2 Howard County, Maryland (the "County") is authorized pursuant to Council Bill  
3 No. 26-2013, enacted on May 31, 2013 by the County Council of the County (the  
4 "County Council") and effective on July 31, 2013, and Council Bill No. 28-2013,  
5 enacted by the County Council on May 31, 2013 and effective on July 31, 2013,  
6 (collectively, the "Consolidated Public Improvement Bond Enabling Laws") (a) to  
7 borrow on its full faith and credit and issue and sell its bonds, at one time or from time to  
8 time, for the purposes and in the amounts set forth in the Consolidated Public  
9 Improvement Bond Enabling Laws; (b) to enact an ordinance in accordance with Article  
10 VI of the Charter of the County (the "Charter") and other applicable provisions of law  
11 providing for the issuance and sale of such bonds; and (c) to levy annually ad valorem

13 sufficient, together with funds available from other sources, to provide for the payment of  
14 the principal of and interest on such bonds until all such bonds shall be redeemed or paid.

15 The County is authorized pursuant to Council Bill No. 27-2013 enacted by the  
16 County Council on May 31, 2013 and effective on July 31, 2013 (the "Metropolitan  
17 District Bond Enabling Law" and, collectively with the Consolidated Public  
18 Improvement Bond Enabling Laws, the "Bond Enabling Laws") (a) to borrow on its full  
19 faith and credit and issue and sell its bonds, at one time or from time to time, for the  
20 purposes and in the amounts set forth in the Metropolitan District Bond Enabling Law;  
21 (b) to enact an ordinance in accordance with Article VI of the Charter and other  
22 applicable provisions of law providing for the issuance and sale of such bonds; and (c) to  
23 levy annually ad valorem taxes upon the assessable property within the County sufficient,

1 together with benefit assessments, ad valorem taxes levied upon assessable property in  
2 the Metropolitan District of the County and other available funds, to provide for the  
3 payment of the principal of and interest on such bonds until all of such bonds shall be  
4 paid or redeemed.

5 The County is also authorized pursuant to Section 12 of Article 31 of the  
6 Annotated Code of Maryland (2010 Replacement Volume and 2012 Supplement) (the  
7 "Bond Anticipation Note Act") to issue and sell its bond anticipation notes in an  
8 aggregate principal amount not greater than the amount of bonds which the County is  
9 authorized to issue, the principal of and interest on such notes to be made payable out of  
10 the first proceeds of sale of such bonds, or from tax or other revenues which the County  
11 shall have previously determined to apply to the payment of such notes and the interest  
12 thereon.

13 Pursuant to and in accordance with the Bond Anticipation Note Act, the Bond  
14 Enabling Laws and Council Bill No. 12-2011, enacted by the County Council of the  
15 County on May 2, 2011 and effective on May 3, 2011 (the "Note Ordinance"), the  
16 County is authorized to issue its Howard County, Maryland Consolidated Public  
17 Improvement Commercial Paper Bond Anticipation Notes, 2011 Series (the "Notes) from  
18 time to time in order to finance and refinance the costs of certain capital projects  
19 specified in the Bond Enabling Laws and this Ordinance. Pursuant to the Note  
20 Ordinance, the maximum aggregate principal amount of the Notes authorized to be  
21 outstanding at any one time is \$100,000,000. As of the date of introduction of this  
22 Ordinance, the actual principal amount of the Notes outstanding is \$100,000,000.

1           In order to enhance the marketability of the Notes, the County and State Street  
2 Bank and Trust Company (the “Bank”) entered into a Credit Agreement dated as of May  
3 17, 2011 (the “Credit Agreement”), pursuant to which the Bank agreed to make advances  
4 (each, an “Advance”) to provide funds for the payment of the principal of the Notes at  
5 their respective maturities.

6           The outstanding Notes were issued in anticipation of the issuance of the County’s  
7 consolidated public improvement bonds and metropolitan district bonds, and the County  
8 authorized the issuance of such bonds in one or more series pursuant to Council Bill No.  
9 34-2006 enacted by the County Council and effective on June 7, 2006, as amended and  
10 supplemented from time to time (as so amended and supplemented and together with this  
11 Ordinance, the “Master Bond Ordinance”). The Master Bond Ordinance provides that  
12 prior to the issuance of any series of such bonds, the County Council shall enact an  
13 ordinance supplemental thereto to specify and provide for various matters in connection  
14 with the issuance and sale of such bonds, as provided in the Master Bond Ordinance.

