Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

In accordance with federal requirements for jurisdictions receiving funds from the United States Department of Housing and Urban Development (HUD) for housing and community development programs, Howard County has prepared its FFY2017 Annual Action Plan for its five year Consolidated Plan for FFY2016-2020. This Action Plan outlines how the County will use federal resources to address the current housing and community development needs of our low to moderate income population, while remaining aligned with the goals outlined in our Consolidated Plan.

Howard County's FFY2016-2020 Consolidated Plan identifies that housing affordability is the primary barrier to households finding accessible, decent, safe and sanitary housing; 46.8 % of all renter households and 42.3% of all homeowners households are cost overburdened by 30% or more. Plus the need for this housing far exceeds the supply of housing; especially for cost-burdened and low-income (6,039), very low-income (5,265), and extremely low-income (4,330) households in the County.

Additionally, the County's owner-occupied housing units (74.2%) exceeds the renter occupied units (25.8%) by a factor of 3 to 1; putting an additional housing affordability demand on the County's housing stock. Coupling this housing scarcity is the fact that household incomes are not keeping pace with the cost of housing. Income grew by 45.4% while housing costs for renting increased by 60.2% and the cost of buying a home increased by 111.0% from 2000 to 2011.

The Con Plan identifies, using U.S. Census data; that lower income renter and owner households; elderly persons; frail elderly; single person households; large families; victims of domestic violence, dating violence, sexual assault and stalking; and persons with disabilities were more affected by these housing problems. The concern about rent and mortgage overburdened households is that low-income resident that experience rent or mortgage overburden become unstable and face homelessness with first-time crises, loss of income, or health issues.

Howard County found the projects awarded funding in the FFY17 Annual Action Plan, the 2nd year or our 5-year plan, address the priorities identified through the County's needs hearing and citizen participation and consultation process. This process revealed that the County's current needs and priorities remain to be reflective of the broader input received during the development of Howard County's FFY2016-2020 Consolidated Plan.

Through this application, Howard County is working to not only preserve and retain the affordable housing stock through housing rehab, but is also increasing the availability of affordable permanent housing for persons with disabilities, special needs populations and homeless citizens in our community.

To address the complex issues contributing to homelessness in our community, the activities submitted also provides a multi-facetted network of programs and support services that prevent homelessness as often as possible and coordinates care for homeless individuals and families so they may become self-sufficient as quickly as possible.

In addition to these other activities, Howard County is working with income eligible residents to provide financial coaching to focus on credit score improvement and debt reduction with the goal of moving the household towards homeownership.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Please AP-20 Annual Goals and Objectives section for this information.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Howard County strives to equitably allocate CDBG and HOME funds to income eligible areas and persons throughout the County and funded activities during the first year to begin meeting the County's FFY 2016 to FFY 2020 Five Year Consolidated Plan goals and objectives. The County's CDBG and HOME Programs regularly meets the performance standards established by HUD. Each year the County prepares its Consolidated Annual Performance Report (CAPER) which summarizes the objectives it has addressed in achieving the Con Plan goals and objectives. The County submits its CAPER within ninety (90) days of the start of the new program year. Copies of the CAPER are available for review at the County's Department of Housing and Community Development and on the Department's webpage.

In the FFY 2015 CAPER, Howard County expended 84.33% of its CDBG funds to benefit low- and moderate-income persons. The County expended 8.35% of its funds during the FFY 2015 CAPER period on public service, which is below the statutory maximum of 15%. The County expended 4.8% of its funds during this CAPER period on Planning and Administration, which is well below the statutory maximum of 20%. The County met the required 1.5 maximum drawdown ratio. The County's ratio was .74 as of May 10, 2016.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Howard County, in compliance with the County's Citizen Participation Plan, advertised and held five (5) public hearings on the needs and goals of the County's CDBG and HOME Programs. The public hearings provided residents with the opportunity to discuss the programs and to offer their suggestions on future program priorities. The public hearings were advertised in The Howard County Times and Columbia Flier on November 17, 2016, December 22, 2016, February 9, 2017, and March 30, 2017.

The County maintains a stakeholder contact list for the CDBG and HOME programs. All stakeholders received emails notifying the listees of the public hearings, meetings, and the survey. A copy of the list can be found in the attachment. A "Draft Plan" was placed on display at the Department of Housing and Community Development, 6751 Columbia Gateway Drive, 3rd Floor, Columbia, MD 21046 from February 14, 2017 until March 15, 2017 for review and comment. The draft plan review period was advertised in The Howard County Times and Columbia Flier on February 9, 2017. The advertisement was also published on the Department's webpage.

Additionally, during the planning phase of the Howard County's FFY2017 Annual Action Plan, the Department's staff created an online survey to acquire additional feedback from human service and housing providers, as well as advocates serving clients in Howard County. The survey was posted on the County's website for anyone that was interested in taking the survey. The survey remained accessible from December 5, 2016 until February 10, 2017.

The County developed the Annual Action Plan based on the input received from stakeholders. All comments and surveys received during our needs assessment phase were factored into our CDBG and HOME program application process, ranking and review, and in the writing of Howard County's Annual Action Plan to HUD.

Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The County held its Needs Public Hearing on December 1, 2016 at 10:30 AM. The County held its Second Public Hearing on January 5, 2017 10:30 AM. The County held its Third Public Hearing on March 15, 2017 at 6 PM. The County held the Forth Public Hearing on April 13, 2017 at the Housing Board monthly meeting. A Fifth Public Hearing was held on April 19, 2017 at 7 PM during the Howard County Council's April Hearing. A full list of meeting notes can be found in the Citizens Participation appendix.

The Resident Survey was live from December 5, 2016 until February 10, 2017. A copy of the survey can be found in the Citizens Participation appendix.

Annual Action Plan 2017 The County developed the Annual Action Plan based on the input received from stakeholders. All comments and surveys received during our needs assessment phase were factored into our CDBG and HOME program application process, ranking and review, and in the writing of Howard County's Annual Action Plan to HUD.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments and views were incorporated into this plan.

7. Summary

The County has allocated its CDBG funds for FFY 2017 based on which activities will principally benefit low- and moderate-income persons.

The Public Facilities activities serve a low- and moderate-income clientele or presumed benefit.

The Housing activities have an income eligibility criterion; therefore, the income requirement restricts funds only to low- and moderate-income households throughout the County.

The Public Service activities serve a low- and moderate-income clientele or presumed benefit.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

Howard County, in compliance with the County's Citizen Participation Plan, advertised and held three (3) public hearings on the needs and goals of the County's CDBG and HOME Programs. The public hearings provided residents with the opportunity to discuss the programs and to offer their suggestions on future program priorities. The public hearings were advertised in The Howard County Times and Columbia Flier on November 17, 2016, December 22, 2016, February 9, 2017 and March 30, 2017.

