17	Appropriate locations for the land uses allowed in the BRX district depend on factors which

22	The BRX district may be established at a particular location if the following criteria are met:
23	1. The proposed BRX District is located within the Dayton, Highland, Lisbon, and

4			of the centerline of the intersection of MD 97 and Carrs Mill and McKendree
5			Roads; 1,200 feet of MD 97 to the south of the centerline of the intersection of