15           Section 2C of Article 31 of the Annotated Code of Maryland (2010 Replacement  
16 Volume and 2012 Supplement) and the Consolidated Public Improvement Bond Enabling  
17 Laws provide that the County Council may provide that bonds authorized to be issued by  
18 separate acts of enabling legislation shall be consolidated for sale and issued, sold and  
19 delivered as a single issue of bonds.

20           The County Council has determined that it is in the best interest of the County to  
21 consolidate bonds issued, sold and delivered pursuant to the Consolidated Public  
22 Improvement Bond Enabling Laws (the “Consolidated Public Improvement Bonds”)  
23 from time to time.

1 Pursuant the Metropolitan District Bond Enabling Law, bonds authorized  
2 thereunder may be consolidated for sale and issued, sold and delivered as a single issue of  
3 bonds.

4 The County Council has determined that it is in the best interest of the County to  
5 consolidate bonds issued, sold and delivered pursuant to the Metropolitan District Bond  
6 Enabling Law (the "Metropolitan District Bonds") from time to time.

7 **Now, therefore, be it enacted by the County Council of Howard County,**  
8 **Maryland:**

9 **Section 1.** All terms used herein which are defined in the Recitals hereof shall  
10 have the meanings given such terms therein.

11 **Section 2.** It is hereby found, determined and declared as follows:

12 (1) It is in the best interest of the County to issue Consolidated Public  
13 Improvement Bonds pursuant to and in accordance with the Consolidated Public  
14 Improvement Bond Enabling Laws and the Master Bond Ordinance in the aggregate  
15 principal amount of \$100,000,000, or such lesser principal amount as may be specified in  
16 an Executive Order in accordance with Section 14 hereof, for the purpose of (a) paying  
17 the principal amount of Notes (the "Refunded Notes") or Advances under the Credit  
18 Agreement to pay the principal amount of any notes (together with the Refunded Notes,  
19 the "Refunded Obligations"), the proceeds of which have been or will be used, after  
20 payment of certain costs, fees and expenses incurred in the issuance thereof, to pay or  
21 refinance a portion of the costs of capital projects authorized by the Consolidated Public  
22 Improvement Bond Enabling Laws, as specified in Appendix A hereto (the "Public  
23 Improvement Capital Projects"), (b) defraying a portion of the costs of Public

1 Improvement Capital Projects not funded with proceeds of Notes (the “Other Public  
2 Improvement Capital Projects”), and (c) paying the costs, fees and expenses incurred in  
3 the issuance and sale of the Consolidated Public Improvement Bonds, in each case to the  
4 extent that such costs are not payable from other sources, as specified in an Executive  
5 Order in accordance with Section 14 hereof.

6 (2) It is in the best interest of the County to issue the Metropolitan District  
7 Bonds pursuant to and in accordance with the Metropolitan District Bond Enabling Law  
8 in the aggregate principal amount of \$50,000,000, or such lesser principal amount as may  
9 be specified in an Executive Order in accordance with Section 14 hereof, for the purpose  
10 of (a) paying the Refunded Obligations, (b) defraying a portion of the costs of the capital  
11 projects authorized by the Metropolitan District Bond Enabling Law, as specified in  
12 Appendix A (the “Metropolitan District Capital Projects”), and (c) paying the costs, fees  
13 and expenses incurred in the issuance and sale of the Metropolitan District Bonds, in each  
14 case to the extent such costs are not payable from other sources, as specified in an  
15 Executive Order in accordance with Section 14 hereof.

16 (3) The outstanding general obligation indebtedness of the County on June 30,  
17 2013(exclusive of indebtedness issued or guaranteed by the County that is payable  
18 primarily or exclusively from taxes levied in or on, or other revenues of, special taxing  
19 areas or districts heretofore established by law and indebtedness issued for self-  
20 liquidating and other projects payable primarily or exclusively from the proceeds of the  
21 assessments or charges for special benefits or services), plus the \$100,000,000 aggregate  
22 principal amount of Consolidated Public Improvement Bonds authorized hereby, less the  
23 aggregate principal amount of Refunded Obligations to be refunded with the proceeds of

1 the Consolidated Public Improvement Bonds, is equal to \$969,350,000. The full cash  
2 value assessable base of the County on June 30, 2013 was \$44,201,085,307. As of the  
3 date of enactment of this Ordinance, the issuance of the aggregate principal amount of  
4 Consolidated Public Improvement Bonds authorized by this Ordinance is within every  
5 debt and other limitation prescribed by the Constitution and Laws of the State of  
6 Maryland and the Charter.

