Except as expressly stated herein, the County makes no representation or warranty, express or implied, as to the nature or condition of the Leased Premises or its Personal Property. Lessee represents that it has examined and is fully familiar with the physical condition of the Leased Premises, the improvements thereon, and the County's Personal Property, and shall accept the Leased Premises and Personal Property without recourse to the County, "**AS IS**", in the condition and state in which it is in on the Effective Date, except as expressly provided otherwise in this Lease.

(c) Loan Contingency. Thirty (30) days prior to Commencement of this Lease, Lessee shall provide the County with a Loan Commitment from a nationally recognized banking institution. This Lease is expressly contingent upon Lessee's ability to obtain a commitment and funding

for a loan sufficient for Lessee to fulfill its obligations under Section 4(a) with respect to the Debt Retirement Amount (the "Loan") on terms acceptable to Lessee (the "Loan Contingency").

(d) Notice of Expiration Not Required. Notwithstanding the provisions of law or any judicial decision to the contrary, the Initial Term shall expire on the date herein provided without notice being required from either party.

3. Renewal Option. Intentionally Deleted.

4. Lease Fees and Other Requirements.

(a) Initial Payment. Within five (5) business days following the Commencement Date, Lessee shall deposit an amount equal to the Lessee Debt Retirement Contribution (as defined below) with Wells Fargo Bank as escrow agent (the "Escrow Agent") according to the terms of an escrow acknowledgement and consent agreement which will indicate the Escrow Agent's responsibility to apply the Lessee's deposit solely toward retiring the Revenue Note Retirement Amount (as defined below). As used herein, the "Lessee Debt Retirement Contribution" shall be an amount equal to the total amount required to retire the County's Taxable Golf Course Refunding Revenue Note (Timbers at Troy Golf Course), Series 2012 (the "Revenue Note") currently held by PNC Bank (the "Revenue Note Retirement Amount"), less any accrued interest, prepayment or other similar early payment fee, charge or penalty (if any, all of which shall be the responsibility of the County) as of the Commencement Date as such Lessee Debt Retirement Amount shall be mutually determined by the parties in good faith, provided, however such amount shall in no event exceed the Revenue Note Retirement Amount. "**Gross Revenue**" shall mean all monthly receipts related to or derived from the operation of the Leased Premises from cash or credit transactions recognized during the Initial Term, computed on an accrual basis, including, but not limited to, annual pass/card sales, driving range fees, outing cash sponsor donations, room rentals, greens fees, cart rental fees, guest fees, income derived from the investment of Gross Revenues, the amount of all sales (wholesale or retail) of food, beverages, goods, wares, or merchandise on, at, or from the

Leased Premises, or for services of any nature performed on, at, or from the Leased Premises, determined in accordance with generally accepted accounting principles applied on a consistent basis. Gross Revenues shall be reduced by any refunds, rebates, discounts, and credits of a similar nature given, paid, or returned by Lessee or County in obtaining such Gross Revenues.; provided however, Gross Revenue does not include the following:

- (v) The actual uncollectible amount of any charge or credit account (commonly referred to as bad debts) incurred by Lessee for the sale of merchandise or services; provided that Lessee has used reasonable efforts to collect such amount;
- (vi) Receipts in the form of refunds from or the value of merchandise, supplies or equipment to the shippers, suppliers, or manufacturers;
- (vii) The amount of any cash or quantity discount or rebates received from sellers, suppliers, or manufacturers;

Lessee is required to submit an annual Gross Revenue budget to the County no later than January 1st of each year during the term for the following Calendar Year. Within sixty (60) days after the end of each Calendar Year, Lessee shall submit a Gross Revenue statement from all categories of income to include Gross Revenues and Other Revenues for the past year's operation that will be subject to audit by the County. Lessee shall maintain cash handling and revenue control systems to ensure the accurate and complete deposit and recording of all revenues, in a format that is in accordance

with generally accepted accounting principles and as acceptable to the County. Lessee will maintain accounting books and records in accordance with generally accepted accounting principles as applied to similar enterprises. .

(g) Books, Records and Right to Audit. Lessee and its subcontractors shall maintain all books, documents, papers, accounting records and other evidence for the purpose of determining the accuracy of Gross Revenues of the Leased Premises and shall make such materials available during the term of this Lease and for three (3) years from the date of each applicable Annual Lease Fee payments due to County under this Lease, for inspection and/or audit by the County upon three (3) days prior written notice to Lessee. Such inspection and/or audit shall take place at the Leased Premises at reasonable times and during normal business hours and County shall use its best efforts to not cause any disruptions in the operations of the Leased Premises in connection with such inspections and/or audits.

(h) Capital Improvements:

- Definitions.

“Capital Improvements” shall mean improvements, and/or replacement of the buildings, golf course, practice facilities, clubhouse, pro shop, food and beverage facilities, maintenance facilities, fixed and other equipment, irrigation and other systems, which, (i) have a per-occurrence aggregate cost of \$1,000 or more, and (ii) have an expected useful life of greater than one year. Notwithstanding the foregoing, Capital Improvements shall not include Turf Equipment

“Construction Phase” shall mean any applicable period during which Lessee has engaged a third party to make any Capital Improvement as provided in the Lease or as otherwise mutually agreed by the parties.

“Minor Capital Improvement” shall mean a Capital Improvement with a cost less than \$35,000.

“Major Capital Improvement” shall mean a Capital Improvement that is not Minor Capital Improvement.

“Purchased Equipment” shall mean any fixed or moveable equipment purchased or leased for use at the Leased Premises other than Turf Equipment

“Turf Equipment” shall mean golf course maintenance equipment purchased or leased during any calendar year of the Term for use on the golf course at the Leased Premises.

- Lessee Financial Responsibility.

Minor Capital Improvements

Except as otherwise provided below, each calendar year during the Term, Lessee shall be responsible for the costs incurred for Minor Capital Improvements made during such calendar year up to an amount equal to three percent (3%) of Gross Revenues of the preceding year (the “Aggregate Minor Capital Improvement Funding Commitment Amount”). The parties agree that any amount spent by Lessee in any applicable calendar year in excess of the Turf Equipment Funding Commitment (as set forth below) up to a cap of \$25,000

shall count toward attainment of the Aggregate Minor Capital Improvement Funding Commitment Amount.

If in any year the amount of actual spending for Minor Capital Improvements is less than the Aggregate Minor Capital Improvement Funding Commitment Amount, then such shortfall amount shall be rolled over into the next year and the Aggregate Minor Capital Improvement Funding Commitment Amount shall increase accordingly. Additionally, Lessee may apply any amounts spent over the Aggregate Minor Capital Improvement Funding Commitment Amount in a year to lower the Aggregate Minor Capital Improvement Funding Commitment Amount in future years.

