(c) [Intentionally Omitted]

(d) <u>Notice of Expiration Not Required</u>. Notwithstanding the provisions of law or any judicial decision to the contrary, the Initial Term shall expire on the date herein provided without notice being required from either party.

- 3. [Intentionally Omitted]
- 4. Annual Lease Terms for Payment and Profit Sharing and Other Requirements.

(a) Lessee shall, beginning with the Calendar Year during which the Commencement Date occurs, annually pay to the County \$300,000 as follows: \$100,000 by June 30th, \$100,000 by September 30th and \$100,000 by December 31st of each such Calendar Year (i.e. beginning June 30, 2018). In the event that the Net Operating Income in any Calendar Year during the Term is not sufficient to meet the Minimum NOI Payment, then Lessee shall make up the shortfall by paying the difference to the County. For instance, if the Net Operating Income in a Calendar Year is \$250,000, then Lessee shall pay that \$250,000 plus an additional \$50,000 to the County.

(b) After payment to the County of the Minimum NOI Payment set forth in Section 4(a) above, for each Calendar year during the Term, Lessee shall retain the next\$100,000 of Net Operating Income, or such lesser amount if less than \$100,000 of Net Operating Income remains after payment of the Minimum NOI Payment. For instance, if Net Operating Income for a Calendar Year is \$375,000, then after payment of the Minimum NOI Payment, Lessee would retain the remaining \$75,000.

(c) After payment of the amounts set forth in Sections 4(a) and 4(b) above, if available Lessee shall set aside in a reserve fund an amount equal to up to three percent (3%) of the annual Gross Revenues for mutually approved capital expenses (the "Capital Reserve Payment"). For instance, if Gross Revenues for a Calendar Year are \$2 million then, provided there is sufficient Net Operating Income after payment under Sections 4(a) and (b) above, then the Capital Reserve Payment would be \$60,000. As an example, if the NOI is \$450,000, then the Capital Reserve Payment would be \$50,000 (i.e. \$450,000 - \$300,000 - \$100,000 = \$50,000). If NOI is \$500,000 in the prior example, then the Capital Reserve Payment would be \$60,000 = \$100,000 = \$100,000].

(d) After payment of the amounts set forth in Sections 4 (a), (b) and (c) above, then the County and Lessee shall share any remaining Net Operating Income as follows: seventy percent (70%) to the County (the "County Residual NOI Share") and thirty percent (30%) to the Lessee. For example, if in a calendar year Gross Revenues are \$2 million and Net Operating Income is \$500,000, then Lessee and County would share available Net Operating Income as follows: \$500,000 - \$300,000 - 100,000 - \$60,000 = \$40,000. Of the available \$40,000, County would receive \$28,000 (i.e., \$40,000 x .70) and Lessee would receive \$12,000 (i.e., \$40,000 x .30). The County Residual NOI Share for 2018 shall be due March 31, 2019).

The Minimum NOI Payment and the County Residual NOI Share (if any) are collectively referred to herein as the "Annual Lease Fee".

f) <u>Late Fees</u>. For any Annual Lease Fee payment that is received ten (10) days after the respective payment is due, the County shall have the right, at its option and without any further demand or notice, to require a late payment charge equal to one and one half percent (1.5%) of the delinquent amount per month until paid.,. Provided however, that this Section 4(f) shall not be applicable if or to the extent that the application thereof is illegal or would affect the validity of this Lease. The obligations provided in this Section shall survive the expiration or early termination of this Lease.

Nothing in this Section limits or waives Lessee's compliance with the other provisions of this Lease, including but not limited to payment of the Annual Lease Fee. Any free rounds of golf provided by Lessee under this Section are not part of Lessee's Gross Revenues under this Lease.

(e) <u>Coordination Provided by County</u>. Notwithstanding the foregoing, the parties acknowledge and agree that the Wells (as defined in Section 1(b)(vii)) are currently used as a water source for irrigation of the golf course on the Leased Premises and County hereby authorizes Lessee to continue to use the Wells for such irrigation during the Term. All such costs incurred by Lessee shall be Operating Expenses.