7 (4) Current market conditions are volatile and an inflexible approach to  
8 borrowing by the County threatens its ability to initiate necessary capital projects and will  
9 diminish the resources available to provide for the needs of the citizens of the County in  
10 the future, and the interests of the County are best served by providing the County with  
11 reasonable flexibility in accessing the capital markets. Accordingly, any sale of  
12 Consolidated Public Improvement Bonds and Metropolitan District Bonds (collectively,  
13 "Bonds") pursuant to this Ordinance by private negotiation will provide significant  
14 benefits to the County which would not be achieved if such Bonds were sold at public  
15 sale and is in the County's best interest.

16 (5) The probable remaining average useful life of (a) the Public Improvement  
17 Capital Projects financed and refinanced with proceeds of the Refunded Obligations and  
18 to be refinanced with the proceeds of the Consolidated Public Improvement Bonds, and  
19 (b) the Other Public Improvement Capital Projects (if any) is more than 25 years, and all  
20 of the Consolidated Public Improvement Bonds shall be payable within such probable  
21 average useful life.

1           (6) The probable remaining average useful life of the projects to be financed  
2 with the proceeds of the Metropolitan District Bonds is more than 35 years, and all of the  
3 Metropolitan District Bonds shall be payable within 30 years of the date of their issuance.

4           **Section 3.** The Bond Enabling Laws authorize the County to borrow money  
5 to pay the costs of certain capital projects specified in the County's 2014 Capital Budget  
6 and in Appendix A attached hereto.

7           **Section 4.** (a) Pursuant to the authority contained in the Consolidated Public  
8 Improvement Bond Enabling Laws, and in accordance with the Master Bond Ordinance,  
9 the County shall borrow money upon the full faith and credit of the County and shall  
10 issue and sell Consolidated Public Improvement Bonds upon the full faith and credit of  
11 the County from time to time in the aggregate principal amount of \$100,000,000, or such  
12 lesser principal amount as may be specified in an Executive Order in accordance with  
13 Section 14 hereof.

14           (b) The Consolidated Public Improvement Bonds shall be dated the date of  
15 their delivery.

16           (c) The Consolidated Public Improvement Bonds may be issued in one or a  
17 combination of serial bonds, installment bonds, or term bonds as may be specified in an  
18 Executive Order in accordance with Section 14 hereof.

19           (d) The maturity dates of the Consolidated Public Improvement Bonds shall  
20 be such dates as shall be specified in an Executive Order in accordance with Section 14  
21 hereof, provided that the date of the last maturity of the Consolidated Public  
22 Improvement Bonds shall not be later than 30 years after the date of delivery of the  
23 Consolidated Public Improvement Bonds.

1           **Section 5.**   (a)    The proceeds of the Consolidated Public Improvement  
2 Bonds shall be paid to the Director of Finance of the County (the “Director of Finance”)  
3 and shall be set apart in an account or accounts and applied as follows:

4                   (i)    All or a portion of the proceeds of the Consolidated Public  
5 Improvement Bonds, as specified in an Executive Order, shall be applied first to the  
6 payment of all or a portion of the principal of the Refunded Obligations. The actual cost  
7 of each Public Improvement Capital Project which has been or will be financed or  
8 refinanced from the proceeds of the sale of the Notes through June 30, 2013, is set forth  
9 in Appendix A hereto in the column captioned “Bond Anticipation Note Funded”.

