9	RECITALS
^	
0	1. On February 1, 2010, the Howard County Council approved the Downtown
1	Columbia Plan, a General Plan Amendment (the "Downtown Columbia Plan"). The Downtown
2	Columbia Plan envisions the evolution of Downtown Columbia as Howard County's urban center
.3	with new development of 5,500 dwellings, 640 hotel rooms, 4.3 Million square feet of office and
4	1.25 Million square feet of retail uses. The Downtown Columbia Plan further envisions a full
.5	spectrum housing program for Downtown Columbia to be achieved through the creation of a
6	Downtown Columbia Community Housing Foundation which would administer a housing fund to
.7	be created from contributions from the Downtown Columbia Community Developer (i.e., HRD),
8	developer and property owner contributions, and other sources.
9	2. As part of the Downtown Columbia Plan, HRD and other property owners and
20	developers in Downtown Columbia were required to provide various Community Enhancements,
21	Programs and Public Amenities ("CEPPAs"), including CEPPAs aimed at achieving affordable
22	housing. CEPPAs 10 and 11 require contributions from HRD to the Fund (as defined below) of
23	\$1,500,000 each and CEPPAs 26 and 27 require additional contributions to the Fund, including
24	one-time payments of between \$2,000.00 and \$9,000.00 for each new dwelling unit.
_	
25	3. The Howard County Council adopted Bill 24-2012 effective September 3, 2012,
26	which established the Downtown Columbia Community Housing Fund ("Fund") for the purpose of
27	providing affordable housing assistance as an amenity as described in the Downtown Columbia
28	Plan and further providing for the recognition of a nonprofit entity as the Downtown Columbia
29	Community Housing Foundation for purposes of administering the Fund. Bill 24-2012 also
30	established mandatory contributions into the Fund by the Downtown Columbia Community
31	Developer and property owners
32	4. On November 5, 2012, the County Council adopted Resolution 154-2012
33	recognizing the Columbia Downtown Housing Corporation ("CDHC") as the Downtown
34	Columbia Community Housing Foundation under the Downtown Columbia Plan.
	F. Not Now (or defined in Section 1.1 CC below) emmoved meridential development
35	5. Net New (as defined in Section 1.1.GG below) approved residential development
36	includes (i) The Metropolitan comprised of 380 dwelling units and ground floor retail space; and
37	(ii) Parcel C comprised of 437 total dwelling units and ground floor retail space, both of which
38	were approved by final development plan FDP-DC-Warfield-1. Site development plan approval of
39	The Metropolitan (SDP 13-007) reduced the number of Net New dwelling units remaining to be
10	constructed in Downtown Columbia to 5,120 units, and site development plan approval of Parcel C

- 1 (SDP 14-024) further reduced the number of Net New dwelling units remaining to be constructed to 4,683 units.
- 3 <u>6. On or about October 8, 2013, HRD, as the designated Community Developer, in order to permit construction and occupancy of The Metropolitan, contributed \$2,329,422.20 to the</u>
- 5 Fund in accordance with the Downtown Columbia Plan, CEPPAs 10, 26 and 27, and Bill 24-2012.
- On or about June 14, 2016, HRD contributed an additional \$2,498,103.63 to the Fund in accordance with the Downtown Columbia Plan, CEPPAs 11, 26 and 27 and Bill 24-2012 in order
- 8 to permit construction and occupancy of Parcel C. To date, approximately \$4,827,525.83 in
- 9 contributions have been provided to the Fund by HRD.
- 7. On March 31, 2014, CDHC presented its Second Annual Report to the County
  Council and County Executive in which CDHC advised that changes in legislation will be
  necessary to realize the goals of the Downtown Columbia Plan for the development of a full
- 13 spectrum housing program in Downtown Columbia.
- 8. On October 29, 2014, the County Council adopted Resolution 120-2014 requesting
  CDHC to consider whether legislative changes are necessary and appropriate to ensure the
- Downtown Columbia Plan's vision for a full spectrum of affordable housing can be achieved and
- 17 to recommend any changes believed necessary and appropriate to the County Council and County
- 18 Executive.
- 9. On February 27, 2015, CDHC presented its recommendations to the County
  Council and County Executive, which recommendations would have required 15% of future
  residential development in Downtown Columbia to be affordable, providing up to 702 units of
  affordable housing in Downtown Columbia at full residential build-out and serving households
- 23 with an average AMI of 60% of the Howard County AMI.
- 24 <u>10.</u> As Community Developer under the Downtown Columbia Plan, HRD objected to CDHC's recommendations to the County Council and County Executive on the basis that the adoption of such recommendations would only stifle future development in Downtown Columbia.
- 27 HRD suggested instead that a more nuanced approach be developed as a collaboration among
- 28 HRD, the County, CDHC and the Howard County Housing Commission ("Commission"), which
- 29 would actually "jump start" and maximize the potential to create affordable housing in Downtown
- 30 Columbia.
- 31 <u>11. On June 8, 2015, at a public worksession of the County Council representatives of HRD presented the County Council and representatives of CDHC and the Commission with an</u>
- 33 <u>alternative means of achieving a full spectrum of housing in Downtown Columbia, and after allered and the Columbia and after allered and after allered and allered and after allered and</u>
- 34 discussion at this worksession; it was understood that HRD, CDHC and the Commission would
- attempt to work towards a joint recommendation regarding affordable housing and to determine
- 36 what, if any, recommendations should be jointly made to the County Council and pursued.
- 37 <u>12. Representatives of CDHC, HRD, the Commission and the Howard County</u> 38 <u>Executive met over a period of months during summer and fall 2015 to understand the various</u>
- 39 perspectives and objectives of the parties, including, without limitation, achieving a full spectrum
- 40 of housing, the economic constraints affecting the ability of the private sector alone to meet this

- objective, the existing requirements and recommendations of the Downtown Columbia Plan, CEPPAs and Bill 24-2012, and the potential use of mechanisms such as low income housing tax credits, PILOT, and land dedication and land exchanges to facilitate the creation of affordable
- 4 housing.
- 5 On September 8, 2015, representatives of CDHC, HRD, the Commission and the 6 Howard County Executive presented the County Council with a set of joint recommendations on 7 affordable housing in Downtown Columbia (the "Joint Recommendations"). The Joint 8 Recommendations describe a multi-faceted approach to achieve a full spectrum of housing by 9 encouraging private investment including, without limitation, recommendations for (i) Very Low 10 Income Units, Low Income Units, and Middle Income Units; (ii) an inclusionary program whereby Affordable Units are included in each residential rental building going forward; (iii) land 1.1 12 exchanges, leases or contributions to facilitate development or redevelopment of a new Central 13 Library, the existing Central Library, a new transit center, Toby's Dinner Theatre, the Banneker 14 Fire Station and the Temporary Fire Station Site, all of which (except for the new Central Library) 15 are anticipated to include additional Affordable Units earlier than would be delivered in the 16 development of the full residential buildout program, and in significant quantity, (iv) modification 17 of the Fund contribution mechanism; and (v) accompanying legislation to facilitate this approach. Together the Joint Recommendations provide for the development of approximately 900 18 19 Affordable Units in Downtown Columbia at a full spectrum of household income levels at Full 20 Residential Build Out (defined in Section 1.1.U below).
- 21 14. HRD is, either itself or through its affiliates, engaged in the development, 22 construction, redevelopment and management of real estate and owns or controls the residential 23 development on parcels of real property in Downtown Columbia, including those parcels more 24 particularly described on Exhibit "A", attached hereto and by this reference incorporated herein.
- 25 <u>15.</u> Maryland law, Land Use Article, § 7-301 *et seq.* of the Maryland Annotated Code 26 ("Land Use Article"), grants Howard County the authority to establish procedures and 27 requirements for the consideration and execution of Development Rights and Responsibilities 28 Agreements.
- 29 16. The Howard County Council adopted Council Bill No. 4-2010 on March 1, 2010, 30 effective May 4, 2010, creating Sections 16.1700 et seq. of the Howard County Code authorizing 31 Howard County to enter into Development Rights and Responsibilities Agreements ("County 32 Ordinance").
- 17. The Howard County Council also adopted (i) ZRA-170 on , 2016, effective , 20 , (ii) Council Bill No. on , 20 , effective , 20 , and (iii) Council Bill No. on , 20 , effective , 20 ,
- 18. This Agreement is intended to constitute a Development Rights and
  Responsibilities Agreement as provided for in the Land Use Article and the County Ordinance and
  includes provisions intended to implement the Joint Recommendations adopted by HRD and
  CDHC and endorsed by the Commission and the County
- 39 <u>CDHC and endorsed by the Commission and the County.</u>
- 40 19. On March 11, 2016 HRD petitioned Howard County to enter into this Agreement.

1	20. On March 16, 2016, Howard County reviewed this petition and determined to
2 3	accept this petition and initiate the process of considering a Development Rights and Responsibilities Agreement.
4 5 6 7 8 9 10 11	21. The parties acknowledged and agreed that HRD's affordable housing obligations set forth in this Agreement, when compared to the 12% and 15% MIHU requirement for Downtown Columbia would (a) provide for more affordable dwelling units on the Property and it close proximity thereto, and provide additional funds to further the affordable housing goals set forth herein, (b) serve lower income households, (c) provide the units at earlier stages of development, and (d) support homeownership and live-where-you-work goals; and, consequently the affordable housing goals in the Downtown Columbia Plan will be served to a greater extent by this Agreement.
12 13 14 15 16 17	22. On July 5, 2016, the County Executive filed as legislation with the Howard County Council the Agreement and accompanying zoning and affordable housing law changes. The Howard County Council held a series of public hearings and worksessions to discuss the Agreement and accompanying legislation. As a result of this process, the Howard County Council in consultation with, among others, HRD, CDHC, the Commission, and the Howard County Executive, filed legislative amendments to the Agreement and accompanying legislation
18 19 20 21	23. As the result of the aforementioned process, HRD shall be deemed to have satisfied all affordable housing obligations under the County Law for the term of this Agreement with respect to the development by HRD and its affiliates of up to 5,500 Net New dwelling units as further detailed herein.
22 23 24 25 26	NOW, THEREFORE, in consideration of the foregoing recitals, which are not merely prefatory but are hereby incorporated into and made a part of this Agreement, and the mutual covenants and agreements as set forth below, and for other good and valuable consideration, the receipt and sufficiency of which the Parties hereby acknowledge, HRD and Howard County hereby agree as follows:

- 4 <u>building permits</u>, and occupancy permits. Development of the Property shall also be required to
- 5 obtain all applicable Maryland or federal approval(s) and permits.

- 6 <u>2.5. Master Plan Consistency. Howard County and the Planning Board have</u> 7 <u>determined that this Agreement is consistent with the Howard County General Plan and the</u> 8 <u>Downtown Columbia Plan.</u>
  - 2.6. Affordable Housing. The Parties agree that, in consideration of the County's obligations contained in Section 8.1B, HRD agrees to provide affordable housing for HRD's development in Downtown Columbia in accordance with this Agreement. HRD's compliance with the terms of this Agreement shall fully satisfy and discharge any and all obligations of HRD, its affiliates, successors and assigns, to provide, construct, fund, facilitate or otherwise create affordable housing Downtown as a requirement in connection with the development by HRD, its affiliates, successors and assigns, of up to 5,500 Net New dwelling units Downtown during the term of this Agreement. Provided HRD is in compliance with the DRRA, the County will not unreasonably delay, condition, or withhold development approvals that are otherwise in accordance with applicable laws, rules and regulations based on the status of affordable housing construction Downtown.
    - 2.7. Public Health, Safety and Welfare. Howard County has determined that development of the Property in accordance with the Zoning Regulations and County Code and the terms and provisions of this Agreement will ensure that the public health, safety and welfare of the citizens of Howard County are protected.

Howard County agrees, in accordance with County Code, to ensure that the processing and review of development applications, including but not limited to, APFO Approvals, final development plans, subdivision plans, site development plans, issuance of building permits and occupancy permits, are performed in an efficient, timely manner, without undue delay, consistent with the County's current development review process, and that such processing and review will not be subjected to any delay or any moratorium except in accordance with the terms of this Agreement.
- 33 3.2. Timely Submission of Documents. HRD agrees to use all commercially reasonable efforts to submit and process plans and legal documents for the items set forth in Section 3.1 above in a timely and complete manner.

