I am writing to ask that you support ZRA 187 now known as bill CB31 -2019. We do NOT need any more density In Howard County, especially Columbia. Think what density did to Ellicott City....shameful how Howard County is not thinking ahead to our futures, only about what money they can bring in today. PLEASE do the right thing and pass CB31 and stop density, at least when it comes to over 55 housing.

Thank you,

*Valerie Leonard*

Dear Council Chair Rigby,

Attached please find a sampling of some of the currently, under 300 petition signatures we gathered in support of CB31-2019, formerly ZRA 187. These signatures were gathered from different areas around the county. In order not to overwhelm your mailbox, the rest of them will be presented at the County Council Hearing on June 17th.

Best Regards,