10                  (ii)   The remaining proceeds of the Consolidated Public Improvement  
11 Bonds, if any, shall be applied (A) to the payment of costs, fees and expenses incurred in  
12 the issuance and sale of the Consolidated Public Improvement Bonds, to the extent such  
13 costs, fees and expenses are not paid from other sources, and (B) to defray a portion of  
14 the costs of Other Public Improvement Capital Projects. The actual costs of the Other  
15 Public Improvement Capital Projects to be defrayed from the proceeds of the  
16 Consolidated Public Improvement Bonds, if any, shall be determined by the Director of  
17 Finance, provided that the amount so applied shall not exceed the difference between the  
18 amount set forth in Appendix A in the column captioned “Unsold Bonds” for the Other  
19 Public Improvement Capital Projects and the amount of proceeds of the Notes applied to  
20 finance the costs of the Other Public Improvement Capital Projects.

21           Notwithstanding the foregoing, the Director of Finance is hereby authorized to  
22 reallocate the proceeds of the Consolidated Public Improvement Bonds to the payment of  
23 any other costs of Other Public Improvement Capital Projects which could have been

1 financed with the proceeds of Notes or Consolidated Public Improvement Bonds in  
2 accordance with the Bond Enabling Laws and this Ordinance, respectively, in the event  
3 that it is determined after the enactment of this Ordinance and the initial application of  
4 the proceeds of the Consolidated Public Improvement Bonds that any of the amounts  
5 financed with proceeds of Notes or Consolidated Public Improvement Bonds should not  
6 have been funded with proceeds thereof, whether as a result of the receipt of a grant for  
7 such purpose or for any other reason. Any such reallocation shall be made to any one or  
8 more of the Other Public Improvement Capital Projects in such manner and in such  
9 amounts as the Director of Finance shall determine in his discretion.

10 The provisions of this Section shall be subject in all respects to Section 16 hereof.

11 (b) The costs of each Public Improvement Capital Project and Other Public  
12 Improvement Capital Project (if any) shall include, without limitation, the cost of

17 Improvement Capital Projects and Other Public Improvement Capital Projects and the  
18 other sources of funds for such Public Improvement Capital Projects and Other Public  
19 Improvement Capital Projects are set forth in Appendix A. Such other sources of funds  
20 shall include, without limitation, the amount shown in the column captioned "Unsold  
21 Bonds" for each such Public Improvement Capital Project and such Other Public  
22 Improvement Capital Project (if any) as listed in Appendix A, which amounts shall be  
23 paid from prior or subsequent bond or bond anticipation note issues of the County, from

1 such other sources as the County may hereafter determine and, for the Other Public  
2 Improvement Capital Projects, from the proceeds of the Consolidated Public  
3 Improvement Bonds.

4 (c) Any remaining proceeds shall be used to pay the interest on or the  
5 principal of the Consolidated Public Improvement Bonds, as the Director of Finance shall  
6 determine in his sole discretion.

7 **Section 6.** For the purpose of paying the principal of and interest on the  
8 Consolidated Public Improvement Bonds when due and payable, there is hereby levied  
9 and there shall hereafter be levied in each fiscal year that any of the Consolidated Public  
10 Improvement Bonds are outstanding, ad valorem taxes on real and tangible personal  
11 property and intangible property subject to taxation by the County without limitation of  
12 rate or amount and, in addition, upon such other tangible property as may be subject to  
13 taxation by the County within limitations prescribed by law, in an amount sufficient,  
14 together with funds available from other sources (including, without limitation, building  
15 excise taxes, school facilities surcharges and revenues from Howard Community College  
16 fees to the extent provided in the Consolidated Public Improvement Bond Enabling  
17 Laws), to pay such principal and interest and the full faith and credit and the unlimited

19 the principal of and interest on the Consolidated Public Improvement Bonds as and when  
20 the same respectively become due.

21 **Section 7.** No Notes shall be issued to pay the principal of any Refunded  
22 Obligations on or after the date of delivery of Consolidated Public Improvement Bonds  
23 issued to provide for such payment.

1           **Section 8.**   (a)   Pursuant to the authority contained in the Metropolitan  
2 District Bond Enabling Law, the County shall borrow money upon the full faith and

4 Metropolitan District Bonds from time to time in the aggregate principal amount of  
5 \$50,000,000, or such lesser principal amount as may be specified in an Executive Order  
6 in accordance with Section 14 hereof, in order to provide funds for (i) the payment of  
7 costs of the Metropolitan District Capital Projects, and (ii) the payment of costs, fees and  
8 expenses incurred in the issuance and sale of the Metropolitan District Bonds, to the  
9 extent such costs, fees and expenses are not paid from other sources, as specified in an  
10 Executive Order in accordance with Section 14 hereof.

