RE: Support of Council Resolution 35-2019

My name is Elizabeth Anne Larney, and I act today as the Chair of the Howard County Cemetery Preservation Advisory Board. After review, the Board has unanimously requested that I testify in support of Council Resolution 35 to add both the Reimensnider and Pickett Family Cemeteries to the Howard County Historic Cemetery Inventory.

The Board closely followed the issues surrounding the development of the property surrounding the Reimensnider Family Cemetery in Elkridge. We appreciated the developer's efforts to locate each burial. Once approval was received from the majority of the remaining descendants and the required permissions were received, we followed the disinterment from Florey Road to reinterment at Zion Cemetery where other descendant's remains reside.

The Pickett Family burial on Florence Road was brought to the Board's attention this past Fall. This site was not previously documented in the Historic Cemetery Inventory.

It is the goal of the Board for the Inventory to be as complete and as accurate as possible. As such, the Howard County Cemetery Preservation Advisory Board supports Council Resolution 35.