Lessee shall satisfy and discharge any judgment entered therein within thirty (30) days from the entering of such judgment by payment thereof or filing a bond or otherwise; and on demand shall pay all damages, costs and expenses, including reasonable attorneys' fees, suffered or incurred by the County in connection therewith. Nothing in the provisions of this Lease shall be deemed in any way to give Lessee any right, power or authority to contract for or permit to be furnished any service or materials which would give rise to the filing of any mechanics' or materialmen's lien against County's estate or interest in and to the Leased Premises, it being expressly agreed that no estate or interest of County in and to the Leased Premises shall be subject to any lien arising in connection with any alteration, addition or improvement made by or on behalf of Lessee.

(c) Nothing contained in this Lease shall constitute any consent or request by the County, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Leased Premises or any part thereof, nor as giving Lessee any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in any fashion that would permit the filing or making of any lien or claim against the County or the Leased Premises.

Leased Premises that would require closing the operations for more than six (6) months or cost more than five hundred thousand dollars (\$500,000) to repair, Lessee shall have the right to terminate this Lease by giving the County written notice within thirty (30) days of the Casualty. If Lessee is obligated to restore the Leased Premises, the Annual Lease Fee during such period shall be tolled and Lessee shall be obligated, at its sole cost and expense, to diligently commence and expeditiously pursue the repair of such damage so as to restore the Leased Premises to substantially the same condition as existed prior to such damage or destruction.

So long as the Lease is not terminated, on the date of such taking, the Annual Lease Fee will be abated in proportion to the impairment of the use that Lessee can reasonably make of the balance of the Leased Premises, it being expressly acknowledged by both parties hereto that the successful operation of the Leased Premises requires a fully operational clubhouse, practice facility, and 18 playable golf course holes. If the Leased Premises are damaged, or if access to the Leased Premises is impaired by reason of such taking, and Lessee elects not to terminate this Lease as provided herein. County will promptly rebuild or repair the damage to the extent possible within the limitations of the available condemnation award made to the County. The foregoing restrictions shall not apply to Lessee's use of third parties for catering services or the services of golf professionals for golf instruction.

17. <u>Holdover</u>. Any holding over by Lessee after the expiration or early termination of this Lease shall be construed as a tenancy at sufferance (unless such occupancy is with the written consent of the County) in which event Lessee will be a tenant from month to month, upon the same terms and conditions of this Lease. During the holdover period, Lessee shall pay 150% of the Annual Lease Fee in effect for the Calendar Year preceding such holdover, which shall be considered damages caused by the holdover, as well as all other fees required by this Lease. GUARANTY AGREEMENT

The undersigned, **KEMPER SPORTS MANAGEMENT, INC**. (the "Guarantor"), whose address is 500 Skokie Boulevard, Suite 444, Northbrook, Illinois 60062 in consideration of the leasing of the Premises (as defined in the Lease) to **KSM TIMBERS, LLC** (the "Tenant"), as described in the that certain Lease Agreement for Timbers at Troy between Howard County, Maryland (the "Landlord") and Tenant dated as of ______, 2017 (the "Lease"), hereby covenants and agrees that:

1. Subject to the terms and conditions of the Lease, including without limitation with respect to notice requirements and cure periods, if the Tenant shall default, at any time during the term of the Lease, in the performance of any of the covenants and obligations of the Lease to be performed by Tenant, then the Guarantor shall on written demand perform the covenants and obligations of the Lease on behalf of Tenant and shall on written demand pay to Landlord all sums due to Landlord under the Lease, including all damages and expenses that might arise from Tenant's default. Further, the Guarantor hereby does waive all requirements of notices of the acceptance of the Guaranty and all requirements of notice of breach of nonperformance by Tenant.