1	ARTICLE IV
2	IMPLEMENTATION OF THE DOWNTOWN COLUMBIA PLAN - AFFORDABLE
3	HOUSING IN DOWNTOWN COLUMBIA
4	4.1. Affordable Housing.
. 5	HRD agrees to facilitate 900 Affordable Units at or before Full Residential Build Out in
6	Downtown Columbia, in accordance with the following initiatives:
-	
7	A. 200 Very Low Income Units as described in Section 4.2. In conformity
8	with Section 4.2 of this Agreement, HRD shall ensure at least three percent (3%), but not more
9	than seven percent (7%), of all Net New rental units in each building containing rental units
10 11	(excluding the Metropolitan and the units to be constructed on Parcels C in the Warfield
12	Neighborhood) (collectively, "the Metropolitan and Parcel C") that is constructed or otherwise
12	provided on the Property as Very Low Income Units;
13	B. 200 Middle Income Units as described in Section 4.3. In conformity
14	with Section 4.3 of this Agreement, HRD shall ensure the inclusion of at least an additional three
15	percent (3%), and not more than seven percent (7%), of all Net New rental units in each building
16	containing rental units (excluding the Metropolitan and Parcel C) that is constructed or otherwise
17	provided on the Property as Middle Income Units;
1.0	
18	C. 417 Low Income Units as described in Section 4.4. In conformity with
19 20	Section 4.4 of this Agreement, HRD shall facilitate the development of five LIHTC
20	Developments in Downtown Columbia that are specifically designated to provide affordable
22	rental housing to tenants whose annual income does not exceed 60 percent of the AMI, which is
	approximately 50 percent of the HCAMI as more particularly set forth in Section 4.4 below.
23	D. 83 Affordable Units as part of a homeownership and a live-where-you-
24	work program as described in Section 4.5. In conformity with Section 4.5 of this Agreement
25	HRD shall provide to the CDHC \$7,775,000, subject to an annual adjustment based on the ENR
26	Building Cost Index for the Baltimore region, to support CDHC's program of services, especially
27	homeownership and a live-where-you-work program within the boundaries of Downtown
28	Columbia.
29	4.2. Very Low Income Units.
30	A. In accordance with Sections 4.2B and 4.2C, HRD shall ensure a minimum
31	of three percent (3%), but not more than seven percent (7%), of all Net New rental dwelling units
32	within each building containing rental units constructed or otherwise provided on the Property
33	(excluding the Metropolitan and Parcel C) to be Very Low Income Units in order to achieve 200
34	Very Low Income Units on the Property at or before Full Residential Build Out. HRD shall lease
35	such units in each building to the Commission for a period of at least forty (40) years in
36	accordance with the terms of a master lease, with unlimited renewal options, and upon
37	substantially the same terms, for each building to be entered into by and between HRD and the
38	Commission and containing the terms set forth below, and the Commission may then in turn lease
39	the units to individual households holding Housing Choice Vouchers or at an income level of un
40	to approximately 50% of the HCAMI. HRD shall lease the units to the Commission at a rate

1 equal to 95% of the Housing Choice Voucher Payment Standard ("VPS") for Columbia, MD 2 (100% minus a 5% allowance for vacancy), which VPS rates for 2016, for example, are \$1,123 for an efficiency, \$1,363 for a one bedroom, \$1,713 for a two bedroom, and \$2,195 for a three 3 4 bedroom. The 95% of VPS payment to HRD will be guaranteed by the Commission with non-5 voucher funds regardless of vacancy (unless caused by HRD) and will not be discounted by a 6 utility allowance. The lease rate shall be adjusted annually in accordance with adjustments in the 7 VPS for Columbia, MD, but in no event shall the lease rate be decreased by more than 3% 8 annually or by more than 10% cumulatively from the initial lease rate for each building for each 9 master lease period including each renewal period. Units developed as Very Low Income Units 10 may include smaller square footages than Market Rate Dwelling Units and other design elements 11 to reduce development cost and increase affordability, in accordance with the standards shown 12 on Exhibit "B". The rent commencement date under each master lease with respect to a building under this Section 4.2A shall be the date that a use and occupancy permit is issued for that 13 14 building. In the event the Commission elects not to renew the master lease for any building, the 15 Very Low Income Units within that building shall no longer be subject to this Agreement and 16 may be re-leased as Market Rate Dwelling Units, unless HRD and the Commission agree, in each 17 of their sole and absolute discretion, to renew or extend a new master lease for that building.

B. Within the first phase of development within the Crescent Area 3 development area, HRD shall designate 3% of the Net New rental units within each building containing rental units as Very Low Income Units.

  24 permit for the 1,698<sup>th</sup> Net New rental dwelling unit, at least three percent (3%) of all Net
  25 New rental units in each building containing rental units (excluding the Metropolitan and

  27 Units.
- 28 (ii) For development from the issuance of an occupancy permit for the
  29 1,699<sup>th</sup> Net New rental dwelling unit and all Net New rental dwelling units thereafter, at
  30 least five percent (5%) of all Net New rental units in each building containing rental units
  31 (excluding the Metropolitan and Parcel C) constructed or otherwise provided on the
  32 Property will be Very Low Income Units, subject to Section 4.2.D below.
  - D. In HRD's sole discretion, buildings in projects developed under 4.2.C(i) above may include more than 3% Very Low Income Units, and buildings in projects developed under 4.2.C(ii) above may include more than 5% Very Low Income Units, in which case the number of surplus Very Low Income Units may be deducted from the future 5% requirement in buildings in projects developed under 4.2.C(ii), so long as the number of Very Low Income Units in each building is always equal to or greater than the 3% requirement, and provided that any amount of Very Low Income Units in any one building in excess of 5% for buildings developed under 4.2.(C)(i) and any amount of Very Low Income Units in any one building in excess of 7% for buildings developed under 4.2.(C)(ii) shall not be credited against any future Very Low Income Unit requirements and the Commission shall not be obligated to master lease such units in

excess of the 5% or 7% threshold, as applicable. Credits for excess units shall be in whole units only. For example, if a 300 unit building developed under 4.2.C(i) contained 10 Very Low Income Units (one unit more than required), then a corresponding 300 unit building developed under 4.2.C(ii) could contain only 14 Very Low Income Units (one fewer than the 5% requirement), and if a 295 unit building developed under 4.2.(C)(i) contained ten Very Low Income Units, then one Very Low Income Units could be credited against the requirements for a future building and HRD would not receive any additional fraction of a credit. Finally, if a 300 unit project developed under 4.2.(C)(i) contained 16 Very Low Income Units then the number of excess units which could be applied against a 300 unit project developed under 4.2(C)(ii) would be limited to 6 Very Low Income Units.

In addition to the units provided in Section 4.2 and in accordance with Sections 4.3B and 4.3C, HRD shall record in the Land Records a Declaration in the form attached hereto as Exhibit "D" in order to designate a minimum of three percent (3%), but not more than seven percent (7%), of all Net New rental dwelling units in each building containing rental units constructed or otherwise provided on the Property (excluding the Metropolitan and Parcel C) to be Middle Income Units in order to achieve 200 Middle Income Units on the Property at or before Full Residential Build Out. Units developed as Middle Income Units may include smaller square footages than Market Rate Dwelling Units and other design elements to reduce development costs and increase affordability, in accordance with the standards shown on Exhibit "B". Such units shall be leased to households earning up to 80% of HCAMI, adjusted for family size. Income qualification shall be performed by HRD or its designated building manager, and an annual compliance certification for the purpose of verifying household income for each leased Middle Income Unit shall be requested in writing by the County or the Commission as its designee and must be provided in writing by HRD within thirty (30) days after the request is received. Households leasing a Middle Income Unit may remain in the unit so long as their income does not exceed 100% of HCAMI for more than one year, in which case the building manager may either raise the rent to a market level and lease an alternative unit to a qualifying household at the restricted rent level, or relocate the original household to another unit and re-lease the Middle Income Unit to a qualifying household. HRD will execute and record a binding covenant on each parcel of property on which a building containing rental units is to be constructed, enforceable by CDHC, the Commission and the County, to require that the income qualification program and restricted rent levels shall be maintained for the Restriction Period. At the end of the Restriction Period, the units may, in HRD's sole and absolute discretion, be released as Market Rate Dwelling Units.

  - 4.4. Projects to be Developed Using Low Income Housing Tax Credits ("LIHTC"). HRD shall facilitate the development of as provided herein, up to five LIHTC Developments in Downtown Columbia that are specifically designed to include not less than 417 Low Income Units, as follows:

#### A. Banneker Fire Station Site.

- (i) The County has determined to redevelop the Banneker Fire Station at its existing location at 5815 Banneker Road.
  - (ii) The Parties acknowledge that Howard County intends to convey the existing Banneker Fire Station Site to the Commission upon the Commission's completion of construction documents and financing for the Banneker Redevelopment (defined below) as part of a mixed use mixed-income residential project. HRD shall convey an adjacent parcel received from the Columbia Association in fee simple to the Commission at no cost. The Parties acknowledge that the Commission intends to construct a new fire station and residential development on the Banneker Fire Station Site at no cost to HRD (the "Banneker Redevelopment"). The Banneker Redevelopment is intended to include a

residential project containing up to 100 dwelling units designed for and restricted to occupancy by households having at least one member who is 62 years of age or older ("Senior Affordable Project"). Pursuant to Section 131.0.N.1 of the Howard County Zoning Regulations, children less than 18 years of age shall not reside in a dwelling unit for more than a total of 90 days per calendar year. At the time of conveyance of the Banneker Fire Station Site to the Commission, the County shall record a covenant on the Banneker Fire Station Site, running with the land, and enforceable by the Commission and CDHC, restricting the development of the Banneker Fire Station Site to the uses contemplated in this Section 4.4.A(ii) for the duration of the Restriction Period. Any residential development on the Banneker Fire Station Site shall not count against the 5,500 unit density cap established in the Downtown Columbia Plan, except to the extent that HRD or its affiliates are a partner in the development, in which case the number of units that will count against the 5,500 unit density cap will be equal to HRD's or its affiliates proportional share of the total number of market rate units included in the LIHTC Development. For example, if HRD is a partner having a 40% interest in a LIHTC Development that includes 100 total units, 50 of which are affordable and 50 of which are market rate, 20 of the 50 market rate units would count against the density cap and 30 of the market rate units would not count against the density cap. Upon conveyance of the adjacent parcel to the Commission, HRD shall be relieved of any and all further obligations under this Section 4.4.A.

#### B. Toby's Site.

Within sixty (60) days after receiving written notice from the Commission that it has reached a binding agreement with the owners of Toby's for the redevelopment of that facility, HRD shall transfer to the Commission in fee simple approximately 0.44 acres of land (the "Toby's Adjacent Parcel"), at no cost, for the redevelopment of the Toby's Site with future contemplated improvements consisting in concept of a new building for Toby's, a performing and visual arts facility, a parking structure and up to 200 dwelling units containing between 40 and 50 percent Low Income Units. The Parties acknowledge that the Commission intends to record a covenant on the Toby's Site, running with the land, and enforceable by the Commission and CDHC, restricting the development of the Toby's Site to the uses contemplated in this Section 4.4.B for the duration of the Restriction Period. Any residential development on the Toby's Site shall not count against the 5,500 unit density cap established in the Downtown Columbia Plan, except to the extent that HRD or its affiliates are a partner in the development, in which case the number of units that will count against the 5,500 unit density cap will be equal to HRD's or its affiliates proportional share of the total number of market rate units included in the LIHTC Development. Upon conveyance of the Toby's Adjacent Parcel to the Commission, HRD shall be relieved of any and all further obligations under this Section 4.4.B.

1	C. Existing Central Library Site & New Central Library Site.
2	i. The County shall pursue a land swap agreement with HRD whereby
3	for zero dollars HRD would convey in fee simple to the County the New Central Library
4	Site shown on Exhibit "C" or a similar site that accommodates a similar development plan
5	in Crescent Area 3 as mutually agreed by the Parties, and the County intends to convey the
6	Existing Central Library Site to HRD ("The Library Land Swap Election").
U	Existing Central Library Site to TIRD (The Library Land Swap Election ).
7	ii. The Parties acknowledge that Howard County intends to convey the
8	New Central Library Site and HRD shall convey the Existing Central Library Site to the
9	Commission. The Commission would then construct a New Central Library as part of a
10	mixed use mixed-income residential project on the New Central Library Site. The
11	residential project ("New Library Residential Project") shall contain up to 120 dwelling
12	units containing between 40 and 50 percent Low Income Units. The Commission would
13	also construct the Existing Central Library Site as a mixed-income residential project
14	containing between 40 and 50 percent Low Income Units.
• •	containing out to diffe to percent flow income onto.
15	iii. At the time of conveyances of the Existing Central Library Site and
16	New Central Library Site, the County and HRD shall record covenants on the Existing
17	Central Library Site and the New Central Library Site, respectively, running with the land,
18	and enforceable by the Commission and CDHC, restricting the development of the
19	Existing Central Library Site and the New Central Library Site to the uses contemplated in
20	this Section 4.4.C(ii) for the duration of the Restriction Period. Any residentia
21	development on the Existing Central Library Site and the New Central Library Site shall
22	not count against the 5,500 unit density cap established in the Downtown Columbia Plan.

29	and 30 of the market rate units would not count against the density cap.
30	iv. Upon conveyance of the Existing Central Library Site to the
31	Commission and the New Central Library Site to the County, HRD shall be relieved of
32	any and all further obligations under this Section 4.4.C.
33	v. Notwithstanding anything to the contrary above, the County shall
34	not exercise the Library Land Swap Election unless the Howard County Council has adopted a
35	resolution approving the land swap and the terms of this Section 4.4C.
26	D. Estava Dominatorina Transacit Constan Cita
36	D. Future Downtown Transit Center Site.
37	The Downtown Columbia Plan envisions a new transit center as part of the
38	redevelopment of Downtown Columbia. The December 2011 Nelson Nygaard transit study
39	("Study") provided to the County by HRD in satisfaction of CEPPA 5 recommended locating the

new transit center in the Symphony Overlook Neighborhood, generally between the Mall and the

Corporate Center buildings. In accordance with CEPPA 14, HRD, in cooperation with the Howard County Office of Transportation, will identify a site (the "Transit Center Site") prior to approval of the first SDP in the Symphony Overlook Neighborhood and will provide the Transit Center Site to the County by fee simple transfer at no cost for the County's construction of a new transit center. The Parties acknowledge that Howard County intends to convey the Future Downtown Transit Center Site to the Commission. The Commission would then construct a Future Downtown Transit Center as a mixed use mixed-income residential project containing between 40 and 50 percent Low Income Units. Conveyance of the Transit Center Site to the Commission, as contemplated herein, is subject to County laws and procedures for the disposition of County property. At the time of conveyance of the Future Downtown Transit Center Site to the Commission, the County shall record a covenant on the Future Downtown Transit Center Site, running with the land, and enforceable by the Commission and CDHC, restricting the development of the Future Downtown Transit Center Site to the uses contemplated in this Section 4.4.D for the duration of the Restriction Period. Any residential development on the Future Downtown Transit Center Site shall not count against the 5,500 unit density cap established in the Downtown Columbia Plan, except to the extent that HRD or its affiliates are a partner in the development, in which case the number of units that will count against the 5,500 unit density cap will be equal to HRD's or its affiliates proportional share of the total number of market rate units included in the LIHTC Development. Upon conveyance of the Future Downtown Transit Center Site to the County, HRD shall be relieved of any and all further obligations under this Section 4.4.D.