The County maintains a stakeholder contact list for the CDBG and HOME programs. All stakeholders received emails notifying the listees of the public hearings, meetings, and the survey. A copy of the list can be found in the attachment. A "Draft Plan" was placed on display at the Department of Housing and Community Development, 6751 Columbia Gateway Drive, 3rd Floor, Columbia, MD 21046 from February 14, 2017 until March 15, 2017 for review and comment. The draft plan review period was advertised in The Howard County Times and Columbia Flier on February 9, 2017. The advertisement was also published on the Department's webpage.

Additionally, during the planning phase of the Howard County's FFY2017 Annual Action Plan, the Department's staff created an online survey to acquire additional feedback from human service and housing providers, as well as advocates serving clients in Howard County. The survey was posted on the County's website for anyone that was interested in taking the survey. The survey remained accessible from December 5, 2016 until February 10, 2017.

The County developed the Annual Action Plan based on the input received from stakeholders. All comments and surveys received during our needs assessment phase were factored into our CDBG and HOME program application process, ranking and review, and in the writing of Howard County's Annual Action Plan to HUD.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

Howard County acts as the single point of contact to coordinate efforts between public and assisted housing providers, as well as private and governmental health, mental health, and social service agencies. The County works with the following agencies to enhance funding and service allocations to address the housing and community development needs of the County:

Howard County Department of Housing and Community Development - oversees the County's CDBG and HOME grant programs.

Howard County Housing Commission - manages the Section 8 Housing Choice Voucher Program,

administers the Family Self Sufficiency Program, and develops affordable housing in mixed income communities

Social Services Agencies - provides services to address the needs of low- and moderate-income persons Housing Providers - rehabilitates and develops affordable housing for low- and moderate-income families and individuals

Howard County Department of Community Resources and Services - oversees the Continuum of Care (CoC) Network for Howard County

Collaboration and coordination with these entities will continue throughout the five-year period in order to capitalize on potential future funding opportunities. Collaboration and coordination will take advantage of potential partnership opportunities that would result in increased benefits to low- and moderate-income households and persons.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Howard County Department of Community Resources and Services oversees the Continuum of Care (CoC) Network for Howard County. Subrecipient CoC and ESG funded projects address the needs of homeless persons through the Continuum of Care Lead Agency's direction to prevent and end homelessness in the County. Various organizations and individuals participate in an assortment of ways through joint collaboration to end homelessness. These organizations accomplish this goal by addressing the immediate and ongoing needs of varied types of homeless populations. Howard County Department of Housing and Community Development coordinates with the CoC Lead Agency through workgroups and CDBG and HOME funded projects that address the County's priorities specific to the chronic homeless population, as well as issues related to providing housing to all types of homeless. In addition, CDBG and HOME funds are used to financially support and leverage efforts in the CoC, including but not limited to: day center rent/utilities, sheltering through the domestic violence center, and eviction prevention funds.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Howard County does not receive a federal allocation for ESG Program funds. The County's Department of Community Resources and Services (DCRS, the CoC Lead Agency) receives ESG funds from the MD Department of Housing and Community Development, as pass-through funds from the federal government, matched with state ESG dollars. Even though the County is not considered to be a recipient but a grantee, DCRS follows the federal guidance on how ESG allocations are made. All ESG applications, reports, and monitorings are reviewed by the ERA Committee of the CoC Board. This ensures that all

stated performance standards and evaluations of outcomes matches the stated need and standards set forth in grant RFPs, and DCRS's Grant Agreement. ESG subgrantees participate in the coordinated assessment system, enter data into HMIS, and participate in CoC Steering Groups. DCRS solicits proposals from entities that have not received ESG funds previously. DCRS works to ensure that ESG funds are used to meet the needs of those experiencing homelessness and reallocates funds to decrease the number of persons that are experiencing homelessness. Annually, the ERA Committee reviews and sets priorities for the upcoming year's funding cycle.

The CoC Lead Agency manages the Housing Management Information Systems (HMIS) and has written policies and procedures for the administration of HMIS. The CoC uses ServicePoint (Bowman) as its HMIS software provider. All programs funded through ESG and CoC are required to enter all applicable data into HMIS. The HMIS Subcommittee meets quarterly to review data quality and discuss questions posed by providers. The HMIS Subcommittee holds

Narrative (optional)

Howard County's Department of Housing and Community Development is the lead planning and administering agency in the County's CDBG and HOME programs. The Vision of Howard County's FFY2016-2020 Consolidated Plan seeks to develop a viable community by promoting integrated approaches that provide decent housing, a suitable living environment, and expand economic opportunities for low- and moderate-income persons. The primary means towards this end is the development of partnerships among all levels of government and the private sector, including for-profit and non-profit organizations. The planning process for the FFY2017 Annual Action Plan, Year 2 of our Five Year Consolidated Plan, maintained consistency in the County's commitment to partnering.

AP-12 Participation - 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

Howard County, in compliance with the County's Citizen Participation Plan, advertised and held five (5) public hearings on the needs and goals of the County's CDBG and HOME Programs. The public hearings provided residents with the opportunity to discuss the programs and to offer their suggestions on future program priorities. The public hearings were advertised in The Howard County Times and Columbia Flier on November 17, 2016, December 22, 2016, February 9, 2017, and March 30, 2017.

The County maintains a stakeholder contact list for the CDBG and HOME programs. All stakeholders received emails notifying the listees of the public hearings, meetings, and the survey. A copy of the list can be found in the attachment. A "Draft Plan" was placed on display at the Department of Housing and Community Development, 6751 Columbia Gateway Drive, 3rd Floor, Columbia, MD 21046 from February 14, 2017 until March 15, 2017 for review and comment. The draft plan review period was advertised in The Howard County Times and Columbia Flier on February 9, 2017. The advertisement was also published on the Department's webpage.

Additionally, during the planning phase of the Howard County's FFY2017 Annual Action Plan, the Department's staff created an online survey to acquire additional feedback from human service and housing providers, as well as advocates serving clients in Howard County. The survey was posted on the County's website for anyone that was interested in taking the survey. The survey remained accessible from December 5, 2016 until February 10, 2017.

The County developed the Annual Action Plan based on the input received from stakeholders. All comments and surveys received during our needs assessment phase were factored into our CDBG and HOME program application process, ranking and review, and in the writing of Howard County's Annual Action Plan to HUD.

Expected Resources

AP-15 Expected Resources - 91.220(c) (1, 2)

Introduction

Howard County has done the planning and writing of the FFY2017 Annual Action using estimated amounts that are the awarded totals the County received in FFY2016 for both CDBG and HOME programs.