2. The Guarantor, at Landlord's option, may be joined in any action or proceeding commenced by Landlord against Tenant relating to any covenants and obligations in the Lease, and the Guarantor hereby waives all rights to demand that Landlord take any action of any nature whatsoever against Tenant.

3. This Guaranty shall remain and continue in full force and effect as to any renewal, extension, modification or amendment of the Lease and as to any assignment of Tenant's interest in the Lease, and the Guarantor waives notice of such renewals, extensions, modifications, amendments or assignments.

4. The Guarantor's obligations hereunder shall remain binding notwithstanding that Landlord may waive one or more defaults by Tenant, extend the time of performance by Tenant, release, return or misapply other collateral given as additional security (including other guaranties) or release Tenant from the performance of its obligations under the Lease.

5. This Guaranty shall remain in full force and effect notwithstanding the institution by or against Tenant of bankruptcy, reorganization, readjustment, receivership or insolvency proceedings of any nature, or the disaffirmance of the Lease in any such proceedings or otherwise.

6. If the Guaranty is signed by more than one party, their obligations shall be joint and several, and the release of one of the guarantors shall not release any other guarantor.

Further, this Guaranty makes the Guarantor, and the Guarantor so intends to be, a surety to the Landlord with respect to the Tenant's covenants and obligations under the Lease.

9. [Intentionally Omitted]

10. This Guaranty shall be effective and enforceable immediately upon its execution. The effectiveness and enforceability of this Guaranty is not in any way conditioned or contingent upon any event, occurrence or happening. Both Guarantor and Landlord have been represented by counsel in the negotiation and preparation of this Guaranty, therefore in the event of any finding of ambiguity by a court, this Guaranty shall not be considered or deemed to have been prepared by Landlord and thus construed against Landlord.

11. As a matter of policy, Guarantor does not provide copies of its financial statements to third parties. Notwithstanding the foregoing, however, prior to the signing of the Lease, Guarantor will make available its audited annual financial statements for the most recent three (3) available years for physical inspection (no copies) by Landlord in a private and confidential setting at a County office location agreed upon by the parties in good faith. Additionally, Guarantor agrees to make available subsequent available audited annual financial statements on an annual basis in the same fashion as described in the preceding sentence upon written request from Landlord.

IN WITNESS WHEREOF, the Guarantor has executed the Guaranty, with the intent that it be a sealed instrument, as of this ______ day of ______, 2017.

Part 3: Terms and Conditions Applicable to all Phases:

Lessee acknowledges and confirms that the County's requirements for insurance as it pertains to this Lease Agreement may change and the Lessee shall be obligated to maintain the insurance as required by the County. Requirements for coverage may not be all inclusive and may be changed at the reasonable but sole discretion of the County if there are changes to the golf course operations that change the risk during the term of the Lease Agreement. Lessee shall be obligated to purchase and maintain all coverage required and the parties will negotiate in good faith to make adjustments to the Annual Lease Fee to account of increased insurance costs occasioned by any requirements to purchase and maintain additional insurance coverage.

<u>No Increase in risk</u>. The Lessee and Contractor (a) shall not do or permit to be done any act which might result in either (a) any insurance or policy of insurance relating to the full property of Timbers at Troy Golf Course to be voided or suspended, or (b) the insurance risk and the premium or cost under any such policy to be increased, and (b) shall pay as an Additional Lease Fee the amount of any increase in any costs and/or premium for such insurance resulting from any breach of such covenant within ten (10) days after receipt of written notice from the County of such increase.