For example, assuming that in a year with an Aggregate Minor Capital Improvement Funding Commitment Amount of \$100,000 the actual amount spent by Lessee on Minor Capital Improvements for such year was \$90,000, then \$10,000 would be added to the next year's Aggregate Minor Capital Improvement Funding Commitment Amount. If instead of a shortfall, the Lessee spends an amount that is \$10,000 in excess of the Aggregate Minor Capital Improvement Funding Commitment Amount, then Lessee may apply that \$10,000 excess amount to reduce the Aggregate Minor Capital Improvement Funding Commitment Amount in future years.

The Aggregate Minor Capital Improvement Funding Commitment shall not apply to the first calendar year during the Term, provided, however, any amounts spent by Lessee on approved Capital Improvements during such first calendar year shall serve to reduce the Aggregate Minor Capital Improvement Funding Commitment applicable to the second calendar year.

Purchased Equipment:

All Purchased Equipment shall be the property of the County at the expiration or earlier termination of the Lease.

Purchased Equipment does not include inventory purchased by Lessee for sale on the Leased Premises or movable equipment purchased by Lessee for use on the Leased Premises that is not a part of Capital Improvements, including Turf Equipment.

Beginning on January 1 of the Calendar Year following the Commencement Date, and continuing on January 1st of each year thereafter during the Lease Term, Lessee shall provide the County with a report which provides, (1) a list of all Purchased Equipment and Turf Equipment acquired during the previous Calendar Year including the purchase price; (2) a copy of the receipt and warranty for each such purchase; and (3) a list of any repairs, restoration, or major maintenance performed for each item of Purchased Equipment and/or Turf Equipment. Lessee shall not sell or dispose of any Purchase Equipment during the Lease Term without the written consent of the County.

Turf Equipment

During each calendar year during the Term, Lessee commits to making up to \$75,000 in aggregate lease payments for Turf Equipment (the "Turf Equipment Funding Commitment").

Lessee shall be responsible for all aspects of procuring Turf Equipment, including the selection and contracting therefore.

Upon the expiration or earlier termination of the Lease, Turf Equipment shall remain the property of the Lessee except as may otherwise be agreed by the parties in writing. .

Lessee shall be responsible for all snow removal and salting of the facility.

Lessee shall be responsible for keeping a journal of all non-routine maintenance where the cost of which exceeds \$5,000. If Lessee refuses to properly carry out any maintenance or repair as required to the reasonable satisfaction of the County, the County may, but shall not be obligated, upon ten (10) days prior written notice (except in the case of emergency) perform such maintenance, repair and replacement without being liable for any loss or damage that may result to Lessee's merchandise, fixtures or other property except loss or damage resulting from the County's gross negligence or willful or intentional action; and Lessee shall pay to the County within thirty (30) days of the date of an invoice from the County, the County's cost relating to any such maintenance, repairs and replacements, plus interest at the rate of five percent (5%) per annum. Lessee agrees that the performance of any maintenance, repair and replacement by the County pursuant to this Section is not a re-entry or a breach of any covenant for quiet enjoyment contained in this Lease. Should Lessee fail to reimburse the County for such costs, said costs shall constitute a lien against the property of Lessee. Lessee's reimbursement obligations shall survive the expiration or early termination of this Lease.

Lessee's Other Expense Obligations:

Except as otherwise provided in this Lease, Lessee shall be responsible for all other expenses and costs associated with the operation and use of the Leased Premises including without limitation, grounds maintenance, staffing, marketing, advertising, supplies, food and beverage inventory, pro shop inventory, golf course inventory, room rental inventory, supplying all equipment used in the operation of the golf facility including golf carts, maintenance vehicles, and equipment, reservation system, and all other expenses and costs described in this Lease. Within five (5) business days prior to the Commencement Date, Lessee and County shall develop and agree upon a list of saleable pro shop inventory. Structural repairs include without limitation those items that meet the definition of structural framing including columns and girders, trusses, beams and spandrels which directly connect to the columns, masonry block foundations, and all other members necessary to the stability of the building

The County shall convey to the Lessee all existing maintenance equipment on the Leased Premises, as set forth in the attached Schedule 1, upon the date of execution of this Lease

- Capital Improvements General Terms

All Capital Improvements shall become the property of the County, at the expiration or earlier termination of the Lease. County shall assume all lease obligations outstanding at the expiration or earlier termination of the Lease for any Capital Improvement procured by Lessee via lease but which the parties mutually agree in writing will be owned by County upon termination or expiration of the Lease.

County shall be responsible for all aspects of performing approved Capital Improvements including without limitation, planning, pulling permits, installation, construction and contracting.

All Capital Improvements on the Leased Premises shall comply with all federal, state, and local laws, as well as governmental approvals and permits. All Capital Improvements shall be completed in such a manner so as to create a minimum amount of interference with golf course availability to customers.

All Capital Improvements need mutual agreement by Lessee and County, which approval shall be provided in good faith and not unreasonably delayed or denied.

In the event of a dispute between the parties regarding a proposed Capital Improvement, the parties agree to work in good faith for a period of thirty (30) days to resolve such dispute. If, after such period, the parties are not able to agree upon a resolution, then such matter shall promptly be referred to a mutually agreed upon third party with relevant expertise appropriate to render an informed decision regarding the Capital Improvement that is the subject of the dispute (the "Expert"). Such Expert shall be requested to render a decision within thirty (30) days and any such decision of the Expert shall be final and binding on the Parties, unless the parties otherwise mutually agree in writing. The County shall have sixty

(60) days to review, comment and approve (or reject) such submittal, unless such approval must be obtained from the County Council.

Prior to commencing construction of any Capital Improvements in excess of [\$5,000] where Lessee intends to use an outside non-affiliated third party contractor, Lessee shall obtain and provide the County with a copy of payment and performance bonds in compliance with Section 4.127(b) of the Howard County Code, as amended.

Lessee will be required to retain a professional Maryland State-licensed/registered engineer, architect or landscape architect for design and filings of proposed Capital Improvements and to oversee any Capital Improvement projects which involve structural alterations to existing or new buildings. This supervising architect or engineer will be required to ensure that all construction conforms to the plans approved by County's Department of Planning and Zoning. Upon completion of any Capital Improvements to the premises Lessee shall provide the County with "as built" plans.

(k) Prorations. County and Lessee shall pro-rate certain assets and liabilities of the Leased Premises as of the Commencement Date. In connection therewith, the financial books and records of the Leased Premises shall be closed as of 11:59 p.m. on the day immediately preceding the Commencement Date and the parties shall determine the amount due to or from the Lessee (the "Proration Amount"), taking into account all income received prior to such time, receivables, accruals, prepaid items and advance deposits. The Lessee shall acquire the merchandise and food & beverage inventories and will assume the prepaid insurance as of the Commencement Date. The Lessee shall receive credit for any accrued and unpaid sales taxes, payroll, payroll taxes and other employee liabilities as well as any outing or other advanced deposits. Such surety bond shall be renewed on an annual basis by Lessee and the commitment to provide a surety bond shall remain in effect for the duration of the Initial Term, and shall insure performance of all terms of the Lease by Lessee.