The County anticipates receiving \$1,034,767 in CDBG and \$334,275 in HOME funds for the FFY 2017 program year. To maintain compliance with requirements and timing for submission of the Annual Action Plan to HUD, the County has chosen to move forward with the planning, writing, 30-day public comment period with the anticipated amounts for these programs. The County's FFY 2017 CDBG and HOME program year starts on July 1, 2017 and concludes on June 30, 2018. The County projects its CDBG and HOME allocations to remain level over the remaining three years of the five-year period.

In the event the FFY2017 CDBG and HOME Program awards vary from the FFY2016 award, Howard County intends to adjust the amounts for the CDBG Affordable Housing Initiative (AFI) and the HOME Future Affordable Housing projects. All other projects will be funded at the amounts outlined in this Action Plan.

Table 5 - Expected Resources - Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The County will continue to use all federal, state and private resources currently available to develop and expand affordable rental opportunities, homeownership options for low- and moderate-income households, and to promote other critical community sustainability initiatives.

For the projects submitted through this application, Howard County has funded an additional \$2,815,045.00 from the Community Services Partnership (CSP) Grants for County Fiscal Year 2017.

A proposed budget of \$2,950,000 for the County's Housing Initiative Loan Fund has been requested for County Fiscal Year 2018.

The County will use \$83,568.75 of contributions from the County's Banked Match from prior projects as HOME match for FFY 2017.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The following locations have been identified as potential for future development:

- W. Watersville Road, Mt. Airy Tax ID 333217
- SE/side, Beetz Road, Mt. Airy Tax ID 333195
- 589 Woodbine Road, Woodbine Tax ID 313089

Goal Descriptions

1	Goal Name	HS-1 Housing Rehabilitation
	Goal	Continue to provide financial assistance to low- and moderate-income homeowners to rehabilitate their existing owner-
	Description	occupied housing.

		The state of the s						
2	Goal Name	HO-2 Operation/Support						
	Goal Description	Assist providers in the operation of housing and support services for the homeless and persons at-risk of becoming homeless.						
3	Goal Name	HO-4 Housing						
	Goal Description	Support the rehabilitation of and making accessibility improvements to emergency shelters, transitional housing, and permanent housing for the homeless.						
4	Goal Name	SN-1 Housing						
	Goal Description	Increase the supply of affordable, decent, safe, sound, and accessible housing for the elderly, persons with disabilities, and persons with other special needs through rehabilitation of existing buildings and new construction.						
5	Goal Name	CD-1 Community Facilities						
	Goal Description	Improve the parks, recreational centers, trails, libraries, and all public and community facilities in the County.						
6	Goal Name	CD-3 Public Services						
	Goal Description	Improve and increase public safety, municipal services, and public service programs throughout the County.						
7	Goal Name	AM-1 Overall Coordination						
	Goal Description	Provide program management and oversight for the successful administration of Federal, state, and local funded programs, including planning services for special studies, environmental clearance, fair housing, and compliance with all Federal, state, and local laws and regulations.						
8	Goal Name	AM-2 Fair Housing						
	Goal Description	Promote fair housing choice through education and outreach in the County.						

9	Goal Name	HO-3 Prevention and Housing
	Goal	Continue to support the prevention of homelessness and programs for rapid rehousing.
	Description	

Table 7 - Goal Descriptions

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

Howard County will utilize its CDBG and HOME funds to address the County's affordable housing needs through the production of new housing units, rehabilitation of existing housing units, and acquisition of existing housing units.

Howard County intends to complete the following affordable housing goals during FFY 2017:

- Rehab thirty-two (32) existing affordable housing units incomes below 60%AMI;
- Acquire five (5) existing units (1) Special Needs unit below 50% AMI, one (1) CHDO project unit below 50%, two (2) LMI acquisitions below 60%, and one (1) unit below 80% AMI.

AP-35 Projects - 91.220(d)

Introduction

In order to address the identifiable needs of Howard County, the proposed FFY 2017 One-Year Action Plan proposes the following activities:

#	Project Name
1	CDBG Administration
2	Fair Housing Service Activity
3	Roger Carter Recreation Center Re-Development
4	Emergency Public Facility
5	Affordable Homes for the Homeless
6	Affordable Housing Initiative
7	Homeowner Rehab
8	Route One Day Resource Center
9	Financial Education
10	Transitional Housing Program
11	Housing Stability
12	HOME Administration
13	I-HOMES CHDO Project
14	Living in Recovery Project
15	FFY2017 Future Affordable Housing Project

Table 8 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The allocations and priorities were established through discussions with County decision makers, meetings with stakeholders, survey responses, and public meetings. The largest obstacle to addressing the County's underserved needs are financial in nature; there is a need for additional federal, state, and local funding to undertake additional housing and community development projects.

AP-50 Geographic Distribution - 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Howard County will direct CDBG and HOME funds countywide. It is the policy of Howard County that activities will not be qualified based on service area benefit. On June 4, 2014, Howard County passed Bill No. 18-2014, an Act amending the Rehabilitation Loan Program to allow loans for renovations and expansions; amending the moderate income housing unit provisions to prohibit certain alternatives in certain areas; requiring the use of fee in lieu funds for homeownership opportunities in certain areas; prohibiting the Department of Housing and Community Development and the Housing Commission from participating in certain housing projects; and generally related to moderate income housing units and the Rehabilitation Loan Program in Howard County. Specific to CDBG and HOME funds, the Bill restricted the construction of housing in Census Tracts and Block Groups if the poverty level is 10% or greater. The purpose of the Bill was to address concentration of subsidized housing and to encourage future affordable housing development outside of areas of concentration thus affirmatively furthering fair housing.

Geographic Distribution

Target Area	Percentage of Funds
Howard County	100

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The County has allocated its CDBG funds for FFY 2017 based on which activities will principally benefit low- and moderate-income persons.

The Public Facilities activities serve a low- and moderate-income clientele or presumed benefit.

The Housing activities have an income eligibility criterion; therefore, the income requirement restricts funds only to low- and moderate-income households throughout the County.

The Public Service activities serve a low- and moderate-income clientele or presumed benefit.

Discussion

Under the FFY 2017 CDBG Program, the County will receive a grant in the amount of \$1,034,767 and anticipates \$34,000 in program income for the year for a total FFY 2017 budget of \$1,068,767. The County will budget \$113,753.40 for general administration and \$100,000 for Fair Housing activities for a total Administration and Planning Budget of \$213,753.40 (20.0%). The balance of funds (\$855,013.60)

will be allocated to activities which principally benefit low- and moderate-income persons in the amount of \$855,013.60 (80.0%) and \$0 for the removal of slums and blight (0%). The activities which principally benefit low- and moderate-income persons are divided between Public Facilities activities \$224,000 (21.4%), Housing activities \$491,392.47 (46.0%), and Public Service activities \$139,621.13 (13.1%).

Affordable Housing

AP-55 Affordable Housing - 91.220(g)

Introduction

Howard County will utilize its CDBG and HOME funds to address the County's affordable housing needs through the production of new housing units, rehabilitation of existing housing units, and acquisition of existing housing units.

