Subject: CR 119-2018

I am Mickey Day, reside at 1940 Mt View Road, in Marriottsville, MD. I had hoped to attend tonight's council hearing, but due to events that occurred early this morning, I am occupied with Fire and Rescue activities. I am in full support of the St James United Methodist Church being allowed to hook up to the water line that serves the West Friendship Volunteer Fire Department. Connecting to this line will not only assist the St James Church with correcting a water health problem, it will also help to keep additional water moving in the line. I have been told, that flow thru the line will assist in further reducing the possibility of bacteria on the walls of the pipe and in the water. It makes sense to allow this connection.

Should you have any questions, please feel free to contact me.

Thanks always for your service to our community,
Mickey Day
