's value as a Commissioner is based on having observed the work of the HPC over a seven month period of attending Commission meeting.

Respectfully submitted,

Fred Dorsey

Eileen Tennor *Principal*

Ms. Tennor's environmental graphic design project experience includes identity programs, wayfinding systems, and interpretive exhibits for historic sites, recreation facilities, campus and institutional sites, mixed-use developments, and residential communities. Drawing upon her background in both art history and industrial design, Ms. Tennor combines traditional methods with new technology to create fresh and appropriate design solutions that honor the past, serve the present, and address the future.
