Honorable Allan Kittleman
County Executive
3430 Court House Drive
Ellicott City, MD 21042

Dear Mr. Kittleman,

I wish to submit my name for the position as a Board Member on the Property Tax Appeal Board.

I have lived in Howard County for the past 60 years. And, I own a few properties (home - Dunloggin, rental property - Columbia and farm land - Lisbon) in Howard County, so I realize the importation of the property tax appeal process.

A board member needs to be knowledgeable of property values, an understanding of the assessment process, and willing to make a fair decision without bias or prejudice. I know I have the qualifications, skills and time to fill the position.

If appointed, I will fill the position as a board member with distinction.

Sincerely,

Richard W. Meyer