Discussion

Howard County intends to complete the following affordable housing goals during FFY 2017:

- Rehab thirty-two (32) existing affordable housing units incomes below 60%AMI;
- Acquire five (5) existing units (1) Special Needs unit below 50% AMI, one (1) CHDO project unit below 50%, two (2) LMI acquisitions below 60%, and one (1) unit below 80% AMI.

AP-60 Public Housing – 91.220(h)

Introduction

The Howard County Housing Commission received \$10,034,665 in FFY 2016 funding. Funding for FFY 2016 remained constant as compared to FFY 2015's funding allocation of \$10,171,699. The average Housing Assistance Payment for voucher units in 2015 was \$1,114.59 per unit month.

The Housing Commission anticipates the following financial resources during the upcoming fiscal year:

- HCV HAP Funds \$10,417,812
- HCV Administrative Fees \$545,400
- FSS Coordinator Funds \$61,056
- Portability HAP Funds \$7,820,400
- Portability Administration Fees \$273,708
- HOPWA Funds \$228,337

Actions planned during the next year to address the needs to public housing

The Housing Authority identified the following new activities under its FFY 2016 Annual PHA Plan:

The Housing Commission will be project basing 35 vouchers of Single Efficiency Apartments for the homeless during the upcoming fiscal year. The development will be located off of the route 1 corridor in Jessup, Maryland. The Project Basing of these units would be consistent with the Administrative Plan in that it would serve single homeless persons, a population that is underserved, and often difficult to house due to unique issues associated with that population.

The Housing Commission will be participating in a regional initiative to project base one hundred (I 00) vouchers in opportunity areas in the Baltimore Region. Howard County will be contributing 3 project based vouchers toward this initiative. It is being coordinated by the Baltimore Regional Council and Howard County will be serving as the fiscal agent for the project.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Howard County Housing Commission operates a Homeownership Voucher Program. The Commission does not limit the number of families participating in the program. The program eligibility requirements are as follows:

Families participating in the Section 8 Homeownership Program must be in good standing, and must have participated in the Section 8 Program, or other Howard County or Housing Commission programs for at least 2 years prior to execution of the Contract of Sale. The family must also have participated in

Annual Action Plan

the Family Self Sufficiency Program for a period of at least 6 months prior to the date of settlement.

The minimum income required for program participation is \$24,000.00. If the family meets the HUD minimum income requirements of the Federal Minimum hourly wage rate multiplied by 2,000 hours, and has been pre-qualified for financing with a lending institution which meets the requirements of Section 25.7 of this plan, they are exempted from the \$24,000.00 minimum income requirement.

Welfare assistance shall not be counted towards the \$24,000.00 minimum income requirement unless the head of household is elderly or disabled, as defined in the Administrative Plan.

Eligible families must demonstrate that at least one adult member of the family who will own the home at commencement of homeownership assistance is currently employed at least 30 hours per week, and has been continuously employed for at least one year prior to commencement of homeownership assistance. This requirement does not apply for families where the head of household is elderly or disabled.

In order to qualify for participation in the Section 8 Homeownership Program, the family must qualify as a "first-time homeowner". A first-time homeowner is defined as a family of which no member owned or presently has any ownership interest in a unit during the three years before commencement of homeownership assistance. A first-time homeowner also includes a single parent or displaced homemaker who while married, owned a home with his or her spouse, or resided in a home owned by his or her spouse.

Eligible families shall not include any family with a member who has previously received assistance under the homeownership option, and has defaulted on a mortgage securing debt incurred to purchase the home.

Prior to commencement of homeownership assistance, the family must attend and satisfactorily complete pre-assistance homeownership counseling with a HUD approved counseling agency, or an equivalent program of counseling activities as designated by the Commission.

The Housing Commission sponsors a "Getting Ahead" Program that targets Family Self Sufficiency Participants, Zero Income Families and other low income families residing in Howard County. The "Getting Ahead" Initiative examines the causes of Poverty and helps participants to understand that poverty is not simply caused by the choices of the individual, but is both "generational" and "situational". Program participants perform a Self-Assessment, identify personal strengths and establish a personal plan for building resources. The initiative focuses on "Bridges out of Poverty" and examines what the community has to offer as well as what participants can contribute to the community.

HCHC's HUD required FSS program size is sixty-nine families; however, this number is reduced each time a program participant graduates. This number will be expanded to comply with the minimum program size required by HUD as HCHC is awarded additional units. The required program size minus program

graduations is currently forty-four families. The actual number of families currently enrolled in FSS is forty-five. HCHC will assist additional families above the HUD required program size provided the resources and support network is available to meet the needs of participating families.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable; the Housing Authority is not designated a "troubled" in its most recent SEMAP assessment.

Discussion

Howard County has identified that there is a need for affordable, accessible, decent, safe, and sanitary housing to address the households affected by housing problems, severe housing problems, and housing cost burdens. The largest income group affected by housing problems in the County are extremely low-income households. The Howard County Housing Commission is a vital part of the County's housing strategy. The Housing Commission is the primary assisted housing provider of housing for extremely low income, very low income, and lower income residents of Howard County.

AP-65 Homeless and Other Special Needs Activities – 91.220(i) Introduction

The Department of Community Resources and Services (DCRS) is the Lead Agency for both the Howard County CoC and HMIS. DCRS receives CoC funding on behalf of Howard County Government, and works with partner agencies to further the goals of HUD. DCRS prepares and submits the CoC Collaborative Application to HUD. DCRS is direct Recipient on behalf of Howard County, MD with HUD for all CoC Funds, except the S+C Project to Howard County Mental Health Authority. The DCRS staffs the Steering Committee on Homeless Services (Steering Committee), a BPSS committee. The committee provides a forum for discussing the Plan to End Homelessness, educating the community on homeless issues, eliciting input on the operations of homeless services and programs, and advocates on federal, state, and county levels regarding issues affecting homelessness and at-risk of homelessness. In the CoC FFY 2014, FFY15 and FFY16 Competition, the CoC was awarded a Planning Grant to update the Plan to End Homelessness, 2010 to reflect accomplishments made. In summer and fall of 2016, the CoC began working avidly with a consultant to set actionable goals and tasks to make homelessness rare, brief and non-reoccurring. The Update will include timelines for ending homelessness in Howard County. It is the CoC's goal to end homelessness by priority population, with the ultimate goal of setting a path to ending and preventing all types of homelessness. The Update will include annual goals to ensure County-wide efforts are on track to meet set timelines. Howard County is slated to have an adopted Plan by June 2017 at which time the following overarching foci will be incorporated: 1) Focus Area 1: Coordinated Access System; 2) Focus Area 2: Adequate Supply of Affordable Housing for 0-30% below AMI Renters; 3) Focus Area 3: Develop Rental Subsidies; and 4) Focus Area 4: Develop Supportive Services. Howard County Coordinated System of Homeless Services (CSHS) is a network of community services and supports coordinating efforts to end homelessness in Howard County through the Continuum of Care. The goals of the system are to efficiently use community resources to reduce the number of homeless families and individuals, reduce the number of newly homeless, shorten the length of homeless episodes, and reduce the number of returns to homelessness. CSHS is comprised of 15 service providers and government agencies which offer resources to households in need, to prevent loss of stable housing or regain housing that has been lost. Financial assistance is available through multiple community partners; households needing resources may contact the system's Single Point of Entry for assessment and connection to varying levels of support. Intensive Case Management services assist households to: 1) identify and address barriers to housing stability; 2) connect to resources and ongoing supports; and 3) identify appropriate and affordable housing. CSHS also provides access to: employment services; addiction and trauma treatment; and support for domestic violence survivors; re-entry services for homeless persons formerly incarcerated; and supports for school-age children experiencing homelessness through Howard County's Public School System. CSHS Partners:1). Bridges to Housing Stability, Inc. 2). Community Action Council of Howard County, Inc. 3). Family and Children's Services of Maryland 4). Grassroots Crisis Intervention Center, Inc. 5). HopeWorks of Howard County, Inc. 6). Howard County Department of Community Resources and Services 7). Howard County Department of Corrections 8). Howard County Health Department 9). Howard County Housing Commission 10). Howard County Office of Workforce Development 11). Howard County Public School System 12). Humanim, Inc.