Lessee agrees to keep all accumulated trash in covered containers to have same removed regularly from the Leased Premises. Lessee shall not burn any materials or trash of any description upon the Leased Premises. Lessee agrees to remove all yard waste and debris from the Leased Premises. Dumping of yard waste shall be in a mutually agreed upon area and is not permitted in the natural areas of the Leased Premises. All refuse and accumulated trash in covered containers shall be removed from the Leased Premises by the County before the first day of the Term.

(c) Golf Fees and Other Fees and Pricing. Throughout the Term, all prices charged, including green fees, cart fees, driving range fees, merchandise prices, food and beverage prices will be posted on the Leased Premises at those locations customary for daily-fee golf courses. Lessee contemplates that as of the Effective Date, green fee and cart fee pricing shall be as set forth on Exhibit H ("Golf Rates"). Throughout the term hereof, Lessee may modify fees and pricing in its sole discretion, including establishment of new periods, classifications and categories as it deems necessary and appropriate for the effective operation of the Leased Premises.

(d) Reservation System. Lessee shall use a convenient Internet tee time reservation system with comparable customer service benefits to systems offered with the local/regional market for the reservation of tee times at the Timbers at Troy Golf Course. In lieu of paying fees for use or participation in the system, Lessee may provide to the company that operates the reservation system compensation in the form of up to two non-peak tee times of golf per day at Timbers of Troy Golf Course. Nothing in this Section limits or waives Lessee's compliance with the other provisions of this Lease, including but not limited to payment of the Annual Lease Fee. Any free rounds of golf provided by Lessee under this Section are not part of Lessee's Gross Revenues under this Lease.

(e) Coordination Provided by County. County shall designate a Representative who will, on behalf of the County, coordinate with Lessee and administer this Lease according to the terms and conditions contained herein and in the Exhibits hereto. It shall be the responsibility of Lessee to coordinate with the designated County's Representative to the extent provided herein. The County's Representative shall be the Director of Recreation and Parks, or his designee.

(f) Liquor License. Lessee shall obtain and maintain a liquor license from Howard County, Maryland in order to sell alcoholic beverages on the Leased Premises. All Lessee staff handling the distribution of alcoholic beverages must meet the Howard County Liquor Control Board's mandated training requirements and all other applicable laws governing the sale of alcoholic beverages on the Leased Premises.

(g) Marketing and Advertising. Lessee shall market and advertise the Leased Premises as provided in Lessee's Proposal, and as required by the RFP.

The County and Lessee shall meet on at a minimum of one (1) time per month each year at dates and times mutually agreed to review course conditions, general maintenance conditions and discuss any issues affecting the course and prioritize corrective actions as needed.

(i) Annual Personal Property Report. Beginning on January 1, 2018 and continuing on January 1st of each year, Lessee shall provide the County with a report which updates the list of Personal Property set forth in Exhibit B for the previous Calendar Year; and (2) any repairs, restoration, or major maintenance costing \$5,000 or more which are performed for each item of Personal Property during the previous Calendar Year. .

6. Taxes. The Lessee will be required to pay all taxes applicable to the operation of the golf facility. Gross receipts shall exclude the amount of any federal, state or county taxes that are paid by the Lessee against its sales. County represents that property taxes for the Premises for the most recent annual period were approximately \$8,000. The parties acknowledge and agree that they will work together in good faith to make any necessary adjustments to maintain the economics of this Lease arrangement in the event of any increase in such property tax amount during the Term that is significantly above the past rate of increase over the past five (5) years.

8. Laws, Ordinances and Regulations. Except as otherwise provided herein, Lessee shall comply, at its sole expense, with all present and future laws, including without limitation, laws, ordinances and regulations of the Federal government, State of Maryland, Maryland Department of Natural Resources, and the County. Notwithstanding the foregoing, the County shall be responsible for compliance with the Americans with Disabilities Act with regard to the buildings and structures that exist as of the Effective Date. Lessee shall make no illegal, unlawful, or unsafe use of the Leased Premises, nor shall Lessee use the Leased Premises for any purpose that is hazardous, or which constitutes a nuisance. Lessee shall comply with all regulations including those with respect to health, sanitation, and use of pesticides, insecticides, and herbicides. Lessee shall comply with all laws regarding its repair and maintenance of the Leased Premises. Lessee and the County shall forward to the other party any notice from any governmental entity with respect to the Leased Premises. Lessee and/or the County, may, in good faith, dispute the validity of any complaint or action taken, may defend against same, and in good faith diligently conduct any necessary proceedings to prevent and avoid any adverse consequences. Lessee agrees that any such contest shall be prosecuted to a final conclusion as speedily as possible, and shall indemnify and save harmless the County, including the payment of the County's attorney's fees, with respect to any actions taken by any governmental authorities resulting from Lessee's illegal, unlawful, or unsafe use of the Leased Premises.

9. Signage. In accordance with the Howard County Code, the County hereby authorizes Lessee to place signs, in a form approved by the County, on the perimeter, exterior and interior of the Leased Premises, including without limitation, on-course signage. Such signs must pertain to the use, maintenance, and/or operation of the Leased Premises, to any events or activities lawfully conducted on the Leased Premises, or be way-finding in nature. The County may place signs or other banners that acknowledge the establishment, ownership and/or names of the current elected officials, however, all such signs shall not be political in nature. The parties agree that such signs may not conflict with or interfere with Lessee's duties under this Lease.

10. Utilities and Maintenance.

(a) Utilities.

(i) Lessee shall pay the cost of water, sewer, storm water fees, gas, electricity, fuel, light, telephone, and all other utilities or services furnished to the Leased Premises or used by Lessee in conjunction therewith. Such cost shall include water and sewer charges assessed by the County for usage and shall be at market rates. Notwithstanding the foregoing, the parties acknowledge and agree that the Wells (as defined in Section 1(b)(vii)) are currently used as a water source for irrigation of the golf course on the Leased Premises and County hereby authorizes Lessee to continue to use the Wells for such irrigation during the Term.

(ii) Lessee shall pay all fees associated with the purchase of public utility supplies, water and any other costs for water usage that may be legally binding for such water usage, for irrigation or other uses including potable uses, as may be imposed by the County, state or federal governments, commissions or authorities.

(iii) Lessee shall contract directly for trash collection services which will be billed directly to and paid by Lessee. Lessee shall provide all dumpsters on the Leased Premises. Lessee hereby agrees not to place hazardous or toxic substances or materials in the trash collection facilities, wastewater or sewage systems.

