## Experience

### **Farmer/owner Myrtle Woods Farm, LLC**

**2012-present**

- Runs Myrtle Woods Farm, a 9 acre regenerative and organically run farm that grows vegetables, herbs and edible flowers year round as well as raises chickens and American Guinea Hogs.

### **Financial Manager (part time)**

**1982- 2012**

- Provided financial advice; assist with bill paying, medical billing, investments and taxes for individuals; help people work through financial decisions
- Provided bookkeeping for a small business

### **Co-Chair Building Committee**

**1998-2005**

*Grace Episcopal Church*

*Elkridge, Maryland*

- Oversaw all facets of the building of a \$1.5 million dollar child care center including visioning, capital fund raising, obtaining a million dollar bank loan, obtaining zoning permits, hiring and working with the architect and builder, all while maintaining a running 117-children child care center

### **Middle School Math Teacher**

**1999-2000**

*Relay Middle School*

*Relay, Maryland*

- Taught math to sixth, seventh and eighth graders part time in an accredited one-room school.

### **Educational Coordinator**

**1980-1982**

*St. Joseph's Hospital*

*Towson, Maryland*

- Provided training for technicians in the pulmonary function lab and arterial blood gas lab
- Co-taught introductory course at Towson University on "Overview of Health Professions"

### **Registered Cardiopulmonary Technologist**

**1975-1980**

*University of Maryland Hospital*

*Baltimore, Maryland*

- Performed pulmonary function tests for the hospital, including arterial blood gases
- Taught residents and fellows who rotated through the lab
- Assisted with research

## Education

BS Biology

1971-1975

Bucknell University

Lewisburg, Pennsylvania

**Interests**

I enjoy building bridges between people, finding better ways to do things, learning new things, giving the environment a voice in decision making, becoming more sustainable, sequestering carbon in soils, urban farming, chickens and amphibians.

**Civic Involvement**