13). Laurel Advocacy and Referral Services (LARS) 14). Makingchange, Inc. 15). Salvation Army.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Howard County adopted a local Plan to End Homelessness (PEH) in 2010. Efforts and County funding have increased to end homelessness, yet no dates have been set by subpopulation. Currently, the PEH 2010 has the following targets, adopted by the CoC's Board, and are monitored and tracked on a monthly basis: Reduce length of homeless episodes, Reduce recidivism, and Reduce number of newly homeless. The CoC is in the process of updating its' Plan to End Homelessness, 2010. In summer and fall of 2016, the CoC began working avidly with a consultant. The Update will include timelines for ending homelessness in Howard County. The County is slated to have an adopted Plan by June 2017. The primary focus area that will assist in increasing the outreach for homeless persons is the "Coordinated Access System." The CoC utilizes the Self Sufficiency Matrix (SSM amended Vulnerability Index). The SSM is used as an intake tool to measure a variety of sufficiency domains to assess the levels of housing and service resources and interventions that may be needed to quickly and effectively end homelessness for families and households. Persons can be assessed in person or via phone through Grassroots Crisis Intervention Center's crisis hotline, at the Howard County Health Department at through the Department of Corrections' Reentry program for homeless persons leaving detention. The following have been consistent strategies and actions the CoC has taken to ensure persons who are literally homeless are aware of the array of interventions to end their homelessness:1) The first is the operation of the Day Resource Center located in North Laurel, Maryland, a program of Grassroots Crisis Intervention Center, Inc. The DRC is open three days a week, for four hours a day, providing hot showers, meals, laundry facilities, computers, doctor visits, clothing closet, food pantry and a mailing address for the unsheltered, targeting the chronically homeless. 2) Outreach Cards which lists a brief description of services provided through the CoC partners, listing a phone call number for assessment and entry to be connected to agencies providing shelter, services and housing. The cards are distributed across the County at libraries, DSS locations, convenience stores, hotels/motels and other areas. 3) The third are the Point in Time events that have been held every other year. To date, two events have been held: one in in January 2015 and one in January 2017. For the 2015 annual Point in Time, the CoC hosted a Resource Day co-locating services for the literally homeless and providing transportation/shuttles so persons were able to attend. The second event for the Point in Time in 2017 included multiple Resource Center locations across the County where surveys, gift cards, backpacks, and meals were provided to capture the number of persons experiencing literal homelessness on that day. Additionally, groups of street surveys were conducting surveys for persons who were not able to access the Resource Center locations, and who were in places not meant for human habitation. 4) Howard County CoC has funded Outreach positions through the Emergency Solutions Grant program to the Department of Corrections beginning during calendar year 2017 (FFY 16). This allocation of funding will be aimed at connecting

literally homeless persons with any history of incarceration. Typically disconnected from sheltering programs, by increasing the outreach activities for this population & connecting to rapid rehousing or the new emergency shelter, the CoC will start addressing the needs of the unsheltered with a forensic background.

Addressing the emergency shelter and transitional housing needs of homeless persons

The CoC is in the process of updating its' Plan to End Homelessness, 2010 to reflect accomplishments made since inception. In summer and fall of 2016, the CoC began working avidly with a consultant to set actionable goals and tasks to make homelessness rare, brief and non-reoccurring. Howard County is slated to have an adopted Plan by June 2017. The primary focus area that will assist in address the emergency sheltering and transitional needs of homeless persons is by addressing "Adequate Supply of Affordable Housing for 0-30% Median Income renter" and "Develop Rental Subsidies."" At this time specific actions and outcomes are not yet finalized, but the focus to create units and subsidies for persons in combination with a robust coordinated assessment system, will ensure quicker links to emergency shelter and permanent housing placements.

Some of these current general actions for reducing and ending homelessness include coordinating assessments for entry into services for either emergency shelter or transitional housing. The Howard County CoC utilizes the Self Sufficiency Matrix (amended Vulnerability Index). The SSM is used as an intake tool when persons inquire for homeless assistance and/or shelter services. The SSM measures a variety of sufficiency domains to assess the levels of housing and service resources and interventions that may be needed to quickly and effectively end homelessness for families and households. Persons can be assessed in person or via phone through Grassroots Crisis Intervention Center's crisis hotline.

To address the emergency shelter needs of the literally homeless in the County, the primary service provider is Grassroots Crisis Intervention Center, Inc., which operates the Family and Men's shelter, the Day Resource Center, the Motel Program (overflow shelter), and Cold Weather Shelter Programs from November through March each winter. When a unit or bed becomes available the respective program takes a person or family that is most vulnerable, as evaluated through the coordinated entry process utilizing the SSM. In this way, those which present with the most severe service needs or who would be most vulnerable unsheltered, are prioritized for shelter

HopeWorks of Howard County Inc., also operates a Safe House emergency shelter and transitional safe houses. Due to the confidentiality requirements, they do not enter into HMIS but they do share aggregate numbers of households served, exits to housing, and types of services they provide. HopeWorks is also piloting a Rapid Rehousing program for households who are homeless due to domestic violence as a way to quickly address their housing needs.

