In reaching a decision, the arbitrator shall be guided by the standards used by the National Labor Relations Board in similar cases. The decision of the arbitrator shall be final and binding. The cost of the arbitration shall be borne equally by the County and the Union, except the costs incurred in presenting or defending the case to the arbitrator shall be borne by the side incurring the expense.

Section 1.3.- Probationary Employees.

Newly hired employees in classes covered in Section 1.2. above shall not be eligible for Union membership until they have successfully completed at least six months of a one-year probationary period. Additionally, at the completion of the initial six months of service, employees will be allowed to use accrued leave. All other aspects of a probationary period continue to apply. The Union shall have no right to bring a termination appeal on behalf of a probationary employee.

Once an employee executes an Authorization for Representation or Dues Authorization card, said employee shall continue to be a member of Local 3080 or pay a service fee. Section 2.9. - Change in Dues.

The County and the Union agree that if an employee within the bargaining unit reasonably believes that any meeting may lead to disciplinary action being taken against the employee, the employee shall be entitled to Union representation. The Union representative shall have the right to meet in private with the subject employee prior to the interview or fact-finding session, the right to clarify questions asked during the interview or fact-finding session, to give advice to the subject employee and the ability to provide additional information at the end of the interview or fact-finding session. The County reserves the right at its option, after five days' notice to the Union, to schedule grievance hearings during non-work hours.

Section 3.6.- Use of Bulletin Board.

The County agrees to provide a bulletin board to the Union for the purpose of allowing the Union to inform its membership of Union business. Such material shall not violate criteria generally applicable to the posting of notices on County property; furthermore, the Union agrees to provide copies of all notices being posted to the Director and the Personnel Officer.

Section 8.2. - Overtime.

All unit members will be paid overtime at the rate of time and one-half of their regular rate of pay for each hour, or fraction thereof, worked in excess of eight hours in any work day. Employees who are on military leave are eligible for overtime under this section.

Overtime shall be distributed on an equitable basis to qualified unit members whenever possible. When the Shift Leader recognizes the need for overtime staffing, he/she will make appropriate arrangements to ensure adequate staffing is provided using the following procedures:

- (a) The Shift Leader will determine which employees want to work voluntary overtime and establish a Voluntary Overtime Roster.
- (b) After the roster is completed, it will be the employee's responsibility to request the Shift Leader to add or delete their names from the roster.
- (c) When the need for overtime is determined in advance, first preference shall be given to on-duty shift personnel.
- (d) When the need for voluntary overtime is established two hours or more prior to the beginning of an on-coming shift:
 - (1) First preference shall be given to on-duty shift personnel.
 - (2) Second preference shall be given to off-duty personnel whose names are contained on the Voluntary Overtime Roster for the shift where the overtime is needed, where practical.
 - (3) Third preference shall be given to non-shift, off-duty personnel.

(e) In instances when voluntary overtime is offered and refused by personnel whose names are contained on the Voluntary Overtime Roster, such refusal shall count the same as if the employee had worked the overtime, for the purposes of roster record keeping.

(f) As an alternative to mandatory overtime, sergeants may work voluntary overtime to cover a post that is normally staffed by a corporal or correctional officer.

(g) As a final alternative to mandatory overtime, the Department may utilize contingent, certified correctional officers to fill required posts.

(h) Mandatory overtime will be utilized only as a last resort, and then, only after all other avenues have been exhausted. In this instance, the shift leader shall order on-duty staff to work the needed overtime on a mandatory basis. A Mandatory Overtime Roster shall be established and the names shall be listed, following in the same sequence as the Shift Leave Roster. The Mandatory Overtime Roster shall be posted in a conspicuous place. The ordering of on-duty personnel to work overtime shall be done on a rotating basis where practical. Mandatory overtime shall be distributed on an equitable basis, whenever possible.

(i) Refusal to work mandatory overtime when ordered by the shift leader shall constitute grounds for disciplinary action. Once the shift has begun on the shift where overtime is mandated, it shall be the responsibility of the on-duty shift leader to make a reasonable effort to have the employee, who was ordered to work, relieved within four hours, when feasible, if he/she wants to be relieved.

(j) Probationary employees may be utilized for overtime with prior approval of the Director or his/her designee on a case-by-case basis after ninety (90) days of employment.

(k) An employee scheduled to work overtime that is not contiguous to the employee's shift shall receive a minimum of three (3) hours pay.

(l) Employees working overtime on shifts that pay a shift differential shall receive the appropriate shift differential payment for all hours actually worked.