If any of the liability insurance policies required under this Lease Agreement are written on a claims-made basis, the party that purchased such insurance shall continue to maintain such

insurance for a period of three (3) years after substantial completion of the capital construction project or the Term of the Lease Agreement as applicable. The limits of liability and the extensions to be included remain the same. Lessor or Contractor must comply with one of the following additional conditions:

- Agree to provide certificates of insurance to the County evidencing the claimsmade insurance for the period above. Such certificates shall evidence a retroactive date no later than the beginning of any work or operations under the Lease Agreement; or
- (ii) Purchase an extended reporting period endorsement for each such claims-made policy in force as of the date of substantial completion of the capital construction project or the term of the Lease Agreement as applicable, and evidence the purchase of this extended reporting period endorsement by means of a certificate of insurance and a copy of the endorsement itself. Such certificate or copy of the endorsement shall evidence a retroactive date no later than the beginning of any Work or operations under the Lease Agreement.

All policies of insurance shall be underwritten by companies allowed to do business in the State of Maryland and acceptable to the County. The insurers must have a Best's Financial Strength Rating of "A-" or better, and a Financial Size Category of "Class VII" or higher, unless the County grants specific approval for an exception.

The Lessee and Contractor shall assure that all contractors performing services in accordance with this Lease Agreement carry identical insurance coverage required of the Lessee or Contractor based on who hires them, either individually or as an Additional Insured on the policies of the Lessee or Contractor. Exceptions may be made only with the approval of the County.

The Lessee shall not commence operations or Work under the Lease Agreement or any contract or occupy the full property of Timbers at Troy Golf Course until evidence of all required coverage, including all coverage that Lessee requires to be carried and maintained by Lessee's contractors and subcontractors, is received by the County. Further, the Lessee shall continue to provide the County with evidence of policy renewals for three (3) years after termination or expiration of the Lease Agreement and shall not reduce or cancel or change any of the required coverages without thirty (30) days' notice of such change to the County. Evidence of coverage shall be in the form of complete copies of policies or certificates of insurance with required endorsements, at the County's sole discretion.

Providing the insurance required herein does not relieve the Lessee of any responsibilities or obligations assumed by the Lessee under this Lease Agreement, which the Lessee may be liable by law or otherwise.

Failure to provide and continue to maintain such insurance as required herein shall be deemed to be a material breach of the Lease Agreement and shall operate as an immediate termination hereof. Further, a default under this section is a Class A civil offense and the County Purchasing Agent may take action under the terms and provisions of the RFP.

<u>Waiver of Right of Recovery.</u> To the extent permitted by law, Lessee shall waive all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for any and all loss of or damage to the full property of Timbers at Troy Golf Course and Lessee's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage). Lessee shall also require that subcontractors also waive any and all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for loss of or damage to subcontractor's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage) in all subcontract agreements. Any insurance policies maintained by Lessee and any subcontractors shall permit such waivers of rights of recovery by endorsement or otherwise.

<u>To the extent permitted by law,</u> Contractor shall be required to waive all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for any and all loss of or damage to the full property of Timbers at Troy Golf Course and Contractor's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage). Contractor shall also require that subcontractors also waive any and all rights against the County, its elected and appointed officials, officers, employees and authorized volunteers for loss of or damage to subcontractor's property, equipment and materials (including any consequential loss of income or extra expenses as a result of such loss or damage) in all subcontract agreements. Any insurance policies maintained by Contractor and any subcontractors shall permit such waivers of rights of recovery by endorsement or otherwise.

Indemnification. To the fullest extent permitted by law Lessee shall indemnify, defend and hold harmless the County, its elected and appointed officials, officers, employees and authorized volunteers from and against all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to the Lease Agreement, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting therefrom but only to the extent caused in whole or in part by any negligent act or omission of Lessee, any subcontractor or any individual or entity directly or indirectly employed by any of them to perform any of the work or anyone for whose acts any of them may be liable.

In case the County shall, without fault on its part, be made a party to any litigation commenced by or against Lessee, Lessee shall protect, indemnify, and defend with counsel reasonably acceptable to County, and hold County harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by County in connection with such litigation. The obligations set forth in this paragraph shall survive the expiration or sooner termination of this Lease.