11. Liens.

(a) Lessee shall not directly or indirectly create or permit to be created or to remain, and shall discharge, any mortgage, lien, security interest, encumbrance or charge created, caused, suffered or permitted by Lessee with respect to the Leased Premises or any part thereof, other than liens for impositions not yet payable.

(b) Lessee shall (a) immediately after it is filed or claimed, have released and discharged (by bonding or otherwise) any mechanic's, material man's or other lien filed or claimed against any or all of the Leased Premises, or any other property owned or licensed by County, by reason of labor or materials provided for Lessee or any of its contractors or subcontractors, or otherwise arising out of Lessee's use or occupancy of the Leased Premises, and (b) defend, indemnify and hold harmless County against and from any and all liability, claim of liability or expense (including, without limitation, reasonable attorneys' fees) incurred by County on account of any such lien or claim caused by Lessee. Lessee shall satisfy and discharge any judgment entered therein within thirty (30) days from the entering of such judgment by payment thereof or filing a bond or otherwise; and on demand shall pay all damages, costs and expenses, including reasonable attorneys' fees, suffered or incurred by the County in connection therewith. Nothing in the provisions of this Lease shall be deemed in any way to give Lessee any right, power or authority to contract for or permit to be furnished any service or materials which would give rise to the filing of any mechanics' or materialmen's lien against County's estate or interest in and to the Leased Premises, it being expressly agreed that no estate or interest of County in and to the Leased Premises shall be subject to any lien arising in connection with any alteration, addition or improvement made by or on behalf of Lessee.

(c) Nothing contained in this Lease shall constitute any consent or request by the County, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Leased Premises or any part thereof, nor as giving Lessee any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in any fashion that would permit the filing or making of any lien or claim against the County or the Leased Premises.

12. Quiet Enjoyment. The County covenants and agrees that Lessee, upon paying the Annual Lease Fee of 3% of gross revenue, and performing the covenants herein required, shall and may peaceably and quietly hold and enjoy the Leased Premises for the term aforesaid subject, nevertheless, to the terms of this Lease.

13. County's Right to Inspect and Enter. The County shall have the right, at reasonable times and with reasonable notice during the term of this Lease (or at any time in the event of an emergency), to enter the Leased Premises for the purpose of examining or inspecting same. Quarterly inspections will be made by the County staff to confirm that Lessee is performing its maintenance obligations in accordance with Section 4(h)(ii) "Lessee's Obligations of Maintenance and Repairs" hereof.

14. Fire or Casualty.

(a) In the event that the Leased Premises, or any portion thereof, is damaged or destroyed by fire or other casualty (a "Casualty"), which is as a result of a negligent or intentional act of Lessee, Lessee shall restore the Leased Premises, and any part thereof, to substantially the same condition as existed prior to such damage or destruction; provided that if the Casualty (a) is not as a result of a negligent or intentional act of Lessee, and (b) causes damage to the Leased Premises that would require closing the operations for more than six (6) months or cost more than five hundred thousand dollars (\$500,000) to repair, Lessee shall have the right to terminate this Lease by giving the County written notice within thirty (30) days of the Casualty. If Lessee is obligated to restore the Leased Premises, the Annual Lease Fee during such period shall be tolled and Lessee shall be obligated, at its sole cost and expense, to diligently commence and expeditiously pursue the repair of such damage so as to restore the Leased Premises to substantially the same condition as existed prior to such damage or destruction.

In the event that the Leased Premises, or any portion thereof, is damaged or destroyed by a Casualty which is not the a result of a negligent or intentional act of Lessee, County shall restore the Leased Premises, and any part thereof, to substantially the same condition as existed prior to such damage or destruction; subject to Lessee's right to terminate as provided above. If County is obligated to restore the Leased Premises as set forth above, the Annual Lease Fee during such period shall be tolled and County shall be obligated, at its sole cost and expense, to diligently commence and expeditiously pursue the repair of such damage so as to restore the Leased Premises to substantially the same condition as existed prior to such damage or destruction.

In all cases where a Casualty loss is covered by property insurance, the insurance proceeds shall be used to finance repairs to the Leased Premises without regard for the cause of the loss or the party responsible for restoring the Leased Premises. Exceptions may be made by mutual agreement of the parties.

(b) If Lessee elects to terminate this Lease, in accordance with Section 14(a), the County shall be entitled to all of the proceeds of any insurance policies covering the casualty. Lessee's obligations under this Section 14 shall survive the termination of this Lease.

15. Condemnation. If any material part of the Leased Premises is taken by eminent domain or condemnation or voluntarily transferred to such authority under the threat thereof, this Lease shall not terminate automatically, but Lessee may, at its sole option, terminate the Lease by giving written notice to County within forty-five (45) days after the taking. So long as the Lease is not terminated, on the date of such taking, the Annual Lease Fee will be abated in proportion to the impairment of the use that Lessee can reasonably make of the balance of the Leased Premises, it being expressly acknowledged by both parties hereto that the successful operation of the Leased Premises requires a fully operational clubhouse, practice facility, and 18 playable golf course holes. If the Leased Premises are damaged, or if access to the Leased Premises is

impaired by reason of such taking, and Lessee elects not to terminate this Lease as provided herein, County will promptly rebuild or repair the damage to the extent possible within the limitations of the available condemnation award made to the County. The parties hereby agree that, upon condemnation of part or all of the Leased Premises, Lessee shall be entitled to receive compensation equal to the amount that it would be entitled to receive as a tenant with full rights to diminution in the value of its leasehold estate, including but not limited to the cumulative Capital Improvements expended between January 1, 2017 and the date of condemnation, less depreciation.

16. Assignment and Sub-Lease.

Except as otherwise provided herein, Neither party shall transfer, hypothecate, mortgage, pledge, assign or convey its interest in the Lease or sublet or, in the case of Lessee, give a license for the Leased Premises or any part thereof without the prior written consent of the other, which consent shall not be unreasonably withheld or delayed. If the Lease is assigned or subleased, Lessee shall continue to be responsible for all obligations under this Lease unless the parties expressly agree otherwise in writing. The foregoing restrictions shall not apply to Lessee's use of third parties for catering services or the services of golf professionals for golf instruction.

17. Holdover. Any holding over by Lessee after the expiration or early termination of this Lease shall be construed as a tenancy at sufferance (unless such occupancy is with the written consent of the County) in which event Lessee will be a tenant from month to month, upon the same terms and conditions of this Lease. During the holdover period, Lessee shall pay 150% of the Annual Lease Fee in effect for the Calendar Year preceding such holdover, which shall be considered damages caused by the holdover, as well as all other fees required by this Lease. Acceptance by the County of monies after such expiration or early termination shall not constitute a renewal. During the holdover period, all other terms of this Lease shall remain in full force and effect.

