17 **ARTICLE IIA. - CREDITED SERVICE**

18 **Sec. 1.406A. - Definitions.**

19 (ab) Military service means active military duty in the Armed Forces of the United States,
20 including [[initial]] training and call-ups to active Federal duty with the National Guard or
21 Military Reserve.

22 **Sec. 1.414A. - Leaves of absence.**

23 (a) Temporary Absence is Not a Termination of Employment. A participant shall not cease to
24 be a covered employee even though his or her employment is interrupted by a temporary absence
25 from active service, extending for not more than 24 months, under conditions which are not
26 treated by the County as a termination of employment. The performance of an hour of service
27 after a leave of absence has commenced will constitute an expiration of the leave of absence.

28 (b) Credit for Service During Unpaid Leave of Absence for Military Service. Notwithstanding
29 the foregoing, the participant will not receive credit for service during an unpaid leave of absence
30 for military service, except to the extent required by the Uniformed Services Employment and
31 Reemployment Rights Act of 1994 and the State Personnel and Pensions Article, title 38, of the
32 Annotated Code of Maryland. To the extent required by the Heroes Earnings Assistance and

1 while in military service on or after July 1, 2007, the participant shall be entitled to eligibility
2 service for such military service.

3 (c) Expiration of Leave of Absence. If any participant on leave of absence fails to answer an

5 the death of disability of such participant, and the County has no actual knowledge thereof, the
6 County may determine that the leave of absence had or has expired.

7 (d) Crediting of Service During Paid Leaves of Absence. Service with respect to a leave of
8 absence will be credited pursuant to the following:

9 (1) Paid leaves of absence will constitute continuation of employment.

10 (2) Service will be credited for the customary period of work during a paid leave of absence,
11 and section 1.426A contributions will continue to be made.

12 (3) An individual on a leave of absence for reasons of illness will be deemed to be on a paid
13 leave of absence so long as the individual's rate of pay is not reduced and so long as he or she is
14 paid directly by the County or through County-financed wage continuation insurance; but the
15 individual will not be considered to be on a paid leave of absence under circumstances where
16 payments are made solely for the purpose of complying with workers' compensation,
17 unemployment insurance or disability insurance laws.

18 (e) Crediting of Service During Unpaid Leave of Absence. A leave of absence where the
19 participant's rate of pay is reduced shall constitute an unpaid leave of absence. Service credit shall
20 not be granted for an unpaid leave of absence (other than for military service, as described below)
21 unless the participant continues to make regular contributions to the plan pursuant to section
22 1.427A, in accordance with such administrative procedures as are developed by the County.

23 [[(f) Credit for Pre-Employment Military Service. A participant shall receive credit for
24 additional years of eligibility service and years of creditable service to the extent of the