The Department of Corrections is in the planning phase of opening an emergency shelter for homeless persons with a forensic background. Oftentimes due to the type of criminal history, persons re-entering the community from detention and unsheltered homeless persons with a forensic background have high

Annual Action Plan

barriers to obtaining their own permanent housing. This new sheltering option will serve to immediately address the unsheltered needs of the homeless. Additionally, Department of Corrections is piloting a Rapid Rehousing program for homeless households with a forensic background to quickly address their housing needs, and assist in lowering barriers to becoming permanently housed.

Transitional Housing was not funded in HUD the Continuum of Care FFY15 competition. The households were phased out of the program through county support; households were able to obtain the lease in their own name and were able to continue to access support services to transition from the program.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

In order to accomplish quickly housing households who are chronically homeless, veterans, households with children and unaccompanied youth, the CoC has the following strategies and programs in place: 1) the CoC is developing a By-Name list for all persons experiencing homelessness to assist in transitioning into permanent housing quickly. This will prioritize those who meet the definition of Chronic Homeless, those who have the longest history of homelessness and/or have the severest service needs. This will be used to plan the number of units and subsidies required to effectively end homelessness for those who are chronic, households w/children, veterans, and unaccompanied youths. 2) The Howard County Housing Commission (Commission) in partnership with VOA of the Chesapeake is opening a 35-unit efficiency apartment building to rehouse chronically homeless persons in summer 2017. Placements will be taken from the CoC's By-Name list. The apartments will be subsidized with Project Based Vouchers through the Housing Choice Voucher program. 3) Grassroots Crisis Intervention Center - emergency shelter for families and singles in Howard County, shortening shelter stay time is critical to reducing & ending homelessness, assisting in transitioning to permanent housing, and shortening the homeless episode in general. The CoC is actively working on strategies to maintain a decrease in the length of stay in shelters for this goal. 4) Permanent Supportive Housing for Persons with Disabilities - CoC commits all turned-over permanent supportive housing units to those who are chronically homeless. In the FFY2015 CoC Application, the CoC estimated that approximately four units will be made available within the next year. 5) Rapid Rehousing. Many times homeless households need short to medium term rental assistance and resources in order to maintain their housing. ESG - Rapid Rehousing. Funded in FFY2015, the ESG grant was awarded to Howard County through the State's DHCD for Rapid Rehousing. This program will target homeless households that need medium-term rental assistance and case management. Two agencies will be operating the Rapid Rehousing program: Howard County Department of Corrections, and HopeWorks of Howard County. 6) County Flexible Financial Assistance (FFA) Rehousing - Another strategy to reduce homeless episodes and reducing returns to homelessness is through flexible financial assistance local grant funds. CoC case management partners have access to

provide move-in funds, security deposit & 1st month's rent, as well as short and medium term rental assistance for literally homeless persons to gain access to permanent housing. Rental assistance and case management are provided for up to six months, on average. 7) Prevention. To reduce returns to homelessness, the CoC funds a variety of prevention programs, and coordinates with outside funders to reduce recidivism. There are four primary mechanisms to ensure this goal is being met: a) ESG — Homelessness Prevention grant programs target households who are at imminent risk of becoming literally homeless with short-term rental assistance and case management. b) County Flexible Financial Assistance (FFA) Prevention is a strategy for households to not return to homelessness is through flexible financial assistance local grant funds. CoC case management partners have access to provide short and medium term rental assistance to allow households to stay in their unit. Rental assistance and case management are provided for up to six months, on average. c) United Way of Central MD (UCWM) In collaboration with the CoC, funds a "Family Stability" & "Shelter Diversion" programs which targets highly vulnerable households with children in the local public schools and at-risk households respectively, both providing rental assistance and case management.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

State Department of Human Resources/Department of Social Services - Foster Care focuses programming on youth in their custody who are not residing in their court-ordered placement and follows the State policy for out-of-home placement as found at COMAR Citation: 07.02.11.04. There are discharge policies on file for youths exiting systems of foster care to avoid homelessness.

The Howard County Department of Corrections a Reentry Program - This program is in place for offenders leaving local detention to "re-enter" the community. A variety of services are provided including case management, connection to mainstream resources and housing. If a person meets HUD's definition of homeless (was literally homeless prior to detention and was in custody less than 90 days), they are eligible for program in the CoC. The Reentry Program is one of the PILOT programs for the Rapid Rehousing program through FFY15 ESG. The Reentry Program was also selected for continuation of Rapid Rehousing through FFY 16 ESG. This will strengthen the program so that persons exiting detention have housing options and are not discharged back into homelessness, if eligible per HUD's definition. Additionally, the Department of Corrections is opening an emergency shelter house for persons with a forensic background and a history of literal homelessness to quickly house them in the community. This will also close a gap for persons who are unable to access shelter at Grassroots due to types of criminal histories.

The Howard County Department of Community Resources and Services (DCRS), CoC Lead Agency:

- Has established priorities for services for categories of the Homeless Definition. Limited resources restrict current expansion for households who are exiting institutions when residing there longer than 90 days.
- Serves on the Discharge for Homeless workgroup of the Reentry Coordinating Council to work on ways to decrease exits into homelessness from detention settings.
- Is also the County human services funder and supports non-profits in Howard County that
 coordinate activities to ensure persons exiting correctional facilities, foster care, and health care
 facilities are being stabilized and provided as many services as possible, so that homelessness
 does not occur.
- Howard County General Hospital and The Local Children's Board, for instance, work closely with CoC partners to decrease homelessness occurrences but are not officially connected to the CoC's coordinated system. It is the goal of the CoC to expand collaboration and coordination with all institutions in Howard County to decrease any exits to homelessness in the community.

Discussion

In the CoC FFY 2014, FFY15 and FFY16 Competition, the CoC was awarded a Planning Grant to update the PEH 2010 to reflect accomplishments made. In summer and fall of 2016, the CoC began working avidly with a consultant to set actionable goals and tasks to make homelessness rare, brief and non-reoccurring.

The Update will include timelines for ending homelessness in Howard County. It is the CoC's goal to end homelessness by priority population, with the ultimate goal of setting a path to ending and preventing all types of homelessness. The Update will include annual goals to ensure County-wide efforts are on track to meet set timelines. Howard County is slated to have an adopted Plan by June 2017 at which time the following overarching foci will be incorporated:

- Focus Area 1: Coordinated Access System
- Focus Area 2: Adequate Supply of Affordable Housing for 0-30% below Median Income renter
- Focus Area 3: Develop Rental Subsidies
- Focus Area 4: Develop Supportive Services

The CoC will continue to create and build upon strategies to address the needs of the homeless, including the four focus areas above, and the following:

- 1. Reaching out to homeless persons and assessing their needs
- 2. Addressing the emergency and transitional housing needs of homeless persons
- 3. Making transitions to permanent housing and independent living: shortening homeless episodes, moving quickly into affordable housing, and recidivism (preventing formerly homeless persons from

future homeless episodes)

4. Discharge policies to avoid homelessness upon exiting publically funded institutions, systems of care, or who are receiving public or private human services assistance.