Section 8.4.- Inclement Weather.

(a) This Section applies to all shifts during a calendar day, from 12:01 AM to 11:59 PM when liberal leave is in effect on that day during business hours for County Employees because of inclement weather.

- (b) During the time as described above, an employee:
 - (1) Shall report to work no later than one hour after the scheduled reporting time in order to be considered present for the full work period. Any time over the one-hour period shall be deducted from the employee's annual, personal, or compensatory leave balance or, if no leave is available, charged as leave without pay; and
 - (2) Employees shall not be required to use personal vehicles to pick up employees during inclement weather.
- (c) During the time as described above, the County shall attempt to arrange transportation to and from work for employees who have difficulty traveling during a weather-related emergency. An employee who is provided transportation to work shall remain on pay status until the County provides transportation to, or within a reasonable distance from, the employee's home.

Section 8.5.- No Duplication or Pyramiding of Premium Pay.

There shall be no duplication or pyramiding in the computation of overtime or other premium wages and nothing in this Agreement shall be construed to require the payment of overtime more than once for the same hours worked. If more than one of the provisions of this Article shall be applicable to any time worked by a unit member, the unit member shall be paid for such time at the highest rate specified in any one applicable section, but the unit member shall not be entitled to additional pay for such time under any other section.

Section 8.6.- Uniform Service.

The Department shall provide a uniform service of up to an aggregate of \$32,000 per fiscal year and \$8,000 per quarter. Employees will be permitted to have three uniforms laundered weekly unless the cleaning budget for the quarter has been exceeded, in which case the number of uniforms permitted on a weekly basis will be reduced to two until such time as the total expenditures are within the allotted budget.

The cost of cleaning services for uniformed officers above the rank of Correctional Sergeant is not included in the quarterly review of expenditures. The quarterly review will be conducted by the Director or his/her designee, who will notify the Union if the quarterly budget has been exceeded and will provide to the Union, upon request, evidence of the actual expenditures.

The Department, in agreement with the union, may elect to issue uniforms which do not allow for dry cleaning.

Section 8.7.- Emergency Closing.

- (a) (1) Some unit members will be required to work during an emergency, which is defined as an unforeseen event or an event requiring critical action, that results in the closing of County Offices for normal business operations. However, in the event that the County simply delays opening of offices by 2 hours or less or closes offices early by 2 hours or less, employees required to work their regularly assigned duties during their regularly scheduled shift during the delayed opening or early closing will be paid their normal rate and not eligible for compensatory time.
- (2) If an emergency event occurs, the County Executive or Chief Administrative Officer shall declare, in writing, the date and time the emergency began and ended.
- (3) The declarations under paragraph (2) of this Subsection:
 - (i) Shall be only for the purpose of application of this Section; and
 - (ii) May be made retroactive or prospective.
- (b) An employee who is required to work during an emergency event under Subsection (a) of this Section shall be paid time and one-half for all hours worked during the event.
- (c) (1) Work under this section may potentially be performed outside of normal business hours.

- (3) When County Offices are closed for business for an emergency event, all hours worked during the closure shall be paid in accordance with Subsection (b) of this Section.
- (b) In the event that the County delays opening of offices by 2 hours or closes offices early by 2 hours or less, employees required to work their regularly assigned duties during their regularly scheduled shift during the delayed opening or early closing will be paid their normal rate and not eligible for compensatory time.

If the independent physician concurs with the opinion of the employee's doctor, the employee shall receive full salary for periods of authorized lost time up to one year from the date of injury, subject to all other provisions of Maryland Worker's Compensation Law. If the independent physician concurs with the opinion of the County approved medical provider that the employee can return to work, no benefits shall be payable.

If at any time during the course of the claim, the employer requests an independent medical exam in accordance with Maryland Worker's Compensation Law, the provision allowing for a third opinion will not apply.

The Personnel Officer may grant such leave when it is in the best interest of the County. An employee's eligibility for unpaid leave ends when the total amount of leave, paid and unpaid, including any FMLA leave, amounts to a consecutive year of absence. If an employee does not return to work after a consecutive year of absence, eligibility for an additional FMLA leave is not granted.
 - (1) **Reinstatement Rights** An employee who is granted unpaid leave, and who returns to work within four consecutive months or less of absence, will be reinstated in the merit system with all rights and privileges.