#### E. Relocation of LIHTC Sites.

Notwithstanding anything to the contrary in this Agreement, HRD may propose a comparable substitute location for the applicable LIHTC Development, subject to the approval of the County, the Commission and CDHC (the "Covenant Parties"). Upon receipt of any such proposal from HRD, the Covenant Parties agree to work diligently and in good faith with HRD to consider such comparable substitute location for the applicable LIHTC Development. If all of the Covenant Parties approve the alternative location proposed by HRD then the relocated LIHTC Development shall be developed on the approved alternative site, and the Covenant Parties shall release any affordable housing covenants from the original site upon the placement of comparable covenants on the approved alternative site. HRD shall then be free to develop the applicable original site previously identified for such LIHTC Development free of all limitations contained in the original covenants (but subject to applicable law and this DRRA). If the Covenant Parties do not approve an alternative site proposed by HRD for a LIHTC Development, then the applicable LIHTC Development shall be developed on the original site in conformance with the applicable recorded covenants.

#### F. LIHTC Unit Counts.

The Parties acknowledge that unit counts for the LIHTC Developments listed in this Agreement are based on approximate site areas and an assumed density similar to the

1 Metropolitan project recently completed Downtown of approximately 100 units per acre. All 2 LIHTC Development sites will require development approvals from the County. To the extent 3 that the Commission acts as the developer of any of the LIHTC Development sites, it shall use 4 commercially reasonable efforts to design to and obtain approval for the unit counts contained 5 herein and the densities feasible for the sites. The limits on income and identity of the units 6 subject to restriction shall be specified in recorded declarations filed by the County or the 7 Commission which restrictions shall continue for the duration of the Restriction Period. In the 8 event that one of the LIHTC Development sites is developed with less than the number of Low 9 Income Units anticipated in this Agreement, the difference between the expected number of Low 10 Income Units and the actual number of Low Income Units on the site shall constitute a "Low 11 Income Unit Shortfall". HRD, in consultation with the Commission and CDHC, shall make up 12 any Low Income Unit Shortfall by providing for additional Low Income Units through any 13 combination of (i) additional units above the New Central Library Site, (ii) additional units above 14 the Future Transit Center Site, or (iii) elsewhere in Downtown Columbia at a location mutually 15 agreed upon by the Parties, the Commission and CDHC. Additional units provided to make up a 16 Low Income Unit Shortfall shall provide for both Low Income Units and Market Rate Dwelling 17 Units so that each mixed-income project described in this Section 4.4 contains between 40 and 50 18 percent Low Income Units.

- G. Gap Financing. HRD shall provide to the CDHC \$3,200,000 upon issuance of a building permit for the 818<sup>th</sup> Net New dwelling unit to provide funding for the development of the LIHTC Developments described in this Section 4.4. needed to make the development financially feasible following commercially reasonable efforts to secure all traditional sources of financing ("Gap Financing").
- H. Environmental. The documentation for, or contract of, the transfer of a
  LIHTC Development site or any portion thereof under this Agreement shall provide for the
  customary period for evaluating and for addressing the existing environmental conditions on the
  site prior to the closing on the site so that the site can be made suitable for residential
  development in accordance with such document's or contract's terms.
- I. Restrictive Covenants. To the extent that HRD is the beneficiary of any restrictive covenants on any LIHTC Development sites described in this Section 4.4, HRD shall terminate such covenants as necessary to permit LIHTC Developments.
  - 4.5 Homeownership and Live-Where-You-Work Programs.
- HRD shall provide to the CDHC an amount intended to provide at least \$7,775,000 to support a homeownership and a Live-Where-You-Work (LWYW) program within the boundaries of Downtown Columbia or other areas to the extent permitted by law.
- A. HRD shall pay a fee of \$1,734 per unit for the 1,583<sup>rd</sup> Net New rental dwelling unit and all subsequent Net New rental dwelling units, excluding the Very Low Income Units and Middle Income Units set forth in Sections 4.2 and 4.3, through and including the 5,178<sup>th</sup> Net New rental dwelling unit.

1	B. HRD shall pay a fee of \$6,963 per unit for all Net New for sale dwelling
2	units up to and including the 322 <sup>nd</sup> Net New for sale dwelling unit. All Net New for sale dwelling
. 3	units developed after the 322 <sup>nd</sup> shall comply with the For Sale Offset Unit requirement described
4	in Section 4.6 below and shall also pay the fee for Net New rental dwelling units of \$1,734 per
5	unit described in Section 4.5.A above.
. 6	C. In the event, that more than 5,178 Net New rental dwelling units are built
7	each unit above 5,178 will pay the fee associated with the Net New for sale units.
8	D. The amounts to be paid under Section 4.5 shall be subject to an annual
9	adjustment based on the ENR Building Cost Index for the Baltimore region in effect when the
10	Agreement becomes effective and shall be contingent on the expiration of all applicable appeal
11	periods associated with each building permit without an appeal being filed, or if an appeal is filed,
12	upon the issuance of a final decision upholding the issuance of the permit.
13	E. HRD shall work with CDHC and Howard County employers participating
14	in the live-where-you-work program to accept some form of guaranty from the aforementioned
15	parties in place of the security deposit and any other initial leasing costs in excess of first month's
16	rent, whenever HRD is a 50% or more owner in a rental dwelling unit building (excluding the
17	Metropolitan and Parcel C).
18	4.6 For Sale Units.
19	The realization of the 400 inclusionary units (i.e., the 200 Very Low Income Units
20	described in Section 4.2 and 200 Middle Income Units described in Section 4.3) assumes that of
21	the 5,500 Net New dwelling units, 322 of these units will be for-sale Market Rate Dwelling Units.
22	As more particularly set forth below, to the extent that HRD develops more than 322 for-sale
23	Market Rate Dwelling Units, HRD shall provide additional Very Low Income Units and Middle
24	Income Units in its new buildings containing Net New rental dwelling units (the "For Sale Offset
25	Units"), as follows:
<u>26</u> 27	
	A. The number of For Sale Offset Units required shall be calculated as
28	<u>follows:</u>
<u>29</u>	
30	(i) For each for-sale unit developed in excess of the 322 <sup>nd</sup> for-sale Net
31	New Market Rate Unit at or before reaching the 1,698th unit threshold described in Section
32	4.2.C(i) and 4.3.C(i) above, 0.03 Very Low Income Units and 0.03 Middle Income Units
33	shall be required.
34	(ii) For each for-sale unit developed in excess of the 322 <sup>nd</sup> for-sale Net
35	New Market Rate Unit after reaching the 1,698th unit threshold described in Section
36	4.2.C(i) and 4.3.C(i) above, 0.05 Very Low Income Units and 0.05 Middle Income Units
37	shall be required.
38	B. To the extent that HRD has developed surplus Very Low Income Units or
39	Middle Income Units and has such credits available as described in Sections 4.2.D and 4.3.D,
40	these units may be used to satisfy the requirements for For Sale Offset Units. To the extent that

such surplus Very Low Income Units or Middle Income Units are not available, HRD shall include additional Very Low Income Units or Middle Income Units in its next building containing rental Market Rate Dwelling Units to satisfy the requirements for For Sale Offset Units, up to the maximum percentage threshold of 5% and 7%, as applicable, as described in Sections 4.2.D and 4.3.D, and shall continue to include the maximum percentages of Very Low Income Units or Middle Income Units, as applicable, in each subsequent building containing Net New rental dwelling units until the For Sale Offset Unit requirement is satisfied.

C. For example, should HRD propose a 100 unit for-sale Net New rental dwelling unit project, after 322 for sale Net New Market Rate Units have already been developed, and after the 1,698<sup>th</sup> unit threshold described in Section 4.2.C(i) and 4.3.C(i) has been passed, then HRD would be required to provide five (5) additional Very Low Income Units and five (5) additional Middle Income Units. If HRD had not previously developed surplus Very Low Income Units or Middle Income Units as described in Sections 4.2.D and 4.3.D and/or did not have those credits available, then HRD would be required to include the additional For Sale Offset Units in its next building containing Net New rental dwelling units. If HRD's next building containing Net New rental dwelling units in the building to meet both the baseline inclusionary requirement plus the For Sale Offset Unit requirement. Fractional For Sale Offset Unit count requirements shall be rounded up.

12	exclusive jurisdiction of the Circuit Court of Maryland for Howard County.			
13	Each party knowingly, voluntarily and intentionally waives its right to a trial by jury to the			
14	fullest extent permitted by law in all actions and other legal proceedings arising out of or relating			
15	to this agreement and the transactions contemplated hereby. This waiver applies to all actions and			
16	other legal proceedings, whether sounding in contract, tort or otherwise.

28	Howard County by HRD indicating the nature of the default and if Howard County has not			
29	commenced action to cure the default and diligently pursued the same, HRD may seek equitable			
30	relief to enforce the terms and conditions of this Agreement either through a decree for specific			
31	performance or an injunction. Should the remedies of specific performance or injunction not be			
32	available to HRD because of actions of Howard County, then HRD shall be entitled to bring a			
33	legal action for damages. Notwithstanding the foregoing, this term is not intended to waive any			
34	applicable immunities.			
35	ARTICLE VIII			
36	EFFECT OF DEVELOPMENT REGULATIONS			
37	8.1 Effect			
38	A. HRD must comply with all federal, Maryland and local laws existing on the			
39	Effective Date of this Agreement.			

B. (i) Except as provided in Section 8.1.C herein, the laws, rules, regulations and policies which govern the Development, use, density and intensity of the Property shall be Howard County Law in force on the Effective Date of this Agreement, excluding APFO and any State or Federally mandated requirements and any Howard County Law relating to the safety of the public including, without limitation, the codes enumerated in Section 3.100(b)(1)-(9) of the Howard County Code, as the same may be updated amended or re-codified, and such other substantially similar codes as may be adopted.

- (ii) With respect to any Development Rights Property against which this Agreement is recorded pursuant to Section 9.12 below, the laws, rules, regulations and policies which govern the use, development, density or intensity of such property shall be Howard County Law in force on the date that this Agreement is recorded in the Land Records against such property, except that the affordable housing obligations, if any, for the development of such property shall be established by this Agreement.
- C. If Howard County determines that compliance with a law(s) enacted or adopted after the Effective Date of this Agreement is essential to ensure the health, safety or welfare of residents of all or part of Howard County, this Agreement may not prevent Howard County from requiring HRD to comply with those laws, rules, regulations and policies. In such event, HRD shall have the right, at its sole election, to terminate this Agreement, in which event HRD and the County shall be relieved of all remaining obligations under this Agreement. HRD may only terminate or suspend the Agreement following a public hearing, to be held within 45 days following receipt by the County of written notice by HRD of its intent to terminate, and provided that any testimony received at such public hearing shall not affect HRD's ability in its sole discretion to terminate the Agreement.
- 8.2 Approvals Required. HRD shall obtain all approvals necessary under any provision of Maryland or federal law before proceeding with development of the Property. This Agreement does not address any approvals required by Maryland or federal law, and HRD shall be responsible for obtaining any approvals required by local, Maryland, or federal law.
- 8.3 Fees. HRD shall pay all fees (specifically including but not limited to excise taxes, surcharges and water and sewer connection fees) required by the County at the time of the Effective Date of this Agreement at the rate in effect at the time the fee is due. Nothing in this Agreement shall be construed as a waiver or reduction of any such fee except as provided herein.
- 8.4 Growth Control Delay. In the event that a "Growth Control Delay" (as hereinafter defined) is imposed, then any deadline concerning (i) HRD's obligation to construct, install, fund or post financial guarantees for the infrastructure improvements required pursuant to any development approval for the development of all or a portion of the Property in accordance with the phasing requirements set forth therein shall be extended for one (1) additional day for each day during which such Growth Control Delay exists, and the development shall not be subjected to any additional regulation, legislation, limitation, phasing, contributions, penalties or delay in construction, or issuance of zoning certificates/building permits solely as a result of the Growth Control Delay. Any deadlines placed on the County under this Agreement shall likewise be extended reciprocally in the event that a Growth Control Delay is imposed. The term "Growth Control Delay" shall mean any and all delays caused during APFO Approval and/or the

implementation or declaration by the United States Government, State of Maryland, Howard 1 2 County, and/or any agency, department, division and/or branch thereof for purposes of a 3 limitation, prohibition, restriction and/or phasing upon the review, recording, development and 4 construction as intended by HRD, which is deemed to be essential to ensure the public health, 5 safety, and welfare of County residents as determined in accordance with Section 8.1.C above. 6 **ARTICLE IX** 7 **MISCELLANEOUS** 8 Time of Essence. Time is of the essence in the performance of all terms and 9 provisions of this Agreement. 10 9.2 Term. 11 This Agreement shall constitute covenants running with the land and shall 12 run with and bind the Property. This Agreement shall terminate and be of no further force or effect thirty (30) years after the Effective Date, unless extended by an amendment to this 13 Agreement complying with all procedures required in this Agreement, the County Ordinance and 14 15 Maryland Law, unless extended pursuant to Section 9.5 below, unless terminated pursuant to Section 8.1 above or unless terminated by agreement of the Parties or as permitted by law; 16 17 provided that any recorded covenants or master leases provided for in this Agreement and entered 18 into during the term of this Agreement which, by their terms, extend beyond thirty (30) years after the Effective Date shall continue in accordance with their terms for the full term under any such 19 20 recorded covenant or master lease. 21 Nothing in this Agreement shall be construed to supersede the term(s) as 22 set forth in any other agreement(s) between any of the Parties, except with respect to the 23 obligation of HRD to provide or provide assistance for the provision of affordable housing units 24 within Downtown Columbia. 25 Notices. All notices and other communications in connection with this Agreement shall be in writing and shall be deemed delivered to the addressee thereof (1) when delivered in 26 person on a business day at the address set forth below; (2) on the third business day after being 27 deposited in any main or branch United States post office for delivery by properly addressed, 28 29 postage prepaid, certified or registered mail, return receipt requested, at the address set forth 30 below; or (3) upon delivery by any commercial express or next day delivery service, properly addressed and all charges prepaid, at the address set forth below. 31 32 Notices and communications to HRD shall be addressed and delivered to the following 33 address: 34 Galleria Tower One, 22nd Floor 35 13355 Noel Road 36 Dallas, Texas 75240 37 Attention: General Counsel 38 Telephone: (214) 741-7744 39 peter.riley@howardhughes.com

27	amendment of a Development Rights and Responsibilities Agreement. All amendments to this
28	Agreement shall be in writing and shall be executed by each of the Parties hereto.

