

ENCOURAGING PARTICIPATION | ELEVATING VOICES | EXPANDING OPPORTUNITIES | KEEPING BIG MONEY OUT

In November, Howard County residents voted to establish the **Citizens' Election Fund** directing the County Council to create a new program to curb the influence of large and corporate donors.

We're calling on the County Council to finalize a program that will:

Only be available to candidates who reject large donations and donations from corporations, unions, and PACs.

Encourage candidates to fundraise from Howard County residents by providing limited matching funds for small donations from County residents.

Establish an independent commission to make funding and policy recommendations to the Council.

We are calling on the County Council to finalize the Citizens' Election Fund program for a more accountable local government.