The County will guarantee re-employment in his/her current classification for a leave of up to ninety (90) days and to the extent possible reassign the individual to his/her exact former position. If during the 90-day period, the Director contemplates a staffing change, which may affect reassignment to the same position, the individual will be notified and given the option for an early return from leave of absence. For leaves of a greater period of time, the unit member may return to his/her regular classification or another classification provided that there is a vacant position and he/she meets the physical requirements and the current qualifications for that classification. ARTICLE 13 -DEFINITIONS

Discipline shall be defined as, written reprimands, suspension, demotion, forfeiture of accruals, fines, and termination.

ARTICLE 14- GRIEVANCE PROCEDURE

Section 14.1. - Scope.

This Article sets forth a grievance procedure, which shall apply and be limited only to questions concerning the interpretation or application of a specific provision of this Agreement. Grievances not covered by the scope of this Agreement may be filed in accordance with the Howard County Employee Manual.

Section 14.2.- Election of Remedies.

As an alternative to the grievance procedure set forth in this Article, and except for grievances related to suspension, demotion or forfeiture as defined in Section 14.4 below, a unit member may use the grievance procedure provided in the Howard County Employee Manual. A unit member may elect only one of these remedies, and by electing one procedure automatically waives the other.

Section 14.3.- Time Limitations.

A grievance covered by this Article must be presented promptly within ten (10) working days or two weeks after it arises and be processed in accordance with the following steps, time limits and conditions. The parties recognize that the prompt settlement of grievances is important to a sound and harmonious relationship between the Union, the County, and the unit members.

All grievances shall be presented at the first step of this grievance procedure by the aggrieved unit members or the Union within the time limitations contained herein or they shall be considered waived. If the County fails to give its answer to a grievance within the time limits set forth in any step, the Union and/or unit member may appeal the grievance to the next step at the expiration of such time limit.

The time limits prescribed herein may be waived by mutual agreement, in writing, by the parties hereto. A grievance not appealed within the time limits herein set forth shall be considered settled on the basis of the answer provided by the County at the last step of the procedure utilized by the Union or the unit member, which answer shall be final and binding upon the aggrieved unit member or the Union.

The parties may, by mutual agreement, waive certain steps and/or extend stated time frames. Such mutual agreement shall be reduced to writing and signed by the parties prior to the expiration of said time frames. In no event may waiver or extension of any time limit hereunder for presentation or appeal be implied by any action or inaction of the County or the Union.

Section 14.4.- Procedural Steps.

Step 1

The aggrieved unit member, with or without his/her Union representative shall meet with the lowest level County supervisor capable of resolving the grievance to present the grievance orally. If that supervisor lacks the authority to resolve the grievance, he/she shall refer the Union or the unit member to the appropriate member of management. The lowest level supervisor capable of resolving the grievance shall attempt to satisfactorily adjust the matter and reply to the unit member or the Union orally within five (5) working days of the presentation of the grievance.

Step 2

In the event that the supervisor's decision at Step 1 is not satisfactory to the unit member or the Union, the unit member or the Union may, within five (5) working days from receipt of that supervisor's answer at Step 1, present the grievance to the Director in writing on a form to be supplied by the County. All grievances concerning suspension, discharge or forfeiture shall begin at this step. The Director or his/her designee shall arrange to meet with the unit member and/or the Union within five working days after receipt of the grievance, and shall reply to the grievance in writing to the unit member and/or the Union within five (5) working days of the meeting.

Step 3

In the event that the Director's decision is not satisfactory to the unit member or to the Union, the unit member or the Union may, within five working days from receipt of the Director's decision at Step 2, present the grievance form to the Personnel Officer. The Personnel Officer or his/her designee shall arrange to meet with the unit member and/or Union within ten (10) working days after receipt of the grievance. The Personnel Officer shall reply to the grievance, in writing, to the unit member and/or the Union within ten (10) working days of the meeting.

Step 4

Any grievance that has been properly processed through the above procedure and has not been settled at Step 3 may, at the request of the Union, be appealed to binding arbitration. A grievance related to a suspension, demotion, termination, forfeiture of accruals or fines must proceed to Binding Arbitration. The Union shall serve written notice of its intention to proceed to binding arbitration upon the Personnel Officer within fourteen (14) calendar days of receipt of the Personnel Officer's decision at Step 3. The County and the Union may use the services of either the Federal Mediation and Conciliation Service or the American Arbitration Association. In any event, the arbitration shall be conducted in accordance with the rules of the American Arbitration Association. The Arbitrator shall have no authority to amend, alter or modify any provision of this Agreement or to limit, diminish or in any manner interfere with the authority of the County and its administration as provided by State law and/or County Charter. The written decision of the arbitrator shall be rendered within thirty (30) days after the hearing and shall be final and binding upon the aggrieved unit member, the Union and the County. The cost of arbitration shall be shared equally by the County and the Union except that costs incurred in presenting or defending the grievance to the arbitrator shall be borne by the side incurring the expense.