30	suspend the Agreement by mutual consent in accordance with the applicable procedures of State
31	and County law concerning termination or suspension of a Development Rights and
32	Responsibilities Agreement. If Howard County determines that a suspension or termination is

38	approvals and site development plan approvals). Furthermore, if this Agreement is suspended

1 <u>under this Section 9.5, then the term of this Agreement as set forth in Section 9.2 above shall be</u> 2 <u>extended by the same number of days that this Agreement is suspended.</u>

#### 9.6 Authority to Execute.

- A. The Parties hereby acknowledge and agree that all required notices, meetings, and hearings have been properly given and held by Howard County with respect to the approval of this Agreement and agree not to challenge this Agreement or any of the obligations created by it on the grounds of any procedural infirmity or any denial of any procedural right. Each of the Parties hereby warrants and represents to the other Parties that the persons executing this Agreement on its behalf have been properly authorized to do so. Each of the Parties agrees not to challenge this Agreement of any of the obligations created by it on grounds that any of the other Parties lacked authority to enter into all or a portion of this Agreement.
- B. HRD hereby warrants and represents to the County that (i) it or its affiliates is the fee simple, record owners of the Property; (ii) that it has the right, power and authority to enter into this Agreement and to agree to the terms, provisions, and conditions set forth herein and to bind the Property as set forth herein, (iii) that all legal actions needed to authorize the execution, delivery and performance of this Agreement have been taken, and (iv) that it has been duly represented by attorneys.
  - 9.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Maryland.
  - 9.8 Consent to Jurisdiction. The Parties irrevocably consent to the jurisdiction of the Circuit Court for Howard County, Maryland.
  - 9.9 Remedies Cumulative. Each right, power and remedy of a Party provided for in this Agreement, or any other agreement between the Parties, now or hereafter existing, shall be cumulative and concurrent and in addition to every other right, power or remedy provided for in this Agreement or any other agreement between the Parties, now or hereafter existing.
  - 9.10 Severability. In case any one or more of the provisions contained in this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of the Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained in this Agreement. If this Agreement is determined to be invalid in its entirety by a court of competent jurisdiction, and all appeals for such determination have been exhausted or the time for filing any such appeals has expired, then HRD shall have the right to unilaterally record a termination of this Agreement in the Land Records.
  - 9.11 Interpretation. All headings are inserted in this Agreement only for convenience and ease of reference and are not to be considered in the construction or interpretation of this Agreement. Unless the context clearly requires otherwise: (a) words such as "include", "including", or "such as" shall be interpreted as if followed by the words "without limitation"; and (b) any reference to an Article, Section, or other subdivision, or Exhibit, is intended to refer to an Article, Section, or other subdivision, or Exhibit, of this Agreement. In the event of any

inconsistency between the text of this Agreement and any Exhibit attached hereto, the text shall govern.

1 2

9.12 Recordation. HRD shall record this Agreement in the Land Records against the Property identified and shown cross-hatched and colored yellow on Exhibit A attached hereto within 20 days after the day on which the Parties execute this Agreement. In addition, at any time during the term of this Agreement, HRD shall have the right to record this Agreement against (a) other property in Downtown Columbia that is shown on Exhibit A hereto and which HRD or its affiliates have under contract or have residential development rights to as of the Effective Date of this Agreement (such property being shown with diagonal hatching and colored blue on Exhibit A hereto) (the "Development Rights Property"). Upon recordation of this Agreement against such additional property, the additional property shall be deemed a part of the Property and shall be subject to the terms of this Agreement, and HRD shall provide the County with a copy of the recorded Agreement promptly after such recordation. Notwithstanding the preceding sentence, the Development Rights Property shall be subject to the County Law in effect at the time of recordation and not the County Law in effect on the Effective Date of this Agreement, except that the affordable housing obligations, if any, for the development of such property shall be established by this Agreement. Notwithstanding anything to the contrary in this Section, if HRD records this Agreement against any real property on Exhibit A in which HRD or its affiliates hold merely an equitable interest at the time of such recordation but fails to acquire fee ownership thereof within three (3) years after such recordation, then such property shall be deemed automatically released from this Agreement on the expiration of such three (3)-year period.

HRD may acquire other property in Downtown Columbia that is not identified on Exhibit A hereto as either the Property or the Development Rights Property, but which is combined for development with property that is identified on Exhibit A hereto as either the Property or the Development Rights Property ("Adjoined Property"). In the case of a site which is comprised (i) partially of Adjoined Property and (ii) partially of property identified on Exhibit A (whether such property is currently owned by HRD or is a Development Rights Property), as shown on a Site Development Plan approved by the Planning Board (a "Combined Site"), the requirement to develop affordable Net New rental units shall be as follows:

- (i) a percentage of the Net New rental units on the Combined Site, which percentage shall be derived by dividing the acreage of the property identified on Exhibit A (whether such property is currently owned by HRD or is a Development Rights Property) within the Combined Site by the total acreage of the Combined Site, shall be subject to the requirements applicable for Very Low Income Units and Middle Income Units; and
- (ii) a percentage of the Net New rental units on the Combined Site, which percentage shall be derived by dividing the acreage of the Adjoined Property within the Combined Site by the total acreage of the Combined Site, shall be subject to the MIHU requirements under the Howard County Zoning Regulations for Downtown Columbia. For example, if Adjoined Property consisting of 1 acre were combined with property identified on Exhibit A consisting of 2 acres, and 300 Net New rental units were constructed, then (i) 100 of the Net New rental units would be subject to the MIHU requirements applicable to a new 100 unit rental project constructed in Downtown

- Columbia, without regard to the provisions of the Agreement and (ii) 200 of the Net New rental units would be subject to the provisions of Section 4.2 and 4.3 of this Agreement.
  - 9.13 Appeals. Both Maryland law and the Howard County Law may allow any person aggrieved by this Agreement to file an appeal. If the effect of the decision in such Appeal revises this Agreement in any way, any Party to this Agreement may terminate the Agreement by providing notice to all Parties within thirty (30) days of the date that the decision in the appeal becomes final and all appeals thereof have been finally determined.
- 9 9.14 No Obligation to Approve. This Agreement shall not be interpreted or construed to impose any legal obligation on Howard County or any of its boards, agencies, commissions or employees to approve any development, use, density or intensity other than as provided specifically in this Agreement.
- 9.15 No Third Party Beneficiary Status. The Parties specifically agree that this
  Agreement is not intended to create in the public or any member thereof, nor in the Commission,
  CDHC or any other person or entity, third party beneficiary status in connection with the
  performance of the obligations under this Agreement. To the extent that any provision of this
  Agreement is for the benefit of CDHC or the Commission, such provision shall be deemed to be a
  benefit to Howard County and enforceable by Howard County.
  - 9.16 Lien holders. All persons with a lien interest in the Property have executed this Agreement, and those lien holders with a power of sale have subordinated such liens to the position of Howard County under this Agreement.
  - 9.17 Represented by Counsel. Each party acknowledges that such party and its counsel, after negotiation and consultation, have reviewed and revised this Agreement. As such, the terms of this Agreement shall be fairly construed and the usual rule of construction, to wit, that ambiguities in this Agreement should be resolved against the drafting party, shall not be employed in the interpretation of this Agreement or any amendments, modifications or exhibits hereto or thereto.
- 27 Further Assurances. Within 15 days after a party's request, the other party shall 28 execute such further assurances of this Agreement as may be necessary or desirable to effectuate the intent and purposes of this Agreement. Without limiting the generality of the preceding 29 sentence, in each instance under Section 4.4 in which HRD has proposed, and the County has 30 31 approved, a substitute site for a LIHTC Development, the County shall execute and deliver to HRD, within ten (10) days after HRD's request, a recordable release of the previously designated 32 site from the obligations of this Agreement, the form of which shall be reasonably acceptable to 33 34 HRD.

### **Downtown Columbia Affordable Housing Guidelines**

The guidelines below apply to the Middle Income (80% AMI) and Very Low Income (30% AMI) units (jointly termed "Affordable Units") in all HRD market rate buildings to be developed in Downtown Columbia, unless otherwise stated.

### 1. Location

The location of affordable units in each building shall not be congregated into one area of the building, and shall be dispersed to the extent possible taking into consideration design constraints. Affordable Units may be stacked vertically.

### 2. Unit Mix

The unit mix of the Affordable Units in each building shall be similar to the overall unit mix of the building within 30% of the unit mix percentage for each unit type. The table below provides two examples of permissible unit quantities in a 300-unit building which provides 6% Affordable Units (3% Middle Income and 3% Very Low Income Units):

HRD and the County shall cooperate with one another in their development activities on the Transit Center Site so that neither party unreasonably interferes with the other party's development thereof. HRD's provision of a site for a new transit center as described herein will be deemed to have irrevocably satisfied CEPPA 14. Upon such conveyance, HRD shall be relieved of any further obligations under this Section 4.4D.

### E. Relocation of LIHTC Sites.

Notwithstanding anything to the contrary in this Agreement, HRD, after the imposition of the covenants on either the Transit Center Site or the Temporary Fire Station Site, as provided for herein, may propose a comparable substitute location for the applicable LIHTC Project, subject to the approval of the County, the Commission and CDHC (the "Covenant Parties"). Upon receipt of any such proposal from HRD, the Covenant Parties agree to work diligently and in good faith with HRD to consider such comparable substitute location for the applicable LIHTC Project. If all of the Covenant Parties approve the alternative location proposed by HRD then the relocated LIHTC project shall be developed on the approved alternative site, and the Covenant Parties shall release the covenants from the original site upon the placement of comparable covenants on the approved alternative site. HRD shall then be free to develop the applicable original site previously identified for such LIHTC Project free of all limitations contained in the original covenants (but subject to applicable law and this DRRA). If the Covenant Parties do not approve an alternative site proposed by HRD for a LIHTC Project, then the applicable LIHTC Project shall be developed on the original site in conformance with the applicable recorded covenants.

LIHTC Unit Counts, Declaration of Covenants. The parties acknowledge that unit counts for the LIHTC Projects listed in this Agreement are based on approximate site areas and an assumed density similar to the Metropolitan project recently completed Downtown of approximately 100 units per acre. All LIHTC Project sites will require development approvals from the County. To the extent that any of HRD or its Affiliates acts as the developer of any of the LIHTC Project sites, it shall use commercially reasonable efforts to design to and obtain approval for the unit counts contained herein and the densities feasible for the sites. In the event that either of the Temporary Fire Station or Existing Library sites are not conveyed directly to the Commission, then the number of Low Income Units to be provided and/or facilitated by HRD and the percentage of Low Income Units on each LIHTC Project site developed shall be the number and percentage ultimately approved by the Planning Board on the LIHTC Project sites identified herein but not to exceed the number and percentage specified herein. The limits on income and identity of the units subject to restriction shall be specified in recorded declarations filed by the County or HRD which restrictions shall continue for the duration of the Restriction Period. At the end of the Restriction Period, the units may be released as Market Rate Units.

G. Purchase Right. To the extent that any of HRD or its Affiliates acts as the developer of any of the LIHTC Project sites, it shall agree to grant to the Commission a right to purchase the LIHTC Project at fair market value at the end of the initial 15 year tax credit period applicable to the LIHTC Project and again at the end of the Restriction Period applicable to the LIHTC Project (the "Purchase Option"). If the Commission desires to exercise the Purchase Option, the Commission shall give notice to HRD of its election during the 120-day period

immediately prior to the expiration of the applicable 15-year tax credit period (the "First Exercise Window") or during the 120-day period immediately prior to the expiration of the applicable Restriction Period (the "Second Exercise Window"), as applicable. If the Commission fails to exercise the Purchase Option during the First Exercise Window, then the Purchase Option shall not be exercisable until the Second Exercise Window. If the Commission fails to exercise the Purchase Option during the Second Exercise Window, then the Purchase Option shall forever terminate. Furthermore, if the Commission does timely exercise the Purchase Option (during either the First Exercise Window or the Second Exercise Window) but fails to close in accordance with its contract with HRD, then the Commission's Purchase Option shall forever terminate. In either case, the fair market value shall be determined by an independent 3<sup>rd</sup> party appraiser.

H. Gap Financing. HRD shall establish a fund in an amount not to exceed \$3,200,000 (the "HRD Fund") for the following purposes:

- (i) to loan up to \$2,800,000 to the Commission to develop affordable housing in or near Downtown Columbia, with a simple interest rate not to exceed 2%, which interest and principal payments shall be deferred and are required only to the extent that there is available cash flow after payment of all operating expenses, capital reserves, deferred developer fee and senior debt service, until maturity or the property is sold or refinanced, at which point all remaining unpaid principal and accrued interest shall be repaid, unless extending the loan or a portion thereof is necessary to ensure the economic viability of the project on which the loan is placed, and
- (ii)—to provide "gap financing" for the LIHTC projects described in this Section 4.4, subject to the terms and conditions set forth in this Section 4.4H below. To the extent that, following commercially reasonable efforts by the Commission to secure all traditional sources of financing for LIHTC projects, the funding available for the development of any of the LIHTC projects remains less than the amount needed to make the project financially feasible, then HRD shall provide a loan to the project so as to finance the "gap," subject to the following:
  - a. To the extent it has funds available from the Fund, the CDHC shall commit to provide a loan of up to \$10,000 for each Affordable Unit in the project, which loan shall be provided by CDHC on a pari passu basis with HRD's gap financing as described in Section 4.4H(ii)(b) below; and
  - b. HRD's loan shall not exceed \$6,400 for each Affordable Unit in the project and shall be provided on a pari passu basis with CDHC's loan, as described in Section 4.4H(ii)(a) above (i.e., for every \$1.00 in a gap financing loan that CDHC provides to the LIHTC project, HRD will provide \$0.64 in a gap financing loan to that LIHTC project (not to exceed \$6,400 per Affordable Unit from HRD); and
  - c. HRD's and CDHC's financing shall be made simultaneously, in pari passu as to each project, based on their respective percentage of contribution set forth in (a) and (b) above, with identical terms as to

interest and repayment, the repayment of principal and/or interest of which shall be deferred as necessary in order to make the project financially feasible and to pay any deferred developer fee, and which shall provide for no less than a 30 year, and up to a 40-year maturity, and the return of capital plus a modest return not to exceed 2% per annum, payable at the time of sale or refinance of the project, unless extending the loan or a portion thereof is necessary to ensure the economic viability of the project on which the loan is placed. Notwithstanding that the HRD and CDHC loan terms are to be identical, CDHC may in its discretion elect to waive all or a portion of CDHC's repayment terms (but HRD shall not be required to waive any repayment terms of HRD's loan).

d. HRD's financing under this Section 4.4H(ii) shall be made available only to the extent that the HRD Fund is not utilized for the affordable housing provided under Section 4.4H(i) above.

