1 **Recitals**

2 In accordance with the provisions of Section 603 of the Charter of Howard County, Maryland
3 (the “Charter”), the County Executive has submitted a proposed Capital Budget for fiscal year 2020 to the
4 County Council of Howard County, Maryland, and, prior to the passage of this Act, the County Council
5 has adopted a Capital Budget for the fiscal year ending June 30, 2020 (the “Capital Budget”).

6 As a part of the Capital Budget, it is necessary that Howard County, Maryland borrow a sum not
7 exceeding ~~\$122,028,804~~ \$122,028,815 to be used for (i) the financing and refinancing of certain capital
8 projects, which include bridge projects, general county projects, storm drainage projects, school system
9 projects, fire and rescue projects, road resurfacing projects, road construction projects, roadside and
10 sidewalk projects, community college projects, parks and recreation projects, traffic improvements
11 projects and sewer projects which are specified and described in the Capital Budget (each a “Project”,
12 collectively, the “Projects”), and more particularly described in Appendix A attached hereto and
13 incorporated herein, and (ii) payment of costs of issuance of any obligations issued to evidence such
14 borrowing. Of such amount, ~~\$30,047,804~~ \$29,897,815 appropriated for certain of such Projects was
15 previously authorized to be borrowed by the County in prior calendar years, as indicated in Appendix A
16 in the column captioned “Amount to be Borrowed (Reauthorizations)”, but such authorized borrowing is
17 expected to expire prior to the completion of such Projects or the sale of general obligation bonds to
18 provide permanent financing therefor. Accordingly, it is necessary that such borrowing be reauthorized
19 (“Reauthorizations”).

20 **Now therefore, in accordance with the provisions of Article VI of the Charter:**

21 **Section 1. Be it enacted by the County Council of Howard County, Maryland,** That Howard
22 County, Maryland (the “County”), is hereby authorized and empowered to borrow on its full faith and
23 credit, and issue and sell its bonds or other obligations or evidences of indebtedness therefor, at one time
24 or from time to time, an amount not exceeding ~~\$122,028,804~~ \$122,028,815 the proceeds thereof to be
25 used to finance and refinance the Projects more particularly specified and described in Appendix A
26 attached hereto and in the Capital Budget; including for each Project, without limitation, the cost of

1 planning, design, construction, reconstruction, furnishing, equipping, improvements, renovations,
2 remodeling, enlargements, engineering services, architects services, surveys, landscaping, site
3 development, evaluation studies, land acquisition and related items, appurtenances and incidental
4 activities. The Projects and the amount to be borrowed for each (including, without limitation, any
5 Reauthorizations) are more specifically identified and described in Appendix A attached hereto.

6 Proceeds of any bonds or obligations authorized by this Act may also be used to pay costs of
7 issuance of such bonds or obligations.

8 **Section 2. And be it further enacted by the County Council of Howard County, Maryland,**

9 That, pursuant to and in accordance with Section 19-212 of the Local Government Article of the
10 Annotated Code of Maryland, as amended, the County is authorized to issue bond anticipation notes in
11 anticipation of the issuance of the bonds authorized by this Act and described in Section 1 hereof, and all
12 references to “bonds” or “obligations” in this Act shall include such bond anticipation notes, unless the
13 context clearly requires a contrary meaning. It is intended that the aggregate principal amount of issued
14 and outstanding bond anticipation notes when added to the aggregate principal amount of issued and
15 outstanding bonds or obligations in anticipation of which such notes were issued, shall not exceed the
16 aggregate principal amount set forth in Section 1 of this Act at any time. The County will agree in each
17 ordinance described in Section 4 of this Act relating to any notes issued pursuant to this Act to pay such
18 notes and the interest and premium, if any, thereon from the proceeds of the bonds in anticipation of the
19 sale of which such notes are issued, and the County will agree to issue such bonds when, and as soon as,
20 the reason for deferring their issuance no longer exists.

21 **Section 3. And be it further enacted by the County Council of Howard County, Maryland,**

22 That, in connection with the acquisition of real property as part of a Project, the County may incur all or
23 any portion of the indebtedness authorized by this Act for such acquisition by entering into an installment
24 purchase agreement pursuant to and in accordance with Section 4.201A of the Howard County Code
25 (“Section 4.201A”) or any successor provisions of law in lieu of issuing bonds or other obligations for
26 such acquisition. The principal amount of any such installment purchase agreement shall not exceed the

1 lesser of (a) the maximum principal amount permitted by Section 4.201A or (b) the portion of the amount
2 to be borrowed for such Project (as set forth in Section 1 hereof) which relates to such acquisition. All
3 references to “bonds” or “obligations” in this Act shall include such installment purchase agreements,
4 unless the context clearly requires a contrary meaning.

5 **Section 4. And be it further enacted by the County Council of Howard County, Maryland,**

6 That the County Council of the County, by an ordinance or ordinances adopted from time to time in
7 accordance with Article VI of the Charter and other applicable provisions of law and policies of the
8 County, shall provide for (a) the issuance and sale of, (b) the maximum principal amount, designation,
9 form, tenor and denomination or denominations of, (c) the dates of the first maturity and the last maturity
10 (not more than 30 years after the date of issue) of, and (d) the interest rate or rates per annum (or the
11 method of determining such rate or rates) payable on, any bonds or other obligations issued from time to
12 time under this Act; and may by any such ordinance, or by separate resolution, provide that the issue of
13 bonds hereby authorized be consolidated with one or more other issues.

14 **Section 5. And be it further enacted by the County Council of Howard County, Maryland,**

15 That for the purpose of paying the principal of and interest on such bonds or other obligations as the same
16 shall become payable, the County Council of Howard County shall levy annually ad valorem taxes upon
17 the assessable property in the County sufficient, together with other available funds, to pay the principal
18 of and interest on such bonds or other obligations until all of such bonds or other obligations shall mature
19 and be redeemed. The full faith and credit and unlimited taxing power of the County are hereby
20 irrevocably pledged to the payment of the principal of and interest on such bonds or other obligations.

21 **Section 6. And be it further enacted by the County Council of Howard County, Maryland,**

22 That any bonds or other obligations issued from time to time under this Act are specifically exempt from
23 the provisions of Sections 19-205 and 19-206 of the Local Government Article of the Annotated Code of
24 Maryland, as amended, and any successor provision of law.

25 **Section 7. And be it further enacted by the County Council of Howard County, Maryland,**

26 That all bonds or other obligations authorized hereby shall be issued within four years from the date this

1 Act becomes effective. Notwithstanding the foregoing, if bond anticipation notes are issued within such
2 period in accordance with Section 2 hereof, the bonds or other obligations authorized hereby may be
3 issued until the final maturity date of such notes.

4 **Section 8. And be it further enacted by the County Council of Howard County, Maryland,**
5 That the County anticipates that a portion of the costs of some or all of the Projects may be paid prior to
6 the issuance of the bonds or other obligations authorized hereby. The amount of such costs so paid will
7 depend on various factors, including, without limitation, the timing and speed of progress on the Projects,
8 the availability of other funds to pay such costs on an interim basis, bond and money market conditions
9 and compliance with federal and State laws and regulations.

10 Accordingly, the County reasonably expects to reimburse costs of the Projects (as described
11 herein) with proceeds of the bonds or other obligations authorized hereby, such bonds or other obligations
12 to be issued by the County in the maximum principal amount of ~~\$122,028,804~~ \$122,028,815.

13 **Section 9. And be it further enacted by the County Council of Howard County, Maryland,**
14 That this Act shall take effect sixty-one (61) days after its enactment.