18. Insurance, Indemnification, Waiver and Safety Requirements.

(a) Indemnity. See Exhibit I "Insurance, Indemnification, Waiver and Safety Requirements".

(b) Insurance Required of Lessee. As of the Effective Date hereof and throughout the Initial Term, if any, Lessee shall provide and maintain insurance in accordance with Exhibit I "Insurance, Indemnification, Waiver and Safety Requirements".

19. Access and Operation. Lessee shall have access to the Leased Premises at all hours of the day or night. Lessee understands and agrees that County shall have no duty to provide security services to Lessee or the Leased Premises. Lessee shall provide and maintain procedures and systems to ensure the security of the golf course and the clubhouse, including but not limited to, a fire and burglar alarm system, as well as a carbon monoxide alarm connected to the County Police Department or other Alarm monitoring company capable of notifying the County Police Department.

20. Default and Termination.

(a) Events of Default. The following shall be deemed events of default ("Event of Default"):

- (i) Lessee shall fail to make payment of the Annual Lease Fee or any other fees, charges or expenses herein to be paid by Lessee when same becomes due and payable, and to cure such failure within ten (10) days after written notice of the failure from the County;
- (ii) Either party shall fail to perform any of the material terms, covenants, conditions, or provisions of this Lease (other than Lessee's requirement to pay the Annual Lease Fee or any other fee, charge or expense required to be paid as set forth above), and to cure such failure within thirty (30) days (or such later time as may be determined in the sole and absolute discretion of the non-breaching party), after written notice of the failure from the other party;
- (iii) *[Intentionally omitted]*;
- (iv) Lessee shall not have the golf course, pro shop or food and beverage service closed for business during the period of April 1st through November 1st during the Initial Term or Renewal Term(s), weather permitting, for longer than five (5) consecutive days, except as provided in Sections 27,
- (v) Lessee shall file a voluntary petition under any bankruptcy, or insolvency law,
- (vi) An involuntary petition is filed against Lessee under any bankruptcy or insolvency law and Lessee fails to obtain the dismissal of such proceeding within ninety (90) days of the commencement date,

(a) This Lease may terminate, after an Event of Default has occurred as follows:

- (i) The Events of Default provided in Paragraphs 20(a), (v), (vii), and (viii) Have no cure period, and therefore, the County shall have the right, in its sole and absolute discretion, to terminate this Lease on the date the County has notice of the occurrence of such Events of Default.
- (ii) If a party does not cure the Events of Default provided in Paragraphs 20(a)(i), (ii) or (vi) in the time periods provided, then the non-breaching party shall have the right, in its sole and absolute discretion, to terminate this Lease at midnight of the last calendar day of the time limit imposed.

(b) Upon the expiration or early termination of this Lease, Lessee shall quit and peacefully surrender the Leased Premises within seven (7) days, in good repair, without any payment by the County, without further notice, and without institution of legal proceedings. Except as provided herein, Lessee shall pay County for any unpaid portion of the Annual Lease Fee, and any other monies due and owing up to the date of expiration or early termination. Lessee's obligation to pay any monies required by this Lease shall survive the expiration or early termination of this Lease. Lessee shall deliver upon the Leased Premises, the County's Personal Property, and all Capital Improvements made during the Initial and Renewal Term(s) (at the County's option), and all equipment which was on the Leased Premises in as good order and condition as when Lessee took possession, except for ordinary wear and tear, loss by fire or casualty, or loss by and cause beyond Lessee's control. Lessee shall have the right to remove its personal property at any time prior to or at the expiration or early termination of the Initial Term of the Lease, including but not limited to, concession and pro shop inventory, and other items that are not the County's Personal Property, or Capital Improvements during the Initial and Renewal Term(s) to include fixed equipment and movable equipment which the County wishes to retain. If any personal property is removed by Lessee, such property shall be

removed without substantial injury to the Leased Premises and Lessee shall restore the Leased Premises to as good a state of repair as it was prior to the occupancy, reasonable wear and tear excepted. No injury shall be considered substantial if it is promptly corrected by restoration to the condition existing prior to the installation of such property, to the reasonable satisfaction of the County. Lessee shall leave the Leased Premises in a clean and neat condition. Notwithstanding the foregoing, all improvements and fixtures that are incorporated into the structure of the Leased Premises (whether such improvements and fixtures were constructed during the Initial Term), shall remain on and be surrendered with the Leased Premises and become the property of the County without costs to the County.

(c) County's Remedies on Termination. The County shall have the right and option upon the expiration or early termination of the Lease to re-enter the Leased Premises, expel Lessee or anyone claiming right through it, by force or otherwise, without being chargeable in any manner with trespass and expressly without prejudice to any remedies of arrears of monies owed to the County or breach of covenant. Notwithstanding such re-entry, Lessee shall remain liable for any monies owed to the County including late fees and interest as provided in Section 4 herein, or damage caused by the County caused as a result of such expulsion, and Lessee shall be liable, as damages for breach of covenant to pay the County the amount of the Annual Lease Fee for the unexpired term of the Lease, at the times specified herein for payment, plus court costs and reasonable attorney's fees, if any, less such amounts as the County receives from others to whom the Leased Premises, or any part thereof, may from time to time be rented.

22. Lessee's Remedies on Termination. In the event of any termination of the Lease for reasons other than for an uncured material breach by Lessee, then County shall, in addition to any other applicable remedies available to Lessee, reimburse Lessee for the Debt Retirement Amount in an amount calculated as further set forth in Exhibit J (the "Debt Retirement Repayment Amount").

23. [Intentionally Omitted]

Once removed, Lessee shall plant any replacement trees as may be required by the County Forester in accordance with the County's Forest Conservation Manual. Lessee shall not engage in, or permit, any construction, excavation, grading, erection of any structure, or any other activity on the Leased Premises in a manner that damages, kills, or injures any tree without approval of the County Forester and other appropriate County agency. Lessee has the right, but is not obligated, to take measures to reduce or eliminate algae growth in the Ponds, adjust the water quality, and to mitigate the salt content of the Ponds. Lessee may, but is not obligated to, install the pond fountains that are listed as part of the County's Personal Property provided in Exhibit B. Any substance or materials placed in the Ponds by the County or Lessee must not violate any environmental regulations or laws. Lessee shall be responsible for removal of any trash that is located in the Ponds.

(c) The County shall maintain and repair the overflow structures, and dredge the Ponds, if necessary. The County shall make best efforts to minimize disruption to the golf course operations in doing such work.