(iii) HRD's aggregate financial responsibility under this paragraph H

shall not exceed \$3,200,000.

(iv) HRD may, at its sole option and at any time during the term of this Agreement, deliver the remaining balance of the HRD Fund to CDHC for its use in supporting the goals of the Downtown Columbia Plan of providing affordable housing opportunities for households of eligible income. Furthermore, in the event that HRD makes the loan to the Commission described in Section 4.4H(i) above, within 30 days after the closing on such loan, HRD shall deliver the remaining balance of the HRD Fund to CDHC for its use in supporting the Downtown Columbia Plan affordable housing to CDHC for its use in supporting the Downtown Columbia Plan affordable housing

I. Environmental. The documentation for, or contract of, the transfer of a LIHTC Project site or any portion thereof under this Agreement shall provide for the customary period for evaluating and for addressing the existing environmental conditions on the site prior to the closing on the site so that the site can be made suitable for residential development in accordance with such document's or contract's terms.

Within 15 days after a party's request, the other party shall execute such further assurances of this Agreement as may be necessary or desirable to effectuate the intent and purposes of this Agreement. ### Exhibit "B" Downtown Columbia Affordable Housing Guidelines

The guidelines below apply to the Middle Income (80% AMI) and Very Low Income (30% AMI) units (jointly termed "Affordable Units") in all HRD market rate buildings to be developed in Downtown Columbia, unless otherwise stated.

### 1. Location

The location of affordable units in each building shall not be congregated into one area of the building, and shall be dispersed to the extent possible taking into consideration design constraints. Affordable Units may be stacked vertically.

### 2. Unit Mix

The unit mix of the Affordable Units in each building shall be similar to the overall unit mix of the building within 30% of the unit mix percentage for each unit type. The table below provides two examples of permissible unit quantities in a 300-unit building which provides 6% Affordable Units (3% Middle Income and 3% Very Low Income Units):

850 square feet

If market rate units for a particular unit type in a project are smaller than the minimums listed above (i.e. a market rate micro-unit of 300 square feet), then the affordable units of that type may be the same square footage as the market rate.

In addition to the minimum square footages listed above, the minimum gross floor area for Affordable Units shall be no less than 80% of the minimum gross floor area for each market rate unit type in each particular project. The table below provides two examples of minimum permissible unit sizes within individual sample projects:

DEVELOPMENT RIGHTS AND RESPONSIBILITIES AGREEMENT 1 2 (Affordable Housing) THIS DEVELOPMENT RIGHTS AND RESPONSIBILITIES AGREEMENT (this 3 \_\_\_\_, 2016, by and between HOWARD 4 "Agreement"), made as of the day of RESEARCH AND DEVELOPMENT CORPORATION, its successors and assigns ("HRD") and 5 6 HOWARD COUNTY, MARYLAND, a body corporate and politic of the State of Maryland ("Howard County" or "County"); HRD and Howard County are hereinafter each referred to as a 7 "Party" and collectively as the "Parties". 8 9 RECITALS On February 1, 2010, the Howard County Council approved the Downtown 10 11 Columbia Plan, a General Plan Amendment (the "Downtown Columbia Plan"). The Downtown Columbia Plan envisions the evolution of Downtown Columbia as Howard County's urban center 12 13 with new development of 5,500 dwellings, 640 hotel rooms, 4.3 Million square feet of office and 1.25 Million square feet of retail uses. The Downtown Columbia Plan further envisions a full 14 15 spectrum housing program for Downtown Columbia to be achieved through the creation of a Downtown Columbia Community Housing Foundation which would administer a housing fund to 16 be created from contributions from the Downtown Columbia Community Developer (i.e., HRD), 17 18 developer and property owner contributions, and other sources. 19 2. As part of the Downtown Columbia Plan, HRD and other property owners and developers in Downtown Columbia were required to provide various Community Enhancements, 20 Programs and Public Amenities ("CEPPAs"), including CEPPAs aimed at achieving affordable 21 housing. CEPPAs 10 and 11 require contributions from HRD to the Fund (as defined below) of 22 \$1,500,000 each and CEPPAs 26 and 27 require additional contributions to the Fund, including 23 one-time payments of between \$2,000.00 and \$9,000.00 for each new dwelling unit. 24 The Howard County Council adopted Bill 24-2012 effective September 3, 2012, 25 which established the Downtown Columbia Community Housing Fund ("Fund") for the purpose of 26 providing affordable housing assistance as an amenity as described in the Downtown Columbia 27 Plan and further providing for the recognition of a nonprofit entity as the Downtown Columbia 28 Community Housing Foundation for purposes of administering the Fund. Bill 24-2012 also 29 established mandatory contributions into the Fund by the Downtown Columbia Community 30 Developer and property owners 31 On November 5, 2012, the County Council adopted Resolution 154-2012 32 recognizing the Columbia Downtown Housing Corporation ("CDHC") as the Downtown 33 Columbia Community Housing Foundation under the Downtown Columbia Plan. 34 5. Net New (as defined in Section 1.1.GG below) approved residential development 35 includes (i) The Metropolitan comprised of 380 dwelling units and ground floor retail space; and 36 (ii) Parcel C comprised of 437 total dwelling units and ground floor retail space, both of which 37 were approved by final development plan FDP-DC-Warfield-1. Site development plan approval of 38 39 The Metropolitan (SDP 13-007) reduced the number of Net New dwelling units remaining to be

constructed in Downtown Columbia to 5,120 units, and site development plan approval of Parcel C

- 1 (SDP 14-024) further reduced the number of Net New dwelling units remaining to be constructed 2 to 4,683 units.
- 6. On or about October 8, 2013, HRD, as the designated Community Developer, in order to permit construction and occupancy of The Metropolitan, contributed \$2,329,422.20 to the Fund in accordance with the Downtown Columbia Plan, CEPPAs 10, 26 and 27, and Bill 24-2012. On or about June 14, 2016, HRD contributed an additional \$2,498,103.63 to the Fund in accordance with the Downtown Columbia Plan, CEPPAs 11, 26 and 27 and Bill 24-2012 in order
- accordance with the Downtown Columbia Plan, CEPPAs 11, 26 and 27 and Bill 24-2012 in order to permit construction and occupancy of Parcel C. To date, approximately \$4,827,525.83 in
- 9 contributions have been provided to the Fund by HRD.
- 7. On March 31, 2014, CDHC presented its Second Annual Report to the County Council and County Executive in which CDHC advised that changes in legislation will be necessary to realize the goals of the Downtown Columbia Plan for the development of a full spectrum housing program in Downtown Columbia.
- 8. On October 29, 2014, the County Council adopted Resolution 120-2014 requesting CDHC to consider whether legislative changes are necessary and appropriate to ensure the Downtown Columbia Plan's vision for a full spectrum of affordable housing can be achieved and to recommend any changes believed necessary and appropriate to the County Council and County Executive.
- 9. On February 27, 2015, CDHC presented its recommendations to the County Council and County Executive, which recommendations would have required 15% of future residential development in Downtown Columbia to be affordable, providing up to 702 units of affordable housing in Downtown Columbia at full residential build-out and serving households with an average AMI of 60% of the Howard County AMI.
- 24 10. As Community Developer under the Downtown Columbia Plan, HRD objected to CDHC's recommendations to the County Council and County Executive on the basis that the adoption of such recommendations would only stifle future development in Downtown Columbia. HRD suggested instead that a more nuanced approach be developed as a collaboration among HRD, the County, CDHC and the Howard County Housing Commission ("Commission"), which would actually "jump start" and maximize the potential to create affordable housing in Downtown Columbia.
- 11. On June 8, 2015, at a public worksession of the County Council representatives of HRD presented the County Council and representatives of CDHC and the Commission with an alternative means of achieving a full spectrum of housing in Downtown Columbia, and after discussion at this worksession, it was understood that HRD, CDHC and the Commission would attempt to work towards a joint recommendation regarding affordable housing and to determine what, if any, recommendations should be jointly made to the County Council and pursued.
- Representatives of CDHC, HRD, the Commission and the Howard County Executive met over a period of months during summer and fall 2015 to understand the various perspectives and objectives of the parties, including, without limitation, achieving a full spectrum of housing, the economic constraints affecting the ability of the private sector alone to meet this

- objective, the existing requirements and recommendations of the Downtown Columbia Plan, CEPPAs and Bill 24-2012, and the potential use of mechanisms such as low income housing tax
- 3 credits, PILOT, and land dedication and land exchanges to facilitate the creation of affordable 4 housing.
- 5 13. On September 8, 2015, representatives of CDHC, HRD, the Commission and the Howard County Executive presented the County Council with a set of joint recommendations on 6 affordable housing in Downtown Columbia (the "Joint Recommendations"). 7 Recommendations describe a multi-faceted approach to achieve a full spectrum of housing by 8 encouraging private investment including, without limitation, recommendations for (i) Very Low 9 Income Units, Low Income Units, and Middle Income Units; (ii) an inclusionary program whereby 10 Affordable Units are included in each residential rental building going forward; (iii) land 11 exchanges, leases or contributions to facilitate development or redevelopment of a new Central 12 Library, the existing Central Library, a new transit center, Toby's Dinner Theatre, the Banneker 13 Fire Station and the Temporary Fire Station Site, all of which (except for the new Central Library) 14 are anticipated to include additional Affordable Units earlier than would be delivered in the 15 development of the full residential buildout program, and in significant quantity, (iv) modification 16 of the Fund contribution mechanism; and (v) accompanying legislation to facilitate this approach. 17 Together the Joint Recommendations provide for the development of approximately 900 18 Affordable Units in Downtown Columbia at a full spectrum of household income levels at Full 19 20 Residential Build Out (defined in Section 1.1.U below).
- 14. HRD is, either itself or through its affiliates, engaged in the development, construction, redevelopment and management of real estate and owns or controls the residential development on parcels of real property in Downtown Columbia, including those parcels more particularly described on Exhibit "A", attached hereto and by this reference incorporated herein.
- 15. Maryland law, Land Use Article, § 7-301 *et seq.* of the Maryland Annotated Code ("Land Use Article"), grants Howard County the authority to establish procedures and requirements for the consideration and execution of Development Rights and Responsibilities Agreements.
- 16. The Howard County Council adopted Council Bill No. 4-2010 on March 1, 2010, effective May 4, 2010, creating Sections 16.1700 *et seq*. of the Howard County Code authorizing Howard County to enter into Development Rights and Responsibilities Agreements ("County Ordinance").
- 17. The Howard County Council also adopted (i) ZRA-170 on \_\_\_\_\_\_, 2016, 4 effective \_\_\_\_\_, 20\_\_, (ii) Council Bill No. \_\_\_\_\_ on \_\_\_\_\_, 20\_\_, effective \_\_\_\_\_, 20\_\_, and (iii) Council Bill No. \_\_\_\_\_ on \_\_\_\_\_, 20\_\_, effective \_\_\_\_\_, 20\_\_,
- 18. This Agreement is intended to constitute a Development Rights and Responsibilities Agreement as provided for in the Land Use Article and the County Ordinance and includes provisions intended to implement the Joint Recommendations adopted by HRD and CDHC and endorsed by the Commission and the County.
- 40 19. On March 11, 2016 HRD petitioned Howard County to enter into this Agreement.

- On March 16, 2016, Howard County reviewed this petition and determined to 1 20. 2 accept this petition and initiate the process of considering a Development Rights and Responsibilities Agreement. 3
- The parties acknowledged and agreed that HRD's affordable housing obligations 4 21. set forth in this Agreement, when compared to the 12% and 15% MIHU requirement for 5 6 Downtown Columbia would (a) provide for more affordable dwelling units on the Property and in close proximity thereto, and provide additional funds to further the affordable housing goals set 7 forth herein, (b) serve lower income households, (c) provide the units at earlier stages of 8 development, and (d) support homeownership and live-where-you-work goals; and, consequently, 9 the affordable housing goals in the Downtown Columbia Plan will be served to a greater extent by 10 11 this Agreement.
- 12 22. On July 5, 2016, the County Executive filed as legislation with the Howard County 13 Council the Agreement and accompanying zoning and affordable housing law changes. Howard County Council held a series of public hearings and worksessions to discuss the 14 Agreement and accompanying legislation. As a result of this process, the Howard County Council, 15 in consultation with, among others, HRD, CDHC, the Commission, and the Howard County 16 Executive, filed legislative amendments to the Agreement and accompanying legislation 17
- As the result of the aforementioned process, HRD shall be deemed to have 23. satisfied all affordable housing obligations under the County Law for the term of this Agreement 19 with respect to the development by HRD and its affiliates of up to 5,500 Net New dwelling units as further detailed herein.
  - NOW, THEREFORE, in consideration of the foregoing recitals, which are not merely prefatory but are hereby incorporated into and made a part of this Agreement, and the mutual covenants and agreements as set forth below, and for other good and valuable consideration, the receipt and sufficiency of which the Parties hereby acknowledge, HRD and Howard County hereby agree as follows:

HRD shall lease such units in each building to the Commission for a period of at least forty (40) years in accordance with the terms of a master lease, with unlimited renewal options, and upon substantially the same terms, for each building to be entered into by and between HRD and the

Commission and containing the terms set forth below, and the Commission may then in turn lease

the units to individual households holding Housing Choice Vouchers or at an income level of up

equal to 95% of the Housing Choice Voucher Payment Standard ("VPS") for Columbia, MD (100% minus a 5% allowance for vacancy), which VPS rates for 2016, for example, are \$1,123 for an efficiency, \$1,363 for a one bedroom, \$1,713 for a two bedroom, and \$2,195 for a three bedroom. The 95% of VPS payment to HRD will be guaranteed by the Commission with nonvoucher funds regardless of vacancy (unless caused by HRD) and will not be discounted by a utility allowance. The lease rate shall be adjusted annually in accordance with adjustments in the VPS for Columbia, MD, but in no event shall the lease rate be decreased by more than 3% annually or by more than 10% cumulatively from the initial lease rate for each building for each master lease period including each renewal period. Units developed as Very Low Income Units may include smaller square footages than Market Rate Dwelling Units and other design elements to reduce development cost and increase affordability, in accordance with the standards shown on Exhibit "B". The rent commencement date under each master lease with respect to a building under this Section 4.2A shall be the date that a use and occupancy permit is issued for that building. In the event the Commission elects not to renew the master lease for any building, the Very Low Income Units within that building shall no longer be subject to this Agreement and may be re-leased as Market Rate Dwelling Units, unless HRD and the Commission agree, in each of their sole and absolute discretion, to renew or extend a new master lease for that building.