11           (b)   The Metropolitan District Bonds shall be dated as of the date of their  
12 delivery.

13           (c)   The Metropolitan District Bonds may be issued in one or a combination of  
14 serial bonds, installment bonds, or term bonds as may be specified in an Executive Order  
15 in accordance with Section 14 hereof.

16           (d)   The maturity dates of the Metropolitan District Bonds shall be such dates  
17 as shall be specified in an Executive Order in accordance with Section 14 hereof,  
18 provided that the date of the last maturity of the Metropolitan District Bonds shall not be

21 paid to the Director of Finance and shall be set apart in an account or accounts and  
22 applied as follows:

1           (i) All or a portion of the proceeds of the Metropolitan District Bonds,  
2 as specified in an Executive Order, shall be applied first to the payment of all or a portion  
3 of the principal of the Refunded Obligations. The actual cost of each Metropolitan  
4 District Capital Project which has been or will be financed or refinanced from the  
5 proceeds of the sale of the Notes, if any is set forth in Appendix A hereto in the column  
6 captioned "Anticipated Bond Funding."

7           (ii) The remaining proceeds of the Metropolitan District Bonds, if any,  
8 shall be applied (A) to the payment of costs, fees and expenses incurred in the issuance  
9 and sale of the Metropolitan District Bonds, to the extent such costs, fees and expenses  
10 are not paid from other sources, and (B) to defray a portion of the costs of Metropolitan  
11 District Capital Projects. The actual costs of the Metropolitan District Capital Projects to  
12 be defrayed from the proceeds of the Metropolitan District Bonds, if any, shall be  
13 determined by the Director of Finance, provided that the amount so applied shall not  
14 exceed the difference between the amount set forth in Appendix A in the column  
15 captioned "Unsold Bonds" for the Metropolitan District Capital Projects and the amount  
16 of proceeds of the Notes applied to finance the costs of the Metropolitan District Capital  
17 Projects.

18           No proceeds of the Metropolitan District Bonds will be applied in any way which  
19 would violate the covenants contained in Section 16 hereof.

20           Notwithstanding the foregoing, the Director of Finance is hereby authorized to  
21 reallocate the proceeds of the Metropolitan District Bonds to the payment of any other  
22 costs of Metropolitan District Capital Projects which could have been financed with the  
23 proceeds of Metropolitan District Bonds in accordance with this Ordinance in the event

1 that it is determined after the enactment of this Ordinance and the initial application of  
2 the proceeds of the Metropolitan District Bonds that any of the amounts financed with  
3 proceeds of Metropolitan District Bonds should not have been funded with proceeds  
4 thereof, whether as a result of the receipt of a grant for such purpose or for any other  
5 reason. Any such reallocation shall be made to any one or more of Metropolitan District  
6 Capital Projects in such manner and in such amounts as the Director of Finance shall  
7 determine in his discretion.

8 (b) The costs of each Metropolitan District Capital Project include, without  
9 limitation, the cost of planning, design, construction, reconstruction, furnishing,  
10 equipping, improvements, renovations, remodeling, enlargements, engineering services,  
11 architects' services, surveys, landscaping, site development, evaluation studies, land  
12 acquisition and related items, appurtenances and incidental activities. The estimated cost  
13 of the Metropolitan District Capital Projects and the other sources of funds for such  
14 capital projects are set forth in Appendix A.

15 (c) Any remaining proceeds shall be used to pay interest on or the principal of  
16 the Metropolitan District Bonds, as the Director of Finance shall determine in his sole  
17 discretion.