(a) Lessee Covenant. Lessee covenants and agrees that it shall not cause or permit any Hazardous Substances (the "Hazardous Substances" as hereinafter defined) to be installed, placed, stored, held, located, released or disposed of in, on, at, or under the Leased Premises (excepting any substance or instrumentality in common use or storage on properties such as the Leased Premises, including, without limitation, pesticides, herbicides, nematicides, fertilizer, lubricants, fluids, and petroleum products) without County's prior written consent. Future changes in the use of Hazardous Substances will be submitted for County approval, said approval not to be unreasonably withheld or delayed, provided they pose no greater risk than substances currently being used by Lessee. Lessee shall have a County approved plan for responding to hazardous waste, fuels, and other chemical spills prior to commencement of operations on the Leased Premises that would involve such materials. No Hazardous Substances, or petroleum products will be stored or brought into the Leased Premises except those necessary for the customary maintenance of the Leased Premises and those necessary for Lessee's operations conducted in the Leased Premises provided same are used, stored and disposed of in accordance with all applicable laws, rules, ordinances and regulations. Lessee shall also immediately notify the County in writing of any environmental concerns of which Lessee is or becomes aware and which are raised by any private party or government agency with regard the Leased Premises. Lessee shall also notify the County immediately of any hazardous substance spills at the Leased Premises and of any other hazardous waste or hazardous substances of which Lessee becomes aware. Lessee shall defend, indemnify and hold the County harmless against any liability, loss, cost or expense, including reasonable attorneys' fees and costs (whether or not legal action has been instituted) for any liability originating from Lessee's violation of federal, State, or local environmental laws, including waste management requirements. Lessee shall be responsible for any and all fines imposed by Federal, State or local jurisdictions. Lessee shall, at its sole cost and expense, undertake any and all steps which may be required for compliance as aforesaid. In addition, Lessee shall be solely responsible for restoring, remediating, encapsulating, and repairing any damage to the Leased Premises caused by or resulting from such compliance or failure to comply. In the event Lessee fails to comply as aforesaid with the clean-up, removal, remediation, and/or encapsulation of Hazardous Substances when so required within the period of time permitted or promulgated, the County may, but shall not be obligated to, undertake said work. Should the County undertake said work, the County shall render an invoice to Lessee for the cost and

expense of said work plus a charge of ten (10%) percent for administrative costs and expenses. Lessee shall pay such amount within sixty (60) days of the date of the invoice. The provisions of this Section shall survive the expiration or earlier termination of this Lease. The County shall also have the right to enter the Leased Premises at any time to conduct tests to discover the facts of any alleged or potential environmental problem, provided the conducting of such tests does not unreasonably interfere with Lessee's business.

(b) Existing Conditions. Except for violations caused by Lessee, Lessee is not liable for (a) any violation of Environmental Laws occurring in, on, or at the Leased Premises before the Commencement Date and, (b) if related to underground storage tanks or Hazardous Substances existing in, on, or at the Leased Premises as of the Commencement Date, any Release of or contamination by Hazardous Substances or other violation of Environmental Laws occurring subsequent to the Commencement Date except those Releases or violations arising from the act or omission of Lessee, its agents, contractors, employees, and invitees. The provisions of this subsection shall survive the expiration or earlier termination of this Lease.

(c) County's Responsibility. To the extent permitted by law, the County is responsible for any Hazardous Substances identified as existing in or released in, on, or at the Leased Premises before the Commencement Date and any Release of Hazardous Substances or other violation of Environmental Laws occurring subsequent to the Commencement Date except those Releases or violations arising from the act or omission of Lessee, its agents, contractors, employees, and invitees. The County shall immediately notify Lessee in writing of any environmental concerns or Hazardous Substances or Releases of which the County is or becomes aware or which are raised by any private party or government agency with regard to the Leased Premises. The provisions of this subsection shall survive the expiration or earlier termination of this Lease.

26. Representations and Warranties.

(a) Representations and Warranties of County. and will continue and be effective at all times, as if continuously reiterated, during the Initial Term, of this Lease) that:

(i) County is a body corporate and politic duly incorporated under the laws of the State of Maryland. County has full power and authority to execute and deliver this Lease and all documents, if any, now or hereafter to be executed and delivered by it pursuant to this Lease (collectively referred to "County's Documents"), and to perform all obligations arising thereunder; and

(ii) County's Documents will each constitute the legal, valid, and binding obligations of County, enforceable in accordance with their respective terms, covenants, and conditions; and

(iii) County's Documents do not and will not contravene any provision of the powers of County, any judgment, order, decree, writ or injunction, or any provision of any applicable law or regulation, and the delivery of this Lease and County's Documents will not result in a breach of, constitute a default under, or require consent pursuant to any law or regulation or any credit agreement, license, indenture, mortgage, deed of trust, purchase agreement, guaranty or other instrument to which County is a party or by which County is bound or affected.

(iv) Upon the release of the Debt Retirement Amount as set forth in Section 4(a) above, County will take all necessary actions to extinguish the remaining bond debt and obligations related thereto.

(b) Representations and Warranties of Lessee. Without limiting the representations, covenants and warranties of Lessee contained elsewhere in this Lease, as a material inducement for the County to enter into this Lease, Lessee represents and warrants to County (and unless otherwise specified, such representations and warranties are true as of the date hereof and will continue and be effective at all times, as if continuously reiterated, throughout the Initial Term, of this Lease) that:

(ii) Lessee's Documents will each constitute the legal, valid and binding obligations of Lessee, respectively, enforceable in accordance with their respective terms, covenants, and condition; and

(iii) This Lease and Lessee's Documents do not and will not contravene any provision of the corporate powers of Lessee, any judgment, order, decree, writ or injunction or any provision of any applicable law or regulation, and the delivery of this Lease and Lessee's Documents will not result in a breach of, constitute a default under, or require consent pursuant to, any credit agreement, license, indenture, mortgage, deed of trust, purchase agreement, guaranty or other instrument to which Lessee is a party or by which Lessee or its assets are bound or affected.

27. Force Majeure. If the County or Lessee shall be delayed in, hindered in or prevented from the performance of any act required hereunder (other than performance requiring the payment of a sum of money) by reason of strikes, lockouts, labor troubles, inability to procure materials, failure of power, restrictive governmental laws, regulations or actions, riots,

insurrection, the act, failure to act or default of the other party, war or other reason beyond such party's reasonable control (excluding the unavailability of funds or financing), then the performance of such act shall be excused for the period of the delay and the period for the performance of any such act as required herein shall be extended for a period equivalent to the period of such delay.

GUARANTY AGREEMENT

The undersigned, **KEMPER SPORTS MANAGEMENT, INC.** (the “Guarantor”), whose address is 500 Skokie Boulevard, Suite 444, Northbrook, Illinois 60062 in consideration of the leasing of the Premises (as defined in the Lease) to **KSM TIMBERS, LLC** (the “Tenant”), as described in the that certain Lease Agreement for Timbers at Troy between Howard County, Maryland (the “Landlord”) and Tenant dated as of _____, 2017 (the “Lease”), hereby covenants and agrees that:

1. Subject to the terms and conditions of the Lease, including without limitation with respect to notice requirements and cure periods, if the Tenant shall default, at any time during the term of the Lease, in the performance of any of the covenants and obligations of the Lease to be performed by Tenant, then the Guarantor shall on written demand perform the covenants and obligations of the Lease on behalf of Tenant and shall on written demand pay to Landlord all sums due to Landlord under the Lease, including all damages and expenses that might arise from Tenant’s default. Further, the Guarantor hereby does waive all requirements of notices of the acceptance of the Guaranty and all requirements of notice of breach of nonperformance by Tenant.