- B. Within the first phase of development within the Crescent Area 3 development area, HRD shall designate 3% of the Net New rental units within each building containing rental units as Very Low Income Units.
- C. In future Downtown Columbia development phases, affordable designations will be made by HRD in accordance with the following schedule:

  - (ii) For development from the issuance of an occupancy permit for the 1,699<sup>th</sup> Net New rental dwelling unit and all Net New rental dwelling units thereafter, at least five percent (5%) of all Net New rental units in each building containing rental units (excluding the Metropolitan and Parcel C) constructed or otherwise provided on the Property will be Very Low Income Units, subject to Section 4.2.D below.
  - D. In HRD's sole discretion, buildings in projects developed under 4.2.C(i) above may include more than 3% Very Low Income Units, and buildings in projects developed under 4.2.C(ii) above may include more than 5% Very Low Income Units, in which case the number of surplus Very Low Income Units may be deducted from the future 5% requirement in buildings in projects developed under 4.2.C(ii), so long as the number of Very Low Income Units in each building is always equal to or greater than the 3% requirement, and provided that any amount of Very Low Income Units in any one building in excess of 5% for buildings developed under 4.2.(C)(i) and any amount of Very Low Income Units in any one building in excess of 7% for buildings developed under 4.2.(C)(ii) shall not be credited against any future Very Low Income Unit requirements and the Commission shall not be obligated to master lease such units in

excess of the 5% or 7% threshold, as applicable. Credits for excess units shall be in whole units only. For example, if a 300 unit building developed under 4.2.C(i) contained 10 Very Low Income Units (one unit more than required), then a corresponding 300 unit building developed under 4.2.C(ii) could contain only 14 Very Low Income Units (one fewer than the 5% requirement), and if a 295 unit building developed under 4.2.(C)(i) contained ten Very Low Income Units, then one Very Low Income Units could be credited against the requirements for a future building and HRD would not receive any additional fraction of a credit. HRD will execute and record a binding covenant on each parcel of property on which a building containing rental units is to be constructed, enforceable by CDHC, the Commission and the County, to require that the income qualification program and restricted rent levels shall be maintained for the Restriction Period. At the end of the Restriction Period, the units may, in HRD's sole and absolute discretion, be released as Market Rate Dwelling Units.

- For development up to and including the issuance of an occupancy permit for the 1,698th Net New rental dwelling unit, at least three percent (3%) of all Net 42

New rental units in each building containing rental units (excluding the Metropolitan and Parcel C) that is constructed or otherwise provided on the Property will be Middle Income Units.

- (ii) For development from the issuance of an occupancy permit for the 1,699<sup>th</sup> Net New rental dwelling unit and all Net New rental dwelling units thereafter, , at least five percent (5%) of all Net New rental units (excluding the Metropolitan and Parcel C) in each building containing rental units that is constructed or otherwise provide on the Property will be Middle Income Units, subject to Section 4.3.D below.

Credits for excess units shall be in whole units only. For example, if a 300 unit building developed under 4.3.C(i) contained 10 Middle Income Units (one unit more than required), then a corresponding 300 unit project developed under 4.3.C(ii) could contain only 14 Middle Income Units (one fewer than the 5% requirement), and if a 295 unit building developed under 4.3.(C)(i) contained ten Middle Income Units, then one Middle Income Unit could be credited against the Middle Income Unit requirement for a future building and HRD would not receive any additional fraction of a credit. Finally, if a 300 unit project developed under 4.3.(C)(i) contained 16 Middle Income Units then the number of excess units which could be applied against a 300 unit project developed under 4.3(C)(ii) would be limited to 6 Middle Income Units.

New Central Library Site, the County and HRD shall record covenants on the Existing Central Library Site and the New Central Library Site, respectively, running with the land, and enforceable by the Commission and CDHC, restricting the development of the Existing Central Library Site and the New Central Library Site to the uses contemplated in this Section 4.4.C(ii) for the duration of the Restriction Period. Any residential development on the Existing Central Library Site and the New Central Library Site shall not count against the 5,500 unit density cap established in the Downtown Columbia Plan, except to the extent that HRD or its affiliates are a partner in the development, in which case the number of units that will count against the 5,500 unit density cap will be equal to HRD's or its affiliates proportional share of the total number of market rate units included in the LIHTC Development. For example, if HRD is a partner having a 40% interest in a LIHTC Development that includes 100 total units, 50 of which are affordable and 50 of which are market rate, 20 of the 50 market rate units would count against the density cap and 30 of the market rate units would not count against the density cap.
- iv. Upon conveyance of the Existing Central Library Site to the Commission and the New Central Library Site to the County, HRD shall be relieved of any and all further obligations under this Section 4.4.C.
- v. Notwithstanding anything to the contrary above, the County shall not exercise the Library Land Swap Election unless the Howard County Council has adopted a resolution approving the land swap and the terms of this Section 4.4C.

#### D. Future Downtown Transit Center Site.

The Downtown Columbia Plan envisions a new transit center as part of the redevelopment of Downtown Columbia. The December 2011 Nelson Nygaard transit study ("Study") provided to the County by HRD in satisfaction of CEPPA 5 recommended locating the new transit center in the Symphony Overlook Neighborhood, generally between the Mall and the

Corporate Center buildings. In accordance with CEPPA 14, HRD, in cooperation with the Howard County Office of Transportation, will identify a site (the "Transit Center Site") prior to approval of the first SDP in the Symphony Overlook Neighborhood and will provide the Transit Center Site to the County by fee simple transfer at no cost for the County's construction of a new The Parties acknowledge that Howard County intends to convey the Future Downtown Transit Center Site to the Commission. The Commission would then construct a Future Downtown Transit Center as a mixed use mixed-income residential project containing between 40 and 50 percent Low Income Units. Conveyance of the Transit Center Site to the Commission, as contemplated herein, is subject to County laws and procedures for the disposition of County property. At the time of conveyance of the Future Downtown Transit Center Site to the Commission, the County shall record a covenant on the Future Downtown Transit Center Site, running with the land, and enforceable by the Commission and CDHC, restricting the development of the Future Downtown Transit Center Site to the uses contemplated in this Section 4.4.D for the duration of the Restriction Period. Any residential development on the Future Downtown Transit Center Site shall not count against the 5,500 unit density cap established in the Downtown Columbia Plan, except to the extent that HRD or its affiliates are a partner in the development, in which case the number of units that will count against the 5,500 unit density cap will be equal to HRD's or its affiliates proportional share of the total number of market rate units included in the LIHTC Development. For example, if HRD is a partner having a 40% interest in a LIHTC Development that includes 100 total units, 50 of which are affordable and 50 of which are market rate, 20 of the 50 market rate units would count against the density cap and 30 of the market rate units would not count against the density cap. Upon conveyance of the Future Downtown Transit Center Site to the County, HRD shall be relieved of any and all further obligations under this Section 4.4.D.

## E. Relocation of LIHTC Sites.

Notwithstanding anything to the contrary in this Agreement, HRD may propose a comparable substitute location for the applicable LIHTC Development, subject to the approval of the County, the Commission and CDHC (the "Covenant Parties"). Upon receipt of any such proposal from HRD, the Covenant Parties agree to work diligently and in good faith with HRD to consider such comparable substitute location for the applicable LIHTC Development. If all of the Covenant Parties approve the alternative location proposed by HRD then the relocated LIHTC Development shall be developed on the approved alternative site, and the Covenant Parties shall release any affordable housing covenants from the original site upon the placement of comparable covenants on the approved alternative site. HRD shall then be free to develop the applicable original site previously identified for such LIHTC Development free of all limitations contained in the original covenants (but subject to applicable law and this DRRA). If the Covenant Parties do not approve an alternative site proposed by HRD for a LIHTC Development, then the applicable LIHTC Development shall be developed on the original site in conformance with the applicable recorded covenants.

#### F. LIHTC Unit Counts.

The Parties acknowledge that unit counts for the LIHTC Developments listed in this Agreement are based on approximate site areas and an assumed density similar to the

Metropolitan project recently completed Downtown of approximately 100 units per acre. All 1 LIHTC Development sites will require development approvals from the County. To the extent 2 that the Commission acts as the developer of any of the LIHTC Development sites, it shall use 3 commercially reasonable efforts to design to and obtain approval for the unit counts contained 4 herein and the densities feasible for the sites. The limits on income and identity of the units 5 subject to restriction shall be specified in recorded declarations filed by the County or the 6 Commission which restrictions shall continue for the duration of the Restriction Period. In the 7 event that one of the LIHTC Development sites is developed with less than the number of Low 8 Income Units anticipated in this Agreement, the difference between the expected number of Low 9 10 Income Units and the actual number of Low Income Units on the site shall constitute a "Low Income Unit Shortfall". HRD, in consultation with the Commission and CDHC, shall make up 11 12 any Low Income Unit Shortfall by providing for additional Low Income Units through any combination of (i) additional units above the New Central Library Site, (ii) additional units above 13 the Future Transit Center Site, or (iii) elsewhere in Downtown Columbia at a location mutually 14 agreed upon by the Parties, the Commission and CDHC. Additional units provided to make up a 15 16 Low Income Unit Shortfall shall provide for both Low Income Units and Market Rate Dwelling Units so that each mixed-income project described in this Section 4.4 contains between 40 and 50 17 18 percent Low Income Units.

- G. Gap Financing. HRD shall provide to the CDHC \$3,200,000 upon issuance of a building permit for the 818<sup>th</sup> Net New dwelling unit to provide funding for the development of the LIHTC Developments described in this Section 4.4. needed to make the development financially feasible following commercially reasonable efforts to secure all traditional sources of financing ("Gap Financing").
- H. *Environmental*. The documentation for, or contract of, the transfer of a LIHTC Development site or any portion thereof under this Agreement shall provide for the customary period for evaluating and for addressing the existing environmental conditions on the site prior to the closing on the site so that the site can be made suitable for residential development in accordance with such document's or contract's terms.
- I. Restrictive Covenants. To the extent that HRD is the beneficiary of any restrictive covenants on any LIHTC Development sites described in this Section 4.4, HRD shall terminate such covenants as necessary to permit LIHTC Developments.

## 4.5 <u>Homeownership and Live-Where-You-Work Programs.</u>

HRD shall provide to the CDHC an amount intended to provide at least \$7,775,000 to support a homeownership and a Live-Where-You-Work (LWYW) program within the boundaries of Downtown Columbia or other areas to the extent permitted by law.

A. HRD shall pay a fee of \$1,734 per unit for the 1,583<sup>rd</sup> Net New rental dwelling unit and all subsequent Net New rental dwelling units, excluding the Very Low Income Units and Middle Income Units set forth in Sections 4.2 and 4.3, through and including the 5,178<sup>th</sup> Net New rental dwelling unit.

- B. HRD shall pay a fee of \$6,963 per unit for all Net New for sale dwelling units up to and including the 322<sup>nd</sup> Net New for sale dwelling unit. All Net New for sale dwelling units developed after the 322<sup>nd</sup> shall comply with the For Sale Offset Unit requirement described in Section 4.6 below and shall also pay the fee for Net New rental dwelling units of \$1,734 per unit described in Section 4.5.A above.
- 6 C. In the event, that more than 5,178 Net New rental dwelling units are built, each unit above 5,178 will pay the fee associated with the Net New for sale units.
  - D. The amounts to be paid under Section 4.5 shall be subject to an annual adjustment based on the ENR Building Cost Index for the Baltimore region in effect when the Agreement becomes effective and shall be contingent on the expiration of all applicable appeal periods associated with each building permit without an appeal being filed, or if an appeal is filed, upon the issuance of a final decision upholding the issuance of the permit.
  - E. HRD shall work with CDHC and Howard County employers participating in the live-where-you-work program to accept some form of guaranty from the aforementioned parties in place of the security deposit and any other initial leasing costs in excess of first month's rent, whenever HRD is a 50% or more owner in a rental dwelling unit building (excluding the Metropolitan and Parcel C).

### 4.6 For Sale Units.

The realization of the 400 inclusionary units (i.e., the 200 Very Low Income Units described in Section 4.2 and 200 Middle Income Units described in Section 4.3) assumes that of the 5,500 Net New dwelling units, 322 of these units will be for-sale Market Rate Dwelling Units. As more particularly set forth below, to the extent that HRD develops more than 322 for-sale Market Rate Dwelling Units, HRD shall provide additional Very Low Income Units and Middle Income Units in its new buildings containing Net New rental dwelling units (the "For Sale Offset Units"), as follows:

A. The number of For Sale Offset Units required shall be calculated as follows:

- (i) For each for-sale unit developed in excess of the 322<sup>nd</sup> for-sale Net New Market Rate Unit at or before reaching the 1,698th unit threshold described in Section 4.2.C(i) and 4.3.C(i) above, 0.03 Very Low Income Units and 0.03 Middle Income Units shall be required.
- (ii) For each for-sale unit developed in excess of the 322<sup>nd</sup> for-sale Net New Market Rate Unit after reaching the 1,698th unit threshold described in Section 4.2.C(i) and 4.3.C(i) above, 0.05 Very Low Income Units and 0.05 Middle Income Units shall be required.
- B. To the extent that HRD has developed surplus Very Low Income Units or Middle Income Units and has such credits available as described in Sections 4.2.D and 4.3.D, these units may be used to satisfy the requirements for For Sale Offset Units. To the extent that

such surplus Very Low Income Units or Middle Income Units are not available, HRD shall include additional Very Low Income Units or Middle Income Units in its next building containing rental Market Rate Dwelling Units to satisfy the requirements for For Sale Offset Units, up to the maximum percentage threshold of 5% and 7%, as applicable, as described in Sections 4.2.D and 4.3.D, and shall continue to include the maximum percentages of Very Low Income Units or Middle Income Units, as applicable, in each subsequent building containing Net New rental dwelling units until the For Sale Offset Unit requirement is satisfied.