18 **Section 10.** For the purpose of paying the principal of and interest on the  
19 Metropolitan District Bonds when due and payable, there is hereby levied and there shall  
20 hereafter be levied in each fiscal year that any of the Metropolitan District Bonds are  
21 outstanding, ad valorem taxes on real and tangible personal property and intangible  
22 property subject to taxation by the County without limitation of rate or amount and, in  
23 addition, upon such other tangible property as may be subject to taxation by the County

1 within limitations prescribed by law, in an amount sufficient, together with benefit  
2 assessments, ad valorem taxes upon assessable property in the Metropolitan District of  
3 the County and other available funds, to pay such principal and interest and the full faith  
4 and credit and the unlimited taxing power of the County are hereby irrevocably pledged

8 shall be signed by the County Executive and by the Director of Finance by manual or  
9 facsimile signature, and the Bonds shall bear the corporate seal of the County, or a  
10 facsimile thereof, attested by the manual or facsimile signature of the Chief  
11 Administrative Officer of the County (the "Chief Administrative Officer"). In the event  
12 that any officer whose signature shall appear on the Bonds shall cease to be such officer  
13 before the delivery of the Bonds, such signature shall nevertheless be valid and sufficient  
14 for all purposes, the same as if such officer had remained in office until delivery.

15       **Section 12.** Except as otherwise provided in this Ordinance or in an Executive  
16 Order, the Director of Finance is hereby designated and appointed as bond registrar and  
17 paying agent for the Bonds and shall maintain books of the County for the registration  
18 and transfer of the Bonds. The Director of Finance, either prior to or following the  
19 issuance of the Bonds, may designate and appoint the Department of Finance of the  
20 County, any officer or employee of the County or one or more banks, trust companies,  
21 corporations or other financial institutions to act as bond registrar, paying agent or  
22 authenticating agent.

1           **Section 13.** The Bonds hereby authorized may be sold for a price at, above or  
2 below par, plus accrued interest to the date of delivery. Authority is hereby conferred on  
3 the County Executive to sell the Bonds through a public sale or through a private  
4 (negotiated) sale, without solicitation of competitive bids, as the County Executive of the  
5 County (the “County Executive”), upon consultation with the Director of Finance and the  
6 County’s financial advisor, shall determine to be in the best interests of the County.

7           If the County Executive shall determine in accordance with this Section to sell  
8 any Bonds at a public sale through the solicitation of competitive bids, then the County  
9 Executive may sell such Bonds in accordance with such procedures as shall be  
10 determined by the County Executive.

11           Bonds issued under this Ordinance are hereby specifically exempted from the  
12 provisions of Sections 10 and 11 of Article 31 of the Annotated Code of Maryland (2011  
13 Replacement Volume).

14           The County Executive is hereby authorized and empowered for and on behalf of  
15 the County (a) to cause the preparation, printing, execution and delivery of a preliminary  
16 and final official statement or other offering document with respect to any Bonds issued  
17 from time to time hereunder, and (b) to do all such things as may be necessary or  
18 desirable in the opinion of the County Executive in connection therewith.

19           **Section 14.** Notwithstanding any provisions of the Bond Enabling Laws to the  
20 contrary, subject to and in accordance with the provisions of this Ordinance, the County  
21 Executive shall determine by Executive Order, for each and every Bond or series of  
22 Bonds issued pursuant to and in accordance with this Ordinance, all matters relating to  
23 the sale, issuance, delivery and payment of the Bonds, including (without limitation) the

1 purposes for which such Bonds are issued, the date or dates of sale of the Bonds, the  
2 designation of the Bonds, the date of delivery of the Bonds, the authorized denominations  
3 for the Bonds, the redemption provisions, if any, pertaining to the Bonds, the manner of  
4 authentication and numbering of the Bonds, the date from which interest on the Bonds  
5 shall accrue, the rate or rates of interest borne by the Bonds or the method of determining  
6 the same, the interest payment and maturity dates of the Bonds, including provisions for  
7 mandatory sinking fund redemption of any term bonds, the forms of the Bonds, whether  
8 the Bonds are to be issued in book-entry form and all matters incident to the issuance of  
9 Bonds in book-entry form and the provisions for the registration of Bonds. The  
10 execution and delivery of Bonds as herein provided shall be conclusive evidence of the  
11 approval of all terms and provisions of such Bonds on behalf of the County.