2. The Guarantor, at Landlord’s option, may be joined in any action or proceeding commenced by Landlord against Tenant relating to any covenants and obligations in the Lease, and the Guarantor hereby waives all rights to demand that Landlord take any action of any nature whatsoever against Tenant.

3. This Guaranty shall remain and continue in full force and effect as to any renewal, extension, modification or amendment of the Lease and as to any assignment of Tenant’s interest in the Lease, and the Guarantor waives notice of such renewals, extensions, modifications, amendments or assignments.

4. The Guarantor’s obligations hereunder shall remain binding notwithstanding that Landlord may waive one or more defaults by Tenant, extend the time of performance by Tenant, release, return or misapply other collateral given as additional security (including other guaranties) or release Tenant from the performance of its obligations under the Lease.

5. This Guaranty shall remain in full force and effect notwithstanding the institution by or against Tenant of bankruptcy, reorganization, readjustment, receivership or insolvency proceedings of any nature, or the disaffirmance of the Lease in any such proceedings or otherwise.

6. If the Guaranty is signed by more than one party, their obligations shall be joint and several, and the release of one of the guarantors shall not release any other guarantor.

7. This Guaranty shall be applicable to and binding upon the heirs, representatives, successors and assigns of Landlord, Tenant and Guarantor.

8. This Guaranty is irrevocable, absolute and unconditional, direct, immediate and primary. This Guaranty guarantees payment and not just collection. Further, this Guaranty makes the Guarantor, and the Guarantor so intends to be, a surety to the Landlord with respect to the Tenant's covenants and obligations under the Lease.

9. [Intentionally Omitted]

10. This Guaranty shall be effective and enforceable immediately upon its execution. The effectiveness and enforceability of this Guaranty is not in any way conditioned or contingent upon any event, occurrence or happening. Both Guarantor and Landlord have been represented by counsel in the negotiation and preparation of this Guaranty, therefore in the event of any finding of ambiguity by a court, this Guaranty shall not be considered or deemed to have been prepared by Landlord and thus construed against Landlord.

11. As a matter of policy, Guarantor does not provide copies of its financial statements to third parties. Notwithstanding the foregoing, however, prior to the signing of the Lease, Guarantor will make available its audited annual financial statements for the most recent three (3) available years for physical inspection (no copies) by Landlord in a private and confidential setting at a County office location agreed upon by the parties in good faith. Additionally, Guarantor agrees to make available subsequent available audited annual financial statements on an annual basis in the same fashion as described in the preceding sentence upon written request from Landlord.

All policies of insurance shall be underwritten by companies allowed to do business in the State of Maryland and acceptable to the County. The insurers must have a Best's Financial Strength Rating of "A-" or better, and a Financial Size Category of "Class VII" or higher, unless the County grants specific approval for an exception.

The Lessee and Contractor shall assure that all contractors performing services in accordance with this Lease Agreement carry identical insurance coverage required of the Lessee or Contractor based on who hires them, either individually or as an Additional Insured on the policies of the Lessee or Contractor. Exceptions may be made only with the approval of the County.

The Contractor shall not commence operations or Work under the Construction Phase of the Lease Agreement or any contract until evidence of all required coverage is received by the County. Further, the Contractor shall continue to provide the County with evidence of policy renewals for three (3) years after substantial completion and shall not reduce or cancel or change any of the required coverages without thirty (30) days' written notice of such change to the County. Evidence of coverage shall be in the form of complete copies of policies or certificates of insurance with required endorsements, at the County's sole discretion.

The Lessee shall not commence operations or Work under the Lease Agreement or any contract or occupy the full property of Timbers at Troy Golf Course until evidence of all required coverage, including all coverage that Lessee requires to be carried and maintained by Lessee's contractors and subcontractors, is received by the County. Further, the Lessee shall continue to provide the County with evidence of policy renewals for three (3) years after termination or expiration of the Lease Agreement and shall not reduce or cancel or change any of the required coverages without thirty (30) days' notice of such change to the County. Evidence of coverage shall be in the form of complete copies of policies or certificates of insurance with required endorsements, at the County's sole discretion.

Providing the insurance required herein does not relieve the Lessee of any responsibilities or obligations assumed by the Lessee under this Lease Agreement, which the Lessee may be liable by law or otherwise.

Failure to provide and continue to maintain such insurance as required herein shall be deemed to be a material breach of the Lease Agreement and shall operate as an immediate termination hereof. Further, a default under this section is a Class A civil offense and the County Purchasing Agent may take action under the terms and provisions of the RFP.

Waiver of Right of Recovery. To the extent permitted by law, Lessee shall waive all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for any and all loss of or damage to the full property of Timbers at Troy Golf Course and Lessee's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage). Lessee shall also require that subcontractors also waive any and all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for loss of or damage to subcontractor's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage) in all subcontract agreements. Any insurance policies maintained by Lessee and any subcontractors shall permit such waivers of rights of recovery by endorsement or otherwise.

To the extent permitted by law, Contractor shall be required to waive all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for any and all loss of or damage to the full property of Timbers at Troy Golf Course and Contractor's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage). Contractor shall also require that subcontractors also waive any and all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for loss of or damage to subcontractor's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage) in all subcontract agreements. Any insurance policies maintained by Contractor and any subcontractors shall permit such waivers of rights of recovery by endorsement or otherwise.

Indemnification. To the fullest extent permitted by law Lessee shall indemnify, defend and hold harmless the County, its elected and appointed officials, officers, employees and authorized volunteers from and against all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to the Lease Agreement, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting therefrom but only to the extent caused in whole or in part by any negligent act or omission of Lessee, any subcontractor or any individual or entity directly or indirectly employed by any of them to perform any of the work or anyone for whose acts any of them may be liable.

In case the County shall, without fault on its part, be made a party to any litigation commenced by or against Lessee, Lessee shall protect, indemnify, and defend with counsel reasonably acceptable to County, and hold County harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by County in connection with such litigation. The obligations set forth in this paragraph shall survive the expiration or sooner termination of this Lease.

