I am pleased to present my resume to you!

Believing my love of learning is complimented by my community relationships, quality of leadership, and extensive experience, I promote myself as a qualified candidate, in order to address the needs of our community.

I hold a Bachelor of Science Degree in Biological Sciences. Additionally, I hold a Master's Degree in Education. I hold an Advanced Professional Certificate in Biology grades 6-12 and Technology Education. I am committed to providing all students with a dynamic and nurturing learning environment, in which they can grow and develop. I seek to encourage students to enjoy extra-curricular activities and study groups, which I believe provides them with a self-directed lifelong learning.

I have over 20 years of experience in teaching! I motivate all levels of learners through STREAM strategies. Being an active member of the HCPSS CAC, HCPSS Data Policy and HCPSS Elementary Education Curriculum committees, I believe in the process of lifelong learning. Recently, I have completed Cultural Proficiency I, Cultural Proficiency II and Restorative Justice trainings. I am a Circle Keeper of HCEA.

I am proud of my commitment to our community.

Recently, I have completed training to become a Maryland Mediator and Leadership Essentials, at Loyola College. Serving on the on the leadership committee of Ellicott City's Kiwanis International, I am also a member of Kappa Delta Pi, Education Honor Society. Having been a consultant to the Continentals and the HCEA's Educators of Color, I have also served as the co-chairperson of the Education Committee of Howard County's NAACP!

Having a strong commitment to the strength of the Education Associations,, I have been elected as a statewide delegate to the state (MSEA) and the national (NEA) representative assembly. MSEA Trainings, which I have attended include Emerging Leaders and various leadership and organizing workshops. I am a member of the NEA Restorative Justice and Peace & Justice Caucuses. After being appointed to the MSEA Human Rights Committee, I was asked to be on the MSEA Social Justice committee, as well. As a member of the HCEA Government Relations Committee, I shared ideas to benefit our learners, in order to promote stronger bridges of community.

Evolving as an educator and developing excellent communication, leadership, and time management skills, I have improved the classroom climate and culture, in order to address the needs of all learners. While teaching in Baltimore, I was elected Teacher of the Year. Being recognized by the Mayor, City Council, PTA, and the community, I have proven my dedication to the students. As a team leader, I taught science. I guided student-teachers, trained new teachers and mentored teachers. Having written grants, I coordinated Chesapeake Bay experiences, including, canoes, oyster dredging, tree-planting, river reclamation, and more! I organized food drives and delivery efforts.

As a team leader and teacher, at Patuxent Valley, I supported study groups, for all level learners, including Omega Mentors, BSAP, Student for Success, and MESA. Currently, I teach Technology to grades 6-8, for all level learners. Having served on the Green School committee, our school earned the Bronze level. I have written curriculum and designed websites for project based learning.

Being one of the founders of League of Gentleman, I assisted a free mentoring initiative for young men. We had celebrity guest coaches. I organized trips to high schools, college, and a NBA Wizards game! For five years, our participants did not earn office interventions and most earned Honor Roll!