12       **Section 15.** In connection with the issuance of any Bonds pursuant to this  
13 Ordinance, the County is hereby authorized to enter into one or more agreements as the  
14 County Executive shall deem necessary or appropriate for the issuance, sale, delivery or  
15 security of such Bonds, which may include (without limitation) (i) underwriting,  
16 purchase or placement agreements for Bonds sold at private (negotiated) sale in  
17 accordance with the provisions of this Ordinance; (ii) trust agreements with commercial  
18 banks or trust companies providing for the issuance and security of such Bonds; (iii) any  
19 dealer, remarketing or similar agreements providing for the placement or remarketing of  
20 such Bonds; (iv) agreements providing for any credit or liquidity facilities supporting any  
21 Bonds; (v) agreements with commercial banks or trust companies providing for the  
22 deposit of proceeds of any Bonds; (vi) agreements with fiscal agents providing for the  
23 issuance of Bonds, their authentication, registration or payment or other similar services;

1 and (vii) continuing disclosure agreements, including any such agreements required to  
2 enable the underwriters of any Bonds to meet the requirements of paragraph (b)(5) of  
3 Rule 15c2-12 promulgated by the United States Securities and Exchange Commission.  
4 Each such agreement shall be in such form as shall be determined by the County  
5 Executive by Executive Order. The execution and delivery of each such agreement by  
6 the County Executive shall be conclusive evidence of the approval of the form of such  
7 agreement on behalf of the County.

8           **Section 16.** The County hereby covenants with each of the holders of any  
9 Bonds, the interest on which is expected to be excludable from federal income taxation  
10 (such Bonds being referred to herein collectively as “Tax-Exempt Obligations”), that it  
11 will not use, or suffer or permit to be used, the proceeds received from sale of such Tax-  
12 Exempt Obligations, or any moneys on deposit to the credit of any account of the County  
13 which may be deemed to be proceeds of such Tax-Exempt Obligations, pursuant to  
14 Section 148 (“Section 148”) of the Internal Revenue Code of 1986, as amended (the  
15 “Code”), and applicable regulations thereunder, which use would cause such Tax-Exempt  
16 Obligations to be “arbitrage bonds” within the meaning of Section 148 and the  
17 regulations thereunder. The County further covenants that it will comply with Section  
18 148 and the regulations thereunder which are applicable to Tax-Exempt Obligations on  
19 the date of issuance of such Tax-Exempt Obligations and which may subsequently  
20 lawfully be made applicable to such Tax-Exempt Obligations. The County Executive,  
21 the County Administrative Officer and the Director of Finance shall be officers of the  
22 County responsible for issuing any Tax-Exempt Obligations. The County Executive or  
23 the Director of Finance is hereby authorized and directed to prepare or cause to be

1 prepared and to execute, any certification, opinion or other document which may be  
2 required to assure that such Tax-Exempt Obligations will not be deemed to be “arbitrage  
3 bonds” within the meaning of Section 148 and the regulations thereunder.

4 The County is hereby authorized to take any and all actions as may be necessary  
5 or desirable to assure that interest on Tax-Exempt Bonds is and remains excludable from  
6 gross income for federal income tax purposes.

7 The County is hereby authorized to take any and all actions as may be necessary  
8 or desirable to assure that any Bonds authorized by this Ordinance are allowed a tax  
9 credit, that the County is entitled to a subsidy from the United States of America or any  
10 agency or instrumentality thereof with respect to such Bonds or the interest payable  
11 thereon, or that any such Bond or the interest thereon is entitled to any other available  
12 benefits under the Code (any such Bonds being referred to herein as “Tax Advantaged  
13 Obligations”). Any such actions may be authorized by an order of the County Executive.

14 The County Executive is hereby authorized to make such covenants or  
15 agreements in connection with the issuance of any Tax-Exempt Obligations or Tax  
16 Advantaged Obligations as he shall deem advisable in order to assure (i) the holders of  
17 any such Tax-Exempt Obligations that interest thereon shall be and remain exempt from  
18 federal income taxation, (ii) the holders of any such Tax Advantaged Obligations that  
19 such Tax Advantaged Obligations will be entitled to such benefits, and (iii) that the  
20 County is entitled to any subsidy available for any such Tax Advantaged Obligations.  
21 Such covenants or agreements shall be binding on the County so long as the observance  
22 by the County of any such covenants or agreements is necessary in connection with the  
23 maintenance of the exemption from federal income taxation of the interest on such Tax-

1 Exempt Obligations or the entitlement of such Tax Advantaged Obligations to such  
2 benefits, respectively. The foregoing covenants and agreements may include (without  
3 limitation) covenants or agreements on behalf of the County relating to the investment of  
4 proceeds of such Tax-Exempt Obligations or Tax Advantaged Obligations, the rebate of  
5 certain earnings resulting from such investment to the United States of America (or the  
6 payment of penalties in lieu of such rebate), limitations on the times within which, and  
7 the purposes for which, such proceeds may be expended or the utilization of specified  
8 procedures for accounting for and segregating such proceeds. Any covenant or  
9 agreement made by the County Executive pursuant to this paragraph in an order or  
10 certificate executed by the County Executive shall be binding upon the County.

