Council Resolution No. __-2018 - Housing Unit Allocation Chart for FY 2019

A new Housing Unit Allocation Chart implements the *PlanHoward 2030* housing allocation categories and covers a ten-year period beginning in APF test year 2021, as specified in Section 16.1110 of the APF regulations.

Council Resolution No. __ -2018 – School Capacity Charts for FY 2019

The School Capacity Charts for elementary school districts and regions and for middle school districts must be adopted with the new Housing Allocation Chart. It has been updated to reflect changes in enrollment projections, redistricting, and programmed capacity increases since the last chart was adopted. These charts cover a ten-year period beginning in the APF test year 2021. Seven elementary school districts, no elementary school regions, and three middle school districts are projected to be closed for APF test year 2021.

There are no new anticipated fiscal impacts associated with adoption of these Council resolutions. Please contact me if you have any questions at x4301.