One year goals for the number of households to be provided housing through the use of HOPWA for: Short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family

Tenant-based rental assistance

Units provided in housing facilities (transitional or permanent) that are being developed, leased, or operated

Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds

Total

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The Howard County Human Rights Law states that Howard County shall foster and encourage growth and development so that all persons have an equal opportunity to pursue their lives free of discrimination. The ordinance states it is unlawful to discriminate against a person based on: race, creed, religion, disability, color, sex, national origin, age, occupation, marital status, political opinion, sexual orientation, personal appearance, familial status, and source of income. Potential housing, law enforcement, employment, public accommodations, and financing complaints are accepted by the Howard County Office of Human Rights.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Attached in the unique appendix section is the County's RAI strategy to remove or ameliorate the barriers to affordable housing.

Discussion

The County will fund the following affordable housing projects with FFY 2017 CDBG funds:

- CD-16-02 Fair Housing Bridges/Landlord Engagement
- CD-16-05 HEH Affordable Homes for the Homeless
- CD-16-06 AFI Affordable Housing Initiative
- CD-16-07 Rebuilding Together Homeowner Rehab

AP-85 Other Actions – 91.220(k)

Introduction

Howard County has developed the following actions to address obstacles to meeting underserved needs, foster and maintain affordable housing, reduce lead-based hazards, reduce the number of poverty-level families, develop institutional structures, and enhance coordination between public, private housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

Despite the County's best efforts and efforts of service providers, there continue to be obstacles to meeting the underserved needs in Howard County. Some of these needs are the high cost of housing; gap between incomes and housing costs; high cost of developable land; handicap housing needs; and cycle of poverty. Under the FFY 2017 CDBG Program the County will take the following actions to better address underserved needs:

- Continue to leverage its financial resources and apply for additional public and private funds
- Continue to provide financial assistance for new housing development and rehabilitation
- Continue to provide funding for public service activities
- Continue to do provide public facility improvements

Actions planned to foster and maintain affordable housing

The County will fund the following affordable housing projects with FFY 2017 CDBG and HOME funds:

- CD-17-02 Fair Housing Activity Bridges Landlord Engagement
- CD-17-05 HEH Affordable Homes for the Homeless
- CD-17-06 AFI Affordable Housing Initiative
- CD-17-07 HEH Affordable Homes for the Homeless
- CD-17-07 Rebuilding Together Home Owner Rehab
- HO-17-02 I-HOMES CHDO Project
- HO-17-03 Living in Recovery
- HO-17-04 Future Affordable Housing Project

The Howard County Housing Commission will continue to fund the following activities to foster and maintain affordable housing in the County:

- Continue to provide Housing Choice Vouchers and affordable housing units
- Continue to develop, rehabilitate, and make improvements to affordable housing units

Actions planned to reduce lead-based paint hazards

When the County provides assistance to homebuyers or homeowners and if the houses were constructed prior to 1978, a visual lead-based paint inspection is conducted prior to the settlement on the property and appropriate action taken, if necessary. The following tasks are performed prior to the start of the actual rehabilitation or purchase of the property to ensure the health of residents:

- As part of a loan application the following facts are determined: the date of the dwelling's
 construction (or at least whether the dwelling was constructed prior to 1978); whether a child
 under the age of seven is a resident or frequent visitor to the dwelling; and whether the
 applicant is aware of any lead-based paint hazard and/or flaking or peeling paint on any surface.
- If the dwelling was constructed prior to 1978 and/or any of the other information solicited indicates the possibility of the presence of a lead-based paint hazard, the rehabilitation specialist will make a thorough inspection to determine whether a hazard actually exists or if there is good reason to believe that a hazard exists, and to what extent. On the basis of this inspection, a test by a licensed testing firm may be ordered in order to make a risk assessment. The costs of such a test as well as the cost of abatement or hazard reduction are eligible project costs.
- If test results indicate a significant lead hazard exists, and there are children under the age of seven in the property, it will be recommended that the applicant have the children tested by a health professional to determine if they have an elevated blood lead level.
- Each household applying to the program will be provided with a copy of the most recent edition
 of the informational pamphlet on lead-based paint published by the U.S. Department of Housing
 and Urban Development. The applicant must sign a receipt verifying that he/she has been given
 the pamphlet. This receipt becomes a part of the project file.
- If lead hazard reduction or lead abatement work is to be undertaken as a part of the scope of work, a state certified lead paint abatement contractor must be utilized. Program staff will provide a current list of certified contractors for use by the applicant in obtaining proposals.

HCH informs applicants, voucher holders and landlords participating in the Housing Choice Voucher Program of lead based paint hazards, testing and abatement requirements. All units are inspected, prior to occupancy, according to HUD Housing Quality Standards (HQS). The County's Housing Inspectors also perform inspections for the initial and renewal rental license process. During these inspections, landlords are provided with information regarding their obligations, liabilities and the means of limiting their exposure. Howard County's rental licensing renewal procedure links applications to the Maryland Department of the Environment (MDE) lead paint requirements. This ensures that the MDE is aware of rental housing units with lead paint (built prior to 1950) and the potential for lead-based paint for units build between 1951 and 1978. A house must be re-evaluated for lead-based paint hazards each time its occupants change. An application to the County for a rental license may trigger a need for additional information.

Actions planned to reduce the number of poverty-level families

Based on 2008-2012 ACS data, approximately 4.4% of the County's residents live in poverty, which is less than the State of Maryland's poverty rate of 9.4%. Female-headed households with children are particularly affected by poverty at 15.9% and 5.0% of all youth under the age of 18 were living in poverty. The County's goal is to reduce the extent of poverty by actions the County can control and through work with other agencies and organizations. During this program year the County will fund the following activities with FFY 2017 CDBG and HOME funds to reduce the number of poverty-level families:

- CD-17-02 Fair Housing Activity Bridges Landlord Engagement
- CD-17-05 HEH Affordable Homes for the Homeless
- CD-17-06 AFI Affordable Housing Initiative
- CD-17-07 Rebuiding Together Home Owner Rehab
- CD-17-09 Making Change MIHU Financial Education
- CD-17-10 Hope Works Transitional Housing
- CD-17-11 CAC Housing Stability
- HO-17-02 I-HOMES CHDO Project
- HO-17-03 Living in Recovery
- HO-17-04 Future Affordable Housing Project

Actions planned to develop institutional structure

Howard County has a productive working relationship with many community partners in the implementation of the County's housing and community development projects. The County's Department of Housing and Community Development coordinates activities among the public and private agencies and organizations in the County. This coordination will ensure that the goals and objectives outlined in the FY 2016-2020 Five Year Consolidated Plan will be effectively addressed by more than one entity. The following entities will carry out the FFY 2017 annual goals and objectives:

- Howard County Housing Commission manages the Section 8 Housing Choice Voucher Program, administers the Family Self Sufficiency Program, and develops affordable housing in mixed income communities.
- Howard County Department of Community Resources and Services (DCRS) oversees the County's CoC and administers the County's aging and disability services.
- Bridges to Housing Stability will provide fair housing education.
- Help End Homelessness Howard County will provide housing to a homeless family.
- Rebuilding Together will provide housing rehabilitation to qualified owner occupied households
- Grassroots Crisis Intervention Center will provide supportive services to homeless persons.
- Making Change will provide financial education to County residents.
- Hope Works will provide transitional housing.
- Community Action Council will provide housing stability assistance to prevent eviction.