To the extent provided by the Local Government Tort Claims Act, found at Sections 5-301 through 5-304 of the Courts and Judicial Proceedings Article of the Maryland Annotated Code, as supplemented from time to time, and the limitations of liability set forth therein, and subject to appropriations by the Howard County Council, County shall indemnify, defend and hold harmless the Lessee, and its affiliates and each of their shareholders, members, officers,

directors, managers, employees, agents, representatives and authorized volunteers from and against all claims, costs, losses, and damages arising out of or relating to the Lease Agreement, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting therefrom but only to the extent caused in whole or in part by any negligent act or omission of County, any subcontractor or any individual or entity directly or indirectly employed by any of them to perform any of the work or anyone for whose acts any of them may be liable.

As a condition of indemnification, Lessee agrees to notify Howard County, MD, of any suits, claims or potential claims within 10 days of its own notice of such suits, claims or potential claims. The foregoing indemnification is not to be deemed as a waiver of any immunity that may exist in any action against Howard County, MD for its officers, agents, volunteers and employees.

If construction is the responsibility of Lessee during the term of this Lease Agreement, to the fullest extent permitted by law Contractor shall be required to indemnify, defend and hold harmless the County, its elected and appointed officials, officers, employees and authorized volunteers from and against all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to the Construction Phase of Lease Agreement, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting therefrom but only to the extent caused in whole or in part by any negligent act or omission of Contractor, any subcontractor or any individual or entity directly or indirectly employed by any of them to perform any of the work or anyone for whose acts any of them may be liable.

Part 4: Safety Requirements During Construction Phases:

Lessee and/or General Contractor (“Contractor”) shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the work. Contractor shall comply, and shall secure compliance by its employees, agents, and lower tier subcontractors, with all applicable health and safety laws and regulations, including without limitation, Federal OSHA, MOSH, City and County ordinances and codes, uniform fire codes, DOT regulations and County facility rules and regulations.

Contractor shall have in place a comprehensive Safety & Health Program, shall effectively execute the Program elements and maintain the job site in a safe and healthful manner. Contractor shall appoint and maintain a qualified individual as the Safety Compliance Officer and shall assure that such person or designee is on-site at all times when work is conducted. The County reserves the right to audit Contractor safety related records at any time.

Contractor shall provide any and all “competent persons” as required by MOSH standards for the work. Contractor shall report to the County any governmental inspections or inquiries at the job site. The reason for the inspection and the results of the inspection shall be shared with the County as soon as possible but no later than the next business day.

Contractor shall comply with all safety-related policies as requested by the Howard County Risk Management Administrator or designee. Safety violations shall be corrected immediately or operations terminated until compliance with the specific standards are met. Repeated violations of the same type shall result in termination of the offending contractor's or subcontractors' work.

DEBT RETIREMENT REPAYMENT AMOUNT

The Debt Retirement Repayment Amount shall be calculated by multiplying the Debt Retirement Amount by the Early Termination Multiplier set forth in the table below based upon the annual period of the Term during which any early termination of the Lease takes place (each, a "Year", i.e. the first annual period is "Year 1", the second annual period is "Year 2" and so on.)

Date of Termination	Early Termination Multiplier
Year 1	0.97
Year 2	0.93
Year 3	0.90
Year 4	0.87
Year 5	0.84
Year 6	0.80
Year 7	0.77
Year 8	0.74
Year 9	0.70
Year 10	0.67
Year 11	0.64
Year 12	0.60
Year 13	0.57
Year 14	0.54
Year 15	0.51
Year 16	0.47
Year 17	0.44
Year 18	0.41
Year 19	0.37
Year 20	0.34
Year 21	0.31
Year 22	0.27
Year 23	0.24
Year 24	0.21
Year 25	0.17
Year 26	0.14
Year 27	0.11
Year 28	0.08
Year 29	0.04
Year 30	0.00

As an example, if the Lease is terminated during Year 12 of the Lease Term, and the Debt Retirement Amount is \$3,000,000, then the Debit Retirement Repayment Amount would be \$1,800,000 (i.e. $\$3,000,000 \times 0.60$).

EXHIBIT L NUTRIENT MANAGEMENT PROGRAM

This is the guideline for nutrient and fertility management for the Timbers at Troy Golf Club during a typical 12 month period. It is a guideline, and as such will be modified based on environmental factors experienced and testing throughout a given year. Our intention is to provide the highest quality facility possible with the most prudent use of nutrients possible. The following are the Guidelines for fertility from the University of Maryland:

Table 1:

It is the objective of Timbers at Troy to be within these guidelines.

The following paragraphs are comments from our independent soils consultant M&M Consulting Inc. M&M provides guidance to numerous golf courses in the Mid-Atlantic region. They sell no products so their data and recommendations are highly regarded within the industry.

Generally, the water used at Timbers at Troy for irrigation is of good quality. This year, the surface water had a touch of sodium in it (most likely from road runoff) but historically sodium is not a factor. The well water is calcium dominant and contains a bicarbonate load. If we become well dependent, we will need to take steps to insure that the bicarbonates do not create any issues in the soils, especially the greens. The primary methods of management will be application of materials to feed bicarbonates and acidification of the well water to destroy them. An acid injection system on our well water is something to consider.

The greens that were tested are generally in solid shape nutritionally. Basic applications, based on testing, of 0-0-7 and 0-0-50 on a regular basis will maintain desired chemistry. Nitrogen applications can range between 2-4#/M² annually based on desired clipping yield and recovery. We will lean towards the lower end of that scale based on our desire to speed up our aeration process on the greens. Finally, we will apply manganese sulfate on a regular basis this winter to elevate levels above 25ppm. This will enhance color and improve disease resistance.

The fairways had a small high calcium limestone requirement per testing. We will apply limestone as needed on an annual basis. We will apply 1000#/acre of high calcium limestone as recommended. We have room to slightly increase the phosphorus levels in the soil, therefore will use MAP on the fairways especially if seeding or promoting recovery. We are bound by the Maryland regulations which prohibit nitrogen applications between December 1 through March 1. MAP is a water soluble fertilizer. In order to manage organic matter production Timbers at Troy will keep the nitrogen inputs on the fairways to 1-3#/M² annually.

The roughs are typically a reflection of the fairways and should be managed similarly. Nitrogen input rate should be on the lower end of the scale.

The tees are in solid shape nutritionally. Do not apply any fertilizer containing phosphorus on the tees. The tees at Timbers at Troy are cool season grasses. Our nitrogen application range for the tees is 2-4#/M² annually. Due to the small size of several of the tees we will consider a split nitrogen rate based on tee size and wear with the smaller tees having a higher nitrogen application rate to promote more tissue production.

In Maryland, nitrogen applications are prohibited from December 1 until March 1 annually. The limit for water soluble nitrogen is .7#/M² actual nitrogen. The limit for slow release nitrogen is .9#/M² actual nitrogen. The limit for Enhanced Efficiency Nitrogen applications is up to 2.5#/M² nitrogen as long as 80% of the annual rate for the given turfgrass species is not exceeded.
