

Howard County
Internal Memorandum

Subject: Council Testimony

To: Lonnie R. Robbins
Chief Administrative Officer

From: 
Wanda S. Hutchinson

The Administration is seeking Council approval for a bill amending the Howard County Code to specify the appointing authority for three executive exempt positions. Those three positions are (1) the Department of Public Work's Chief in the Bureau of Utilities, (2) the Deputy Director for the Department of Corrections, and (3) the Custody and Security Chief for the Department of Corrections.

These changes are correcting situations that have been in place in the Pay Plan for some time; the changes were not made to the Howard County Code.