Section 14.5- Grievance Procedure.

Terminations shall go to binding arbitration, unless otherwise mutually agreed to by the Union and the County. Suspensions may go to binding arbitration or the Personnel Board. The employee must make a choice of grievance procedure or appeals procedure at the time the grievance is filed. The decision is irrevocable.

Section 14.6 - Class Action Grievances.

If such grievances affect a group or class of employees, involving two (2) or more employees, the Union may submit such grievances in writing to the Director. The processing of class action grievances shall commence at Step 2. The employee may elect to file an individual grievance and thus not participate in the Class Action Grievance.

Section 14.7. - Other Conditions.

If a unit member is given a directive by a supervisory authority, which he/she believes to be in conflict with a provision of this Agreement, the unit member shall comply with the directive at the time it is given and thereafter may exercise his/her right to grieve the matter. The unit member's compliance with such directive will not prejudice the unit member's right to file a grievance, nor will his/her compliance affect the resolution of the grievance.

The County may present a grievance to the Union, in writing, at Step 4 of this procedure provided that it has filed a notice of intent with the Union President. The notice of intent, outlining the details of the complaint, must be presented thirty (30) days prior to filing the demand for arbitration.

ARTICLE 15- PERSONAL CORRESPONDENCE AND REPORTS

Section 15.1. - Grievances.

When a grievance is filed and a date and time for a hearing is scheduled, the unit member and the Union President shall be notified. After the grievance has been heard at each level, the above named individuals will be notified of the decision.

Section 15.2. - Other Correspondence.

Unit members will be required to sign copies of all correspondence and reports provided them regarding counseling and possible disciplinary action. These documents will contain a statement indicating that their signature acknowledges receipt only and does not imply concurrence with its contents.

ARTICLE 16- PERSONNEL FILE

Section 16.1. - Unit Member Access.

The Personnel Officer and the Director of Corrections shall permit inspection of a unit member's official and departmental personnel files as provided by law. All personnel records shall be treated as confidential information. Office or the Department of Corrections. All items contained in such file shall be available for review and copy with the exception of outside confidential references relating to original employment or promotion.

Section 16.2.- Removal of Information.

Any correspondence related to disciplinary action may be removed from the unit member's personnel file if requested, in writing, by the unit member, provided two years have elapsed since the most recent entry. Any changes to the Howard County Employee Manual, which reduce time frames, agreed to in this Section will supersede the language of this Section.

Section 16.3. -Unit Member Additions.

Unit members shall have the right to respond, in writing, to any information contained in their personnel file, which will be kept in said file.

Section 18.2.- Work Standards- Trial Period.

When a unit member has been promoted and does not meet departmental work standards in the higher position, he/she may be demoted prior to the end of the trial period, without prejudice, to a position in a class equal to the same pay level held prior to promotion. In such cases, his/her pay shall be restored to the rate, plus general pay plan changes, in effect as though the promotion had not been granted.

Section 18.3. -Demotions.

In such cases, an effort shall be made to place the unit member being demoted in a vacant position so as not to interfere with those promotions, which were made possible by his/her promotion. A unit member who is selected and promoted to a vacant or newly created position and is rejected due to his/her inability to carry out the responsibilities of the new position, shall be assigned to a vacant or newly created position by the appointing authority, subject to Personnel Officer approval, at the same pay level held prior to promotion, plus general pay plan

Further updating of the Policy may occur during this Agreement and the Union will be informed of the changes contemplated so that the Union may give its input prior to any changes that are to be made. In the event of a violation of this Article, the Union shall, immediately upon learning of such activity, publicly disavow such action by the unit members and shall so advise the County and the unit members involved in writing.

In the event of any violation of this Article, the County Executive may, in addition to any other remedy or right of the County, take any or all of the following action he deems necessary in the public interest:

- (a) Imposition of disciplinary action, including removal from County service, of unit members engaged in such illegal conduct;
- (b) Termination of the Union's dues deduction privilege, if any;

- (c) Revocation of the Union's exclusive representation certification and disqualification of the Union from participation in representation elections for a period of up to a maximum of two years.

Any grievance involving disciplinary action against a unit member charged with a violation of this Article shall be limited to the question of whether such a violation occurred.

The purpose is to give the Council a comprehensive assessment of the differences between the collective bargaining agreement negotiated with these employees and the County's personnel provisions.