C. For example, should HRD propose a 100 unit for-sale Net New rental dwelling unit project, after 322 for sale Net New Market Rate Units have already been developed, and after the 1,698<sup>th</sup> unit threshold described in Section 4.2.C(i) and 4.3.C(i) has been passed, then HRD would be required to provide five (5) additional Very Low Income Units and five (5) additional Middle Income Units. If HRD had not previously developed surplus Very Low Income Units or Middle Income Units as described in Sections 4.2.D and 4.3.D and/or did not have those credits available, then HRD would be required to include the additional For Sale Offset Units in its next building containing Net New rental dwelling units. If HRD's next building containing Net New rental dwelling units was a 300 unit project, it would then need to provide twenty (20) Very Low Income Units and twenty (20) Middle Income Units in the building to meet both the baseline inclusionary requirement plus the For Sale Offset Unit requirement. Fractional For Sale Offset Unit count requirements shall be rounded up.

## ARTICLE V AGREEMENT CONTINGENT ON LEGISLATION

5.1. <u>Agreement Contingent on Approval of Legislation</u>. No obligation shall be created on any Party hereto unless and until the effective date of all legislation addressed substantially in the form attached to this Agreement as Exhibit "E".

## ARTICLE VI SURVIVAL AND TRANSFER OF OBLIGATION

- 6.1 Nature, Survival, and Transfer of Obligations. HRD agrees that this Agreement shall run with the land and be binding upon and inure to the benefit of HRD and its affiliates, and their respective successors and assigns, and upon any and all successor owners of record of all or any portion of the Property (except owners of an individual condominium dwelling unit improved as part of the Project and pursuant to a validly issued building permit). To assure that all such successors, assigns, and successor owners have notice of this Agreement and the obligations created by it, HRD agrees that it shall:
- A. Have this Agreement recorded among the Land Records within twenty (20) days after the Effective Date of this Agreement;
- B. Incorporate, by reference, this Agreement into any and all real estate sales contracts entered into after the Effective Date of this Agreement for the sale of all or any portion of the Property; and

1 2 3 4	C. Prior to the transfer of all or any portion of the Property (except the transfer of an individual condominium dwelling unit solely for use as a private residence), or any equitable interest therein, require the transferee to execute an enforceable written agreement, in a form reasonably satisfactory to Howard County, binding transferee to this Agreement.
5 6 7	6.2 <u>Binding Upon Successors and Assigns</u> . The Parties agree that all obligations assumed by it under this Agreement shall be binding on it, its agencies, employees, and governmental units, and its and their respective successors and assigns.
8	ARTICLE VII BREACH AND REMEDIES
10 11 12	7.1 <u>Disputes</u> . This Agreement shall be governed by the law of the state of Maryland, without regard to its choice of law rules, and the Parties hereby agree to venue in and the exclusive jurisdiction of the Circuit Court of Maryland for Howard County.
13 14 15 16	Each party knowingly, voluntarily and intentionally waives its right to a trial by jury to the fullest extent permitted by law in all actions and other legal proceedings arising out of or relating to this agreement and the transactions contemplated hereby. This waiver applies to all actions and other legal proceedings, whether sounding in contract, tort or otherwise.
17 18 19 20 21 22 23 24 25	7.2 <u>Breaches by HRD</u> . If HRD shall fail or refuse to perform any of its obligations as required, then after sixty (60) days from receipt of written notice provided to HRD by Howard County indicating the nature of the default and if HRD has not commenced action to cure the default and diligently pursued the same, the County may seek equitable relief to enforce the terms and conditions of this Agreement either through a decree for specific performance or an injunction. Should the remedies of specific performance or injunction not be available to Howard County because of actions of HRD, then Howard County shall be entitled to bring a legal action for damages. In all events, this Agreement shall not be terminated except as provided in Section 9.5 below.
26 27 28 29 30 31 32 33 34	7.3 Breaches by Howard County. If Howard County shall fail or refuse to perform any of its obligations as required, then after sixty (60) days from receipt of written notice provided to Howard County by HRD indicating the nature of the default and if Howard County has not commenced action to cure the default and diligently pursued the same, HRD may seek equitable relief to enforce the terms and conditions of this Agreement either through a decree for specific performance or an injunction. Should the remedies of specific performance or injunction not be available to HRD because of actions of Howard County, then HRD shall be entitled to bring a legal action for damages. Notwithstanding the foregoing, this term is not intended to waive any applicable immunities.
35 36	ARTICLE VIII EFFECT OF DEVELOPMENT REGULATIONS
37	8.1 <u>Effect</u>
38 39	A. HRD must comply with all federal, Maryland and local laws existing on the Effective Date of this Agreement.

B. (i) Except as provided in Section 8.1.C herein, the laws, rules, regulations and policies which govern the Development, use, density and intensity of the Property shall be Howard County Law in force on the Effective Date of this Agreement, excluding APFO and any State or Federally mandated requirements and any Howard County Law relating to the safety of the public including, without limitation, the codes enumerated in Section 3.100(b)(1)-(9) of the Howard County Code, as the same may be updated amended or re-codified, and such other substantially similar codes as may be adopted.

- (ii) With respect to any Development Rights Property against which this Agreement is recorded pursuant to Section 9.12 below, the laws, rules, regulations and policies which govern the use, development, density or intensity of such property shall be Howard County Law in force on the date that this Agreement is recorded in the Land Records against such property, except that the affordable housing obligations, if any, for the development of such property shall be established by this Agreement.
- C. If Howard County determines that compliance with a law(s) enacted or adopted after the Effective Date of this Agreement is essential to ensure the health, safety or welfare of residents of all or part of Howard County, this Agreement may not prevent Howard County from requiring HRD to comply with those laws, rules, regulations and policies. In such event, HRD shall have the right, at its sole election, to terminate this Agreement, in which event HRD and the County shall be relieved of all remaining obligations under this Agreement. HRD may only terminate or suspend the Agreement following a public hearing, to be held within 45 days following receipt by the County of written notice by HRD of its intent to terminate, and provided that any testimony received at such public hearing shall not affect HRD's ability in its sole discretion to terminate the Agreement.
- 8.2 <u>Approvals Required</u>. HRD shall obtain all approvals necessary under any provision of Maryland or federal law before proceeding with development of the Property. This Agreement does not address any approvals required by Maryland or federal law, and HRD shall be responsible for obtaining any approvals required by local, Maryland, or federal law.
- 8.3 <u>Fees</u>. HRD shall pay all fees (specifically including but not limited to excise taxes, surcharges and water and sewer connection fees) required by the County at the time of the Effective Date of this Agreement at the rate in effect at the time the fee is due. Nothing in this Agreement shall be construed as a waiver or reduction of any such fee except as provided herein.
- 8.4 Growth Control Delay. In the event that a "Growth Control Delay" (as hereinafter defined) is imposed, then any deadline concerning (i) HRD's obligation to construct, install, fund or post financial guarantees for the infrastructure improvements required pursuant to any development approval for the development of all or a portion of the Property in accordance with the phasing requirements set forth therein shall be extended for one (1) additional day for each day during which such Growth Control Delay exists, and the development shall not be subjected to any additional regulation, legislation, limitation, phasing, contributions, penalties or delay in construction, or issuance of zoning certificates/building permits solely as a result of the Growth Control Delay. Any deadlines placed on the County under this Agreement shall likewise be extended reciprocally in the event that a Growth Control Delay is imposed. The term "Growth Control Delay" shall mean any and all delays caused during APFO Approval and/or the

1 implementation or declaration by the United States Government, State of Maryland, Howard 2 County, and/or any agency, department, division and/or branch thereof for purposes of a 3 limitation, prohibition, restriction and/or phasing upon the review, recording, development and construction as intended by HRD, which is deemed to be essential to ensure the public health, 4 5 safety, and welfare of County residents as determined in accordance with Section 8.1.C above. 6 ARTICLE IX 7

The Parties to this Agreement may amend the Agreement by mutual consent in accordance with the applicable procedures of State and County law concerning amendment of a Development Rights and Responsibilities Agreement. All amendments to this Agreement shall be in writing and shall be executed by each of the Parties hereto.

Termination or Suspension. The Parties to this Agreement may terminate or 29 9.5 suspend the Agreement by mutual consent in accordance with the applicable procedures of State 30 and County law concerning termination or suspension of a Development Rights and 31 Responsibilities Agreement. If Howard County determines that a suspension or termination is 32 essential to ensure the public health, safety or welfare, as determined in accordance with Section 33 8.1.C above, Howard County may suspend or terminate this Agreement following a public 34 hearing. Any such unilateral termination or suspension of this Agreement by Howard County 35 shall not in any way affect the validity of any development approvals which have been obtained 36 for the Property (including, but not limited to, APFO Approvals, final development plan 37 approvals and site development plan approvals). Furthermore, if this Agreement is suspended 38

under this Section 9.5, then the term of this Agreement as set forth in Section 9.2 above shall be extended by the same number of days that this Agreement is suspended.

### 9.6 Authority to Execute.

- A. The Parties hereby acknowledge and agree that all required notices, meetings, and hearings have been properly given and held by Howard County with respect to the approval of this Agreement and agree not to challenge this Agreement or any of the obligations created by it on the grounds of any procedural infirmity or any denial of any procedural right. Each of the Parties hereby warrants and represents to the other Parties that the persons executing this Agreement on its behalf have been properly authorized to do so. Each of the Parties agrees not to challenge this Agreement of any of the obligations created by it on grounds that any of the other Parties lacked authority to enter into all or a portion of this Agreement.
- B. HRD hereby warrants and represents to the County that (i) it or its affiliates is the fee simple, record owners of the Property; (ii) that it has the right, power and authority to enter into this Agreement and to agree to the terms, provisions, and conditions set forth herein and to bind the Property as set forth herein, (iii) that all legal actions needed to authorize the execution, delivery and performance of this Agreement have been taken, and (iv) that it has been duly represented by attorneys.
- 9.7 <u>Governing Law</u>. This Agreement shall be governed by and construed in accordance with the laws of the State of Maryland.
- 9.8 <u>Consent to Jurisdiction</u>. The Parties irrevocably consent to the jurisdiction of the Circuit Court for Howard County, Maryland.
- 9.9 <u>Remedies Cumulative</u>. Each right, power and remedy of a Party provided for in this Agreement, or any other agreement between the Parties, now or hereafter existing, shall be cumulative and concurrent and in addition to every other right, power or remedy provided for in this Agreement or any other agreement between the Parties, now or hereafter existing.
- 9.10 Severability. In case any one or more of the provisions contained in this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of the Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained in this Agreement. If this Agreement is determined to be invalid in its entirety by a court of competent jurisdiction, and all appeals for such determination have been exhausted or the time for filing any such appeals has expired, then HRD shall have the right to unilaterally record a termination of this Agreement in the Land Records.
- 9.11 <u>Interpretation</u>. All headings are inserted in this Agreement only for convenience and ease of reference and are not to be considered in the construction or interpretation of this Agreement. Unless the context clearly requires otherwise: (a) words such as "include", "including", or "such as" shall be interpreted as if followed by the words "without limitation"; and (b) any reference to an Article, Section, or other subdivision, or Exhibit, is intended to refer to an Article, Section, or other subdivision, or Exhibit, of this Agreement. In the event of any

inconsistency between the text of this Agreement and any Exhibit attached hereto, the text shall govern.

1 2

Recordation. HRD shall record this Agreement in the Land Records against the 9.12 Property identified and shown cross-hatched and colored yellow on Exhibit A attached hereto within 20 days after the day on which the Parties execute this Agreement. In addition, at any time during the term of this Agreement, HRD shall have the right to record this Agreement against (a) other property in Downtown Columbia that is shown on Exhibit A hereto and which HRD or its affiliates have under contract or have residential development rights to as of the Effective Date of this Agreement (such property being shown with diagonal hatching and colored blue on Exhibit A hereto) (the "Development Rights Property"). Upon recordation of this Agreement against such additional property, the additional property shall be deemed a part of the Property and shall be subject to the terms of this Agreement, and HRD shall provide the County with a copy of the recorded Agreement promptly after such recordation. Notwithstanding the preceding sentence, the Development Rights Property shall be subject to the County Law in effect at the time of recordation and not the County Law in effect on the Effective Date of this Agreement, except that the affordable housing obligations, if any, for the development of such property shall be established by this Agreement. Notwithstanding anything to the contrary in this Section, if HRD records this Agreement against any real property on Exhibit A in which HRD or its affiliates hold merely an equitable interest at the time of such recordation but fails to acquire fee ownership thereof within three (3) years after such recordation, then such property shall be deemed automatically released from this Agreement on the expiration of such three (3)-year period.

HRD may acquire other property in Downtown Columbia that is not identified on Exhibit A hereto as either the Property or the Development Rights Property, but which is combined for development with property that is identified on Exhibit A hereto as either the Property or the Development Rights Property ("Adjoined Property"). In the case of a site which is comprised (i) partially of Adjoined Property and (ii) partially of property identified on Exhibit A (whether such property is currently owned by HRD or is a Development Rights Property), as shown on a Site Development Plan approved by the Planning Board (a "Combined Site"), the requirement to develop affordable Net New rental units shall be as follows:

- (i) a percentage of the Net New rental units on the Combined Site, which percentage shall be derived by dividing the acreage of the property identified on Exhibit A (whether such property is currently owned by HRD or is a Development Rights Property) within the Combined Site by the total acreage of the Combined Site, shall be subject to the requirements applicable for Very Low Income Units and Middle Income Units; and
- (ii) a percentage of the Net New rental units on the Combined Site, which percentage shall be derived by dividing the acreage of the Adjoined Property within the Combined Site by the total acreage of the Combined Site, shall be subject to the MIHU requirements under the Howard County Zoning Regulations for Downtown Columbia. For example, if Adjoined Property consisting of 1 acre were combined with property identified on Exhibit A consisting of 2 acres, and 300 Net New rental units were constructed, then (i) 100 of the Net New rental units would be subject to the MIHU requirements applicable to a new 100 unit rental project constructed in Downtown

1 Columbia, without regard to the provisions of the Agreement and (ii) 200 of the Net New rental units would be subject to the provisions of Section 4.2 and 4.3 of this Agreement.

