**Subject:** Howard County Bill CB39-2018

**Message:** Please make sure these parts of the bill pass today: 1. A ban on dogs living outdoors on a chain. This is a physical and emotional hardship for dogs and is not an acceptable way to keep a companion animal. 2. When the temperature is extreme, both cold AND heat, dogs need to be brought indoors. 3. Provide a mandate to impound (take) the animal if violations are repeated or if conditions warrant. There are a lot of other things we'd like to see changed in the Howard County Animal laws, but we believe those three changes would make a real difference in the lives of local animals.