Annual Action Plan

Living in Recovery – will provide recovery housing.

Actions planned to enhance coordination between public and private housing and social service agencies

The County's Housing and Community Development Department will continue to act as a coordinator between housing and social service activities provided by the County and activities provided by the Housing Authority, the Continuum of Care, private and non-profit housing providers, and social service agencies to address the housing and community development needs of the County. The Department will accomplish this coordination by continuing to attend outside agency planning meetings, provide technical assistance for funding options and program compliance, participate in planning initiatives, and act as network connection between entities. The Department will coordinate with the following entities to address the FFY 2017 annual goals and objectives:

- Howard County Housing Commission manages the Section 8 Housing Choice Voucher Program, administers the Family Self Sufficiency Program, and develops affordable housing.
- Howard County Department of Community Resources and Services (DCRS) oversees the County's CoC and administers the County's aging and disability services.
- Bridges to Housing Stability will provide fair housing education.
- Help End Homelessness Howard County will provide housing to a homeless family.
- Rebuilding Together will provide housing rehabilitation to qualified owner occupied households
- Grassroots Crisis Intervention Center will provide supportive services to homeless persons.
- Making Change will provide financial education to County residents.
- Hope Works will provide transitional housing.
- Community Action Council will provide housing stability assistance to prevent eviction.
- Living in Recovery will provide recovery housing.

Discussion

The Department of Housing and Community Development has the primary responsibility for monitoring the County's Consolidated Plan and Annual Action Plan. The Department maintains records on the progress toward meeting the goals and the statutory and regulatory requirements of each activity. The Department has a monitoring process that is focused on analyzing and comparing projects and activities based on program performance, financial performance, and regulatory compliance. The accomplishments of the FFY 2017 CDBG and HOME activities will be reported in the FFY 2017 Consolidated Annual Performance and Evaluation Report and be used as a basis for future funding decisions.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction

Howard County has done the planning and writing of the FFY2017 Annual Action using estimated amounts that are the awarded totals the County received in FFY2016 for both CDBG and HOME programs.

Howard County anticipates it will receive an annual allocation of CDBG funds in the amount of \$1,034,767 and anticipates \$34,000 in program income for the year for a total FFY 2017 budget of \$1,068,767. The County also anticipates it will receive an annual allocation of HOME funds in the amount of \$334,275, anticipates \$0 in program income, and will match \$83,568.75 (25% required match less administration and CHDO set aside) for a total FFY 2017 budget of \$417,843.75. Since the County receives CDBG and HOME allocations, the questions below have been completed as applicable.

In the event the FFY2017 CDBG and HOME Program awards vary from the FFY2016 award, Howard County intends to adjust the amounts for the CDBG Affordable Housing Initiative (AFI) and the HOME Future Affordable Housing projects. All other projects will be funded at the amounts outlined in this Action Plan.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the	
next program year and that has not yet been reprogrammed	34,000
2. The amount of proceeds from section 108 loan guarantees that will be used during the year	
to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has	
not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	34,000

Other CDBG Requirements

1. The amount of urgent need activities

0

Annual Action Plan 2017 63

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.

100.00%

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

See attached HOME Policies and Procedures.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Recapture Guidelines

The County (in order to ensure affordability) is required by the HOME program to impose either resale or recapture requirements, at its option. Howard County has previously used the recapture provision and will continue to do so throughout the FFY2016-2020 Consolidated Plan period. Recapture provides a mechanism to recapture all, or a portion, of the direct HOME subsidy from the net proceeds when the property is sold. If the HOME recipient decides to sell the house within the affordability period the homebuyer can resell the property to any willing buyer, but the sale during the affordability period triggers the repayment of the direct HOME subsidy. The recapture provision will be outlined in a Note and a Deed of Trust recorded within the land records of Howard County. The loan may either be deferred or amortized at a 0-5% interest rate depending on income and the need to keep the unit affordable to the homebuyer. The County may from time to time review its cost of funds and adjust the interest rates accordingly, prior to executing new loan agreements. If the net proceeds of the sale are insufficient to pay the HOME investment, the County may <u>only</u> recapture an amount less than or equal to the net proceeds.

For additional information, see attached HOME Policies and Procedures.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The affordability period is the length of time during which the HOME requirements apply to an

Annual Action Plan

HOME-assisted property. The affordability period can be 5, 10, 15, or 20 years, depending on the type of HOME project and the average per unit HOME investment.

The affordability period will be determined by the amount of funds invested in a project. DHCD has the right to require a minimum affordability period beyond that required by HUD. The affordability period should be thought of as the "compliance period." Throughout the period of affordability, the owner must enforce funding requirements. Howard County DHCD will monitor to ensure compliance.

Affordability periods are established with deed restrictions, covenants or other similar mechanisms to ensure that the HOME-assisted units remain affordable. If the homeowner does not maintain principal occupancy during the entire affordability period, Howard County will recapture all of the federal funds associated with the unit.

See attached HOME Policies and Procedures.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

See attached HOME Policies and Procedures,

Discussion

Under the FFY 2017 CDBG Program, the County will receive a grant in the amount of \$1,034,767 and anticipates \$34,000 in program income for the year for a total FFY 2017 budget of \$1,068,767. The County will budget \$113,753.40 for general administration and \$100,000 for Fair Housing activities for a total Administration and Planning Budget of \$213,753.40 (20.0%). The balance of funds (\$855,013.60) will be allocated to activities which principally benefit low- and moderate-income persons in the amount of \$855,013.60 (80.0%) and \$0 for the removal of slums and blight (0%). The activities which principally

benefit low- and moderate-income persons are divided between Public Facilities activities \$224,000 (21.4%), Housing activities \$491,392.47 (46.0%), and Public Service activities \$139,621.13 (13.1%).

The County makes applications available to non-profits, for-profit agencies, and other public agencies/organizations for CDBG eligible funded activities. A percentage of the County's Community Development Block Grant (CDBG) funds are awarded on a competitive basis to applicants of eligible activities. The applications are reviewed by the Department of Housing and Community Development and finally submitted to the Howard County Council for approval.
