

Nicolas Orechwa Prepared Written Testimony 3-18-19

Good evening. Almost ~~one year~~^{two years} ago today, my Wife and I relocated from Montgomery County to Howard County. When I was a resident of Montgomery County I served on one county board and one county commission. I served first on the Montgomery County Citizen's Review Panel for Children. I then served on the Montgomery County Cable Compliance Commission. I enjoyed my service and would like to continue and serve Howard County. My Wife and I are long time pet owners, and I am a former volunteer with a shelter in Montgomery County. If confirmed, I look forward to the opportunity to serve on the Howard County Animal Matters Hearing Board.
