Highway Projects Fund

Description

This fund pays for the construction of roadways related capital projects. The projects which can be found in the Capital Budget section include:

- Highway Resurfacing (H)
- Road Construction (J)
- Bridge Improvements (B)
- Sidewalks and Curbs (K)
- Intersection Improvement and Control (T)

The money to pay for these projects comes from the sale of bonds, grants receipts and developer bond defaults. Pay-as-you-go funds, which are general tax dollars, may also be used. Debt service for this fund is paid by the general fund through the Debt Service Fund. Transfer out represents future debt service payments on excise tax funded road construction bonds.

Department of Health and Mental Hygiene

Description

The Department of Health & mental Hygiene is responsible for promoting health, reducing disease and improving the quality of life for Howard County residents.

Services offered by this agency include maintenance of vital records, health education, direct health services, AIDS counseling, testing and prevention education, mental health and addictions treatment and prevention, the investigation of epidemics and potential health hazards and licensing and permitting activities. For FY2012, the Health Fund will be discontinued since the department is an independent state agency and should not be part of county funds. The county will continue to provide a general fund contribution to the operation of the department, but will no longer show state funds in its appropriated accounts.

Commercial Paper Bond Anticipation Note

Description

This fund has been created to allow the county to manage the Commercial Paper Bond Anticipation Note Program. The county uses this program for the capital budget. This program enables the county to borrow for the capital construction program at the lowest interest rates instead of using general funds. This program allows the county to use general funds to generate investment income. Included in this fund are all costs and revenues of the program. Revenue in excess of cost is returned to the general fund as investment income.

Risk Management Fund

Description

This fund combines county government risk management activities including: workers' compensation, general liability, vehicle liability and physical damage, property liability, environmental liability and risk management administration. Administrative expenses with an appropriate combination of self-insurance and purchased excess insurance. The County Library, Howard Community College, the Economic Development Authority, the Housing Commission and the Mental Health Authority participate in the Risk Management Fund.

The claims reserve of this fund is necessary to assure that adequate funds are available to pay for outstanding and future claims presented against the county. The fund balance must be maintained at a level sufficient to cover all outstanding liabilities.