- 9.13 Appeals. Both Maryland law and the Howard County Law may allow any person aggrieved by this Agreement to file an appeal. If the effect of the decision in such Appeal revises this Agreement in any way, any Party to this Agreement may terminate the Agreement by providing notice to all Parties within thirty (30) days of the date that the decision in the appeal becomes final and all appeals thereof have been finally determined.
- 9.14 <u>No Obligation to Approve</u>. This Agreement shall not be interpreted or construed to impose any legal obligation on Howard County or any of its boards, agencies, commissions or employees to approve any development, use, density or intensity other than as provided specifically in this Agreement.
- 9.15 No Third Party Beneficiary Status. The Parties specifically agree that this
  Agreement is not intended to create in the public or any member thereof, nor in the Commission,
  CDHC or any other person or entity, third party beneficiary status in connection with the
  performance of the obligations under this Agreement. To the extent that any provision of this

## Exhibit "B" Downtown Columbia Affordable Housing Guidelines

The guidelines below apply to the Middle Income (80% AMI) and Very Low Income (30% AMI) units (jointly termed "Affordable Units") in all HRD market rate buildings to be developed in Downtown Columbia, unless otherwise stated.

#### 1. Location

The location of affordable units in each building shall not be congregated into one area of the building, and shall be dispersed to the extent possible taking into consideration design constraints. Affordable Units may be stacked vertically.

#### 2. Unit Mix

The unit mix of the Affordable Units in each building shall be similar to the overall unit mix of the building within 30% of the unit mix percentage for each unit type. The table below provides two examples of permissible unit quantities in a 300-unit building which provides 6% Affordable Units (3% Middle Income and 3% Very Low Income Units):

	Total Building		Scenario One			Scenario Two		
Unit	Total	Unit	Quantity	%(max)	Relative	Quantity	%	Relative
Type	Quantity	Mix	AUs		Ratio	AUs	(min)	Ratio
Studio	45	15%	3	16.7%	+11%	2	11.1%	(-26%)
1bd	135	45%	9	50%	+11%	7	38.9%	(-14%)
2bd	90	30%	4	22.2%	(-26%)	7	38.9%	+30%
3bd	30	10%	2	11.1%	+11%	2	11.1%	+11%
Total	300	100%	18	100%		18	100%	

#### 3. Unit Size

The minimum gross floor area for Affordable Units shall be:

Studio/Efficiency: 350 square feet 1 Bedroom Unit: 500 square feet 2 Bedroom Unit: 650 square feet 3 Bedroom Unit: 850 square feet

If market rate units for a particular unit type in a project are smaller than the minimums listed above (i.e. a market rate micro-unit of 300 square feet), then the affordable units of that type may be the same square footage as the market rate.

In addition to the minimum square footages listed above, the minimum gross floor area for Affordable Units shall be no less than 80% of the minimum gross floor area for each market rate unit type in each particular project. The table below provides two examples of minimum permissible unit sizes within individual sample projects:

	Scenario One (Smaller Units)			Scenario Two (Larger Units)		
Unit	Market Rate	AU Unit	% of	Market Rate	AU Unit	% of
Type	Unit Size	Size	Market	Unit Size	Size	Market
	(min)	(min)	Rate	(min)	(min)	Rate
Studio	400	350	87.5%	500	400	80%
1bd	550	500	90.9%	650	520	80%
2bd	850	680	80%	900	720	80%
3bd	1,000	850	85%	1,200	960	80%

#### 4. Occupancy

The minimum and maximum occupancy levels for each unit type shall be:

Unit Type	<u>Min</u>	<u> Max</u>
Studio/Efficiency:	1	2
1 Bedroom Unit:	1	2
2 Bedroom Unit:	2	4
3 Bedroom Unit:	3	6

#### 5. Rental Rates

The rental rates for the Very Low Income units shall be 95% of the Housing Choice Voucher Payment Standard, to be master leased by the Housing Commission. There shall be no discount from these rent levels for utility allowances. A portion of the annual commercial payments to the CDHC housing fund of \$0.05/sf from new downtown commercial development shall be made available to the Housing Commission (as master lessee) to subsidize the utility costs of the tenants, at a level to be mutually agreed upon between CDHC and the Commission.

The rental rates for the Middle Income units shall be based on the Howard County median income (family of four), adjusted for household size, then adjusted at 80% of the median income, with the annual rent calculated at 30% of the income, less a utility allowance.

For example, in 2015, the following rent schedule would apply:

Median Income (family of 4): \$109,476

Unit Type	Occupancy	Household	Adjusted	Income	Annual	Monthly
	Base	Adjustment	Income	at 80%	Max Rent	Max
				AMI		Rent*
Studio/Eff	1.0	70%	\$76,633	\$61,306	\$18,392	\$1,533
1	1.5	75%	\$82,107	\$65,686	\$19,706	\$1,642
Bedroom						
2	3.0	90%	\$98,528	\$78,822	\$23,647	\$1,970
Bedroom		·	-			
3	4.5	104%	\$113,855	\$91,084	\$27,325	\$2,277
Bedroom						

\*The Monthly Maximum Rent for each unit type shall be charged regardless of the actual number of occupants. Does not include utility charges and service fees that are paid by the owner.

#### 6. Eligibility Income Limits

Middle Income Unit applicants shall be subject to maximum income limits by household size assuming the following household size adjustments to the median area income (at 80%):

1 person: 70% 2 persons: 80% 3 persons: 90% 4 persons: 100% 5 persons: 108% 6 persons: 116%

#### 7. Quantity of Bathrooms

The minimum number of bathrooms (including toilet, sink, shower or tub) for any affordable unit shall be:

Studio/Efficiency: 1
1 Bedroom Unit: 1
2 Bedroom Unit: 1
3 Bedroom Unit: 2

#### 8. Bedrooms

The minimum bedroom size shall be 100 square feet, subject to applicable code requirements.

#### 9. Unit Finishes

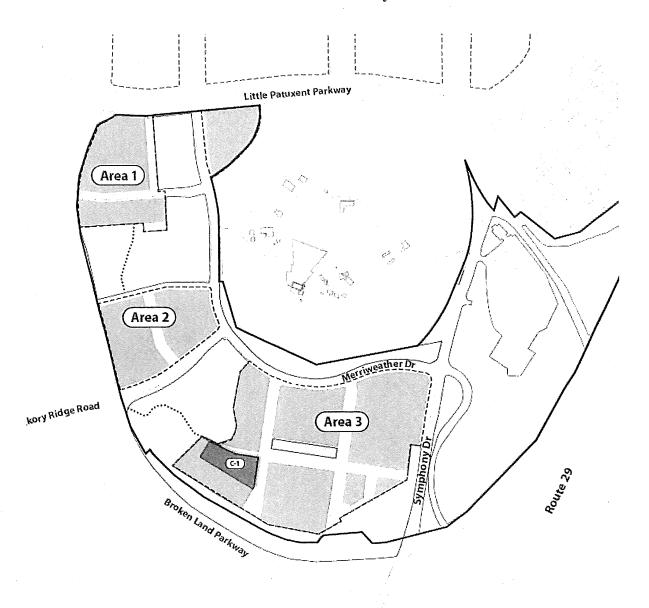

The unit finish packages (i.e. countertops, flooring, cabinetry, appliances, fixtures, etc.) shall be the same as one or more of the finish packages for the market rate units in the building.

Unit entries of affordable and market rate units shall be identical, such that an affordable unit is not discernible from a market rate unit in the building corridors.

#### 10. Additional Fees

Additional fees charged for market rate unit and affordable unit applicants and tenants shall be the same. Fees may include, but are not limited to: application fees, parking space fees, pet fees, storage space rental fees, amenity fees, guest passes (for pool use), lost key fees and amenity rental fees. Security deposit requirements are subject to applicant credit standing and income qualification.

# DOWNTOWN COLUMBIA DECLARATION OF COVENANTS MIDDLE INCOME UNITS

THIS DECLARATION OF COVENANTS ("Declaration"), made this day of 201, hereinafter set forth by Howard Research and Development Corporation,
owner (hereinafter referred to a "Declarant").
<b>NOW, THEREFORE,</b> Declarant hereby declares that the Property described hereinafter shall be held, sold and conveyed subject to the following covenants, conditions and restrictions:
<u>ARTICLE I</u>
Declarant and Howard County, Maryland, are Parties to a Development Rights and Responsibilities Agreement (Affordable Housing) which provides for the reservation of certain Affordable Units for rent within the residential properties being developed in the Downtown Columbia redevelopment in Howard County. One category of Affordable Units contemplated by such Agreement is those designated as "Middle Income Units."
Declarant is the owner of the Property set forth and described in <a href="Exhibit">Exhibit "A"</a> attached hereto. The units in the Property that are the subject of this Declaration of Covenants, and are hereinafter referred to as the Middle Income Units ("MIU"s) are the following units offered for lease and located in the property located at
ARTICLE II
For a period of forty (40) years commencing on the date of the first occupancy of any unit within each building located on the property encumbered by this Declaration, commencing as each building is occupied, or such other period as established by law (the "Restriction Period"), the MIUs and the improvements thereon and those that may subsequently be made to the MIUs must be leased to households comprised of individuals or families earning no more than eighty percent (80%) of the area median income of persons living in Howard County, Maryland, as published by ("Median Income Limit") The County shall monitor and notify Declarant and any subsequent owners of the Property which is subject to these Declarations of any revisions to the dollar amount of the Median Income Limit in order to assure compliance.
ARTICLE III

Declarant and any other lessor of the MIUs shall lease the MIUs to lessees who must agree to occupy the MIU as their primary residence during the Restriction Period. The Declarant and any

other lessors of an MIU, except for the Howard County Housing Commission and other housing development agencies or non-profit corporations approved by the County Executive, are not permitted to lease or rent the MIUs to other Parties during the Restriction Period. This restriction may be waived by the County to allow a temporary rental of the MIU for good and sufficient cause. Further, if the income of the lessee of an MIU exceeds the Median Income Limit in any year after a lease for such MIU is signed, the Declarant or any subsequent lessor of the MIU may continue to lease to such lessee a unit on the Property provided (i) the income of that lessee does not exceed one hundred percent (100%) of the area median income of persons living in Howard County, Maryland, for more than one year, or (ii) the Declarant or any subsequent lessor of the MIU either relocates such lessee to another non-restricted unit on the Property or subjects another unit on the Property to these Declarations.

#### ARTICLE IV

Declarant, its heirs, assigns, and successors, hereby irrevocably assigns, transfers, and conveys unto Howard County, Maryland, the Howard County Housing Commission, and to Columbia Downtown Housing Corporation all of its right, title, interest, or obligation to enforce and maintain in full force and effect, the terms, conditions, and requirements of this Declaration of Covenants.

#### ARTICLE V

Any of the Declarant, Columbia Downtown Housing Corporation, the Howard County Housing Commission, or Howard County, Maryland, may enforce these Covenants by a proceeding, at law or in equity, against any person or persons violating or attempting to violate intentionally or otherwise, any covenant or restriction herein contained, either to restrain any violation hereof or to recover damages or monies, or to proceed against the land or the MIUs to enforce any lien or obligation created by or resulting from these Covenants.

#### ARTICLE VI

These Covenants are binding upon the MIUs, upon the Declarant, the lessees and purchasers of the MIUs, upon the Declarant's and the MIU lessees' and purchasers' heirs, successors, and assigns, and upon all transferees and transferors of the title to the MIUs during the Restriction Period and until the fulfillment of all other provisions contained herein.

#### ARTICLE VII

The original deed of conveyance from the Declarant, its heirs, assigns or successors, and all subsequent transfers, assignments, and deeds of conveyance out by subsequent Purchasers of the MIU, must, during the term of these Covenants, be a two-party deed that contains conspicuous language specifically reciting that the MIU is subject to these Covenants, referencing the date of recordation of these Covenants among the land records of Howard County, Maryland, including the Liber and Folio reference. Notice must also be included in any contract of sale for an MIU that fully and completely discloses the rental restrictions and controls established herein. All subsequent purchasers of an MIU must likewise provide such notice in contracts of sale.

#### ARTICLE VIII

These Covenants cannot be terminated without the written consent of the County, the Howard County Housing Commission, and the Columbia Downtown Housing Corporation except by the expiration of the Restriction Period defined in Article II. A termination statement, executed by the County Executive of Howard County will be recorded among the land records of Howard County, Maryland.

#### ARTICLE IX

If any default occurs and is continuing, Howard County, the Howard County Housing Commission, or Columbia Downtown Housing Corporation may apply to any state or federal court having jurisdiction for specific performance of the Declaration of Covenants, for an injunction against any violation of this Declaration of Covenants, or for such other relief at law or in equity as may be appropriate and consistent with applicable requirements of the Declaration of Covenants. No remedy conferred upon or reserved to the County, the Howard County Commission, or Columbia Downtown Housing Corporation by this Declaration of Covenants is intended to be exclusive of any other available remedy or remedies, but each and every such remedy is cumulative and is in addition to every other remedy given under this Declaration of Covenants, existing at law or in equity. No delay or omission to exercise any right or power accruing upon any failure to perform under this Article will impair any such right or power or will be construed to be a waiver thereof. If, upon or after the occurrence of any default hereunder, Howard County, the Howard County Housing Commission, or Columbia Downtown Housing Corporation incurs expenses for the enforcement or performance or observance of any obligation or agreement on the part of others contained herein, Howard County, the Howard County Housing Commission, or Columbia Downtown Housing Corporation must be reimbursed upon demand by the party or Parties for reasonable expenses paid to third Parties.