11 In furtherance of the foregoing, in order to qualify for and maintain the tax-  
12 exempt status of any Tax-Exempt Obligations or the benefits inuring with respect to any  
13 Tax Advantaged Obligation, the County Executive shall be authorized to make any  
14 elections or designations permitted or required under the Code, to apply for an allocation  
15 from the State of Maryland or the federal government in the case of Bonds or Notes  
16 subject to any volume limitation and to apply for any tax credit, to take such actions as  
17 shall be necessary to permit any tax credit to be stripped and sold separately from the  
18 ownership interest in any Tax Advantaged Bond and to claim any cash subsidy with  
19 respect to any Tax Advantaged Obligation. It is confirmed that the County Executive is  
20 authorized to declare official intent to reimburse expenditures from proceeds of Tax  
21 Advantaged Obligations.

22 For purposes of establishing compliance with Section 148 of the Code regarding  
23 the expenditure of proceeds of Tax-Exempt Obligations or Tax Advantaged Obligations,

1 the source of Capital Projects Fund monies for capital expenditures may be specifically  
2 attributed to funds deposited to the Capital Projects Fund as a reimbursement from the  
3 proceeds of County debt issuances in accordance with a certificate executed by the  
4 County Executive.

5 It is confirmed that bond premium, consisting of net bond proceeds from the sale  
6 of bonds sold at a price above par, may be allocated for expenditure purposes permitted  
7 under provisions of federal income tax law pertaining to excludability of interest on the  
8 bonds from gross income or the tax status of Tax Advantaged Obligations, as applicable.

9 **Section 17.** In accordance with the provisions of Section 402(a) of the Charter,  
10 the County Executive is hereby authorized to delegate to the Chief Administrative Officer  
11 the power and authority to take any and all actions required or permitted to be taken by  
12 the County Executive pursuant to this Ordinance.

13 **Section 18.** (a) This Ordinance shall be supplemental to the Master Bond  
14 Ordinance and shall be a "Supplemental Ordinance" as defined therein; provided,  
15 however, that to the extent that any of the terms and provisions of this Ordinance conflict  
16 with the terms and provisions of the Master Bond Ordinance, the terms and provisions of  
17 this Ordinance shall control.

18 (b) It is hereby found and determined that the modification and  
19 supplementation of the Master Bond Ordinance, as provided herein, is in the best interest  
20 of the County and is not adverse to the interests of the holders of the Notes.

21 (c) Except as hereby or heretofore supplemented, the Master Bond Ordinance  
22 shall remain in full force and effect; and the Master Bond Ordinance, as so modified and  
23 supplemented, is ratified and confirmed.

1           (d) On and after the date of enactment hereof, all references to "Bond  
2 Ordinance" in the Note Ordinance or the Master Bond Ordinance shall mean the Master  
3 Bond Ordinance as supplemented hereby.

4           **Section 19.** If any one or more of the provisions of this Ordinance, including  
5 any covenants or agreements provided herein on the part of the County to be performed,  
6 should be contrary to law, then such provision or provisions shall be null and void and  
7 shall in no way affect the validity of the other provisions of this Ordinance or of the  
8 Bonds.

9           **Section 20.** This Ordinance shall take effect on the date of its enactment.

From: Nicole Hogue Griffith  
Debt Manager

The proposed legislation will authorize the County to sell bonds and to use the proceeds from that sale to retire outstanding short-term debt (Commercial Paper Bond Anticipation Notes). Council Bill 26-2013, Council Bill 27-2013, Council Bill 29-2013 and Council Bill 30-2013 authorized the sale of bonds for the projects included in this legislation as part of the FY 2014 Capital Budget. The bonds will be sold in late February. As has been done in the past, the terms of the sale will be specified by Executive Order. The sale is expected to include \$100,000,000 for general county projects and \$50,000,000 for the Metropolitan District (water and sewer) projects.