To the extent provided by the Local Government Tort Claims Act, found at Sections 5-301 through 5-304 of the Courts and Judicial Proceedings Article of the Maryland Annotated Code, as supplemented from time to time, and the limitations of liability set forth therein, and subject to appropriations by the Howard County Council, County shall indemnify, defend and hold harmless the Lessee, and its affiliates and each of their shareholders, members, officers, directors, managers, employees, agents, representatives and authorized volunteers from and against all claims, costs, losses, and damages arising out of or relating to the Lease Agreement, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting therefrom but only to the extent caused in whole or in part by any negligent act or omission of County, any subcontractor or any individual or entity directly or indirectly employed by any of them to perform any of the work or anyone for whose acts any of them may be liable.

As a condition of indemnification, Lessee agrees to notify Howard County, MD, of any suits, claims or potential claims within 10 days of its own notice of such suits, claims or potential claims. The foregoing indemnification is not to be deemed as a waiver of any immunity that may exist in any action against Howard County, MD for its officers, agents, volunteers and employees.

EXHIBIT J NUTRIENT MANAGEMENT PROGRAM

This is the guideline for nutrient and fertility management for the Timbers at Troy Golf Club during a typical 12 month period. It is a guideline, and as such will be modified based on environmental factors experienced and testing throughout a given year. Our intention is to provide the highest quality facility possible with the most prudent use of nutrients possible. The following are the Guidelines for fertility from the University of Maryland:

It is the objective of Timbers at Troy to be within these guidelines.

The following paragraphs are comments from our independent soils consultant M&M Consulting Inc. M&M provides guidance to numerous golf courses in the Mid-Atlantic region. They sell no products so there data and recommendations are highly regarded within the industry.

Generally, the water used at Timbers at Troy for irrigation is of good quality. This year, the surface water had a touch of sodium in it (most likely from road runoff) but historically sodium is not a factor. The well water is calcium dominant and contains a bicarbonate load. If we become well dependent, we will need to take steps to insure that the bicarbonates do not create any issues in the soils, especially the greens. The primary methods of management will be application of materials to feed bicarbonates and acidification of the well water to destroy them. An acid injection system on our well water is something to consider.

The greens that were tested are generally in solid shape nutritionally. Basic applications, based on testing, of 0-0-7 and 0-0-50 on a regular basis will maintain desired chemistry. Nitrogen applications can range between 2-4#/M2 annually based on desired clipping yield and recovery. We will lean towards the lower end of that scale based on our desire to speed up our aerification process on the greens. Finally, we will apply manganese sulfate on a regular basis this winter to elevate levels above 25ppm. This will enhance color and improve disease resistance.

The fairways had a small high calcium limestone requirement per testing. We will apply limestone as needed on an annual basis. We will apply 1000#/acre of high calcium limestone as recommended. We have room to slightly increase the phosphorus levels in the soil, therefore will use MAP on the fairways especially if seeding or promoting recovery. We are bound by the Maryland regulations which prohibit nitrogen applications between December 1 through March 1. MAP is a water soluble fertilizer. In order to manage organic matter production Timbers at Troy will keep the nitrogen inputs on the fairways to 1-3#/M2 annually.

The roughs are typically a reflection of the fairways and should be managed similarly. Nitrogen input rate should be on the lower end of the scale.

The tees are in solid shape nutritionally. Do not apply any fertilizer containing phosphorus on the tees. The tees at Timbers at Troy are cool season grasses. Our nitrogen application range for the tees is 2-4#/M2 annually. Due to the small size of several of the tees we will consider a split nitrogen rate based on tee size and wear with the smaller tees having a higher nitrogen application rate to promote more tissue production.

In Maryland, nitrogen applications are prohibited from December 1 until March 1 annually. The limit for water soluble nitrogen is .7#/M2 actual nitrogen. The limit for slow release nitrogen is .9#/M2 actual nitrogen. The limit for Enhanced Efficiency Nitrogen applications is up to 2.5#/M2 nitrogen as long as 80% of the annual rate for the given turfgrass species is not exceeded.
