Hello, this is Lawrence Lewis and I'm so sorry I couldn't get into the meeting. I want to join the council because of the work y'all have done in the past. The presentations, the food banks, and helping out the youth. These are just some things that I inspire to do in the commission. One thing I have done already was feed the homeless with an organization called 100 for 100, I feel that they could also help with bringing in food for the food banks as well. I want to help plan some of the events and I feel that I can get more youth involved. This is why I want to join the council and serve as a representative. Thank you for your time!
