

I am responding to inform you that I am interested in serving on the electrical board for Howard County. I am self employed and am contracting as Snyder Electric Inc. I have been working in the electrical field for approximately 26 years and have held my Maryland State master electrician license for approximately 15 years. I have resided in Howard County for most of my life. I am able to make myself available to attend the meetings and fulfill any requirements for this position. Please let me know if you have any questions/concerns.

Thank You,

Tracy Snyder
