Letter of Interest

Hi my name is Fayth Bowie. I would like to be considered for joining the Local Children's Board.

I have been a member of the Howard County Police Youth Advisory Council (YAC) for 2 years and I enjoy helping and learning new things. I was happy that I was recommended by Officer Harris.

I have been doing community help since 6 grade with helping salvation army thrift shop. I am part of the culinary ministry with helping serve and clean up meals to people. I participated in pledge for the very first time this year it helped me get over fears, learn that all police officers aren't bad and all through that I was able to win the perseverance award. Weather I am doing little to big I enjoy helping.

The Local Children's Board I believe will help me learn new things and start talking to more people. Thank you for considering having me.
