2 In accordance with the provisions of Section 603 of the Charter of Howard County, Maryland  
3 (the "Charter"), the County Executive has submitted a proposed Capital Budget for fiscal year 2021 to the  
4 County Council, and, prior to the passage of this Act, the County Council of Howard County, Maryland  
5 has adopted a Capital Budget for the fiscal year ending June 30, 2021 (the "Capital Budget").

6 As a part of the Capital Budget, it is necessary that Howard County, Maryland borrow a sum not  
7 exceeding \$9,248,099 to be used for road construction projects, specified and described in the Capital  
8 Budget (each a "Project", collectively, the "Projects"), which Projects are more particularly described in  
9 Appendix A attached hereto and incorporated herein, for payment of costs of issuance of any obligations  
10 issued to evidence such borrowing. Of such amount, \$8,979,099 appropriated for certain of such Projects,  
11 as indicated in Appendix A hereto in the column captioned "Amount to be Borrowed (Reauthorizations)",  
12 was previously authorized to be borrowed by the County during prior calendar years, but such authorized  
13 borrowing is expected to expire prior to the completion of such Projects and/or the sale of general  
14 obligation bonds to provide permanent financing therefor. Accordingly, it is necessary that such  
15 borrowing be reauthorized ("Reauthorizations").

16 **Now therefore, in accordance with the provisions of Article VI of the Charter of Howard**  
17 **County, Maryland:**

18 **Section 1. Be it enacted by the County Council of Howard County, Maryland,** That Howard  
19 County, Maryland (the "County"), is hereby authorized and empowered to borrow on its full faith and  
20 credit, and issue and sell its bonds or other obligations therefor, at one time or from time to time, an  
21 amount not exceeding \$9,248,099, the proceeds thereof to be used to finance and refinance the Projects  
22 more particularly specified and described in Appendix A attached hereto and in the Capital Budget;  
23 including for each Project, without limitation, the cost of planning, design, construction, reconstruction,  
24 furnishing, equipping, improvements, renovations, remodeling, enlargements, engineering services,  
25 architects services, surveys, landscaping, site development, evaluation studies, land acquisition and  
26 related items, appurtenances and incidental activities. The Projects and the amounts to be borrowed for

1 each (including, without limitation, any Reauthorizations), are more specifically identified and described  
2 in Appendix A attached hereto.

3 Proceeds of any bonds or other obligations authorized by this Act may also be used to pay costs  
4 of issuance of such bonds or other obligations.

5 **Section 2. And be it further enacted by the County Council of Howard County, Maryland,**

6 That, pursuant to and in accordance with Section 19-212 of the Local Government Article of the  
7 Annotated Code of Maryland, as amended, the County is also authorized to issue bond anticipation notes  
8 in anticipation of the issuance of the bonds or other obligations authorized by this Act and described in  
9 Section 1 hereof, and all references to “bonds” or “obligations” shall include such bond anticipation  
10 notes, unless the context clearly requires a contrary meaning. It is intended that the aggregate principal  
11 amount of issued and outstanding bond anticipation notes when added to the aggregate principal amount  
12 of issued and outstanding bonds in anticipation of which such notes were issued, shall not exceed the  
13 aggregate principal amount set forth in Section 1 of this Act at any time. The County will agree in each  
14 ordinance described in Section 4 of this Act relating to any notes issued pursuant to this Act to pay such  
15 notes and the interest and premium, if any, thereon from the proceeds of the bonds in anticipation of the  
16 sale of which such notes are issued, and the County will agree to issue such bonds when, and as soon as,  
17 the reason for deferring their issuance no longer exists.

18 **Section 3. And be it further enacted by the County Council of Howard County, Maryland,**

19 That, in connection with the acquisition of real property as part of a Project, the County may incur all or  
20 any portion of the indebtedness authorized by this Act for such acquisition by entering into an installment  
21 purchase agreement pursuant to and in accordance with Section 4.201A of the Howard County Code  
22 (“Section 4.201A”) or any successor provisions of law in lieu of issuing bonds or other obligations for  
23 such acquisition. The principal amount of any such installment purchase agreement shall not exceed the  
24 lesser of (a) the maximum principal amount permitted by Section 4.201A or (b) the portion of the amount  
25 to be borrowed for such Project (as set forth in Section 1 hereof) which relates to such acquisition. All

1 references to “bonds” or “obligations” in this Act shall include such installment purchase agreements,  
2 unless the context clearly requires a contrary meaning.

3 **Section 4. And be it further enacted by the County Council of Howard County, Maryland,**

4 That the County Council of the County, by an ordinance or ordinances adopted from time to time in  
5 accordance with Article VI of the Charter and other applicable provisions of law and policies of the  
6 County, shall provide for (a) the issuance and sale of, (b) the maximum principal amount, designation,  
7 form, tenor and denomination or denominations of, (c) the dates of the first maturity and the last maturity  
8 (not more than 30 years after the date of issue) of, and (d) the interest rate or rates per annum (or the  
9 method of determining such rate or rates) payable on, any bonds or other obligations issued from time to  
10 time under this Act; and may by any such ordinance, or by separate resolution, provide that the issue of  
11 bonds or other obligations hereby authorized be consolidated with one or more other issues.

12 **Section 5. And be it further enacted by the County Council of Howard County, Maryland,**

13 That for the purpose of paying the principal of and interest on such bonds or other obligations as the same  
14 shall become payable, the County Council of Howard County shall levy annually ad valorem taxes upon  
15 the assessable property in the County sufficient, together with building excise taxes and other available  
16 funds, to pay the principal of and interest on such bonds or other obligations until all of such bonds or  
17 other obligations shall mature and be redeemed. The full faith and credit and unlimited taxing power of  
18 the County are hereby irrevocably pledged to the payment of the principal of and interest on such bonds  
19 or other obligations.

20 **Section 6. And be it further enacted by the County Council of Howard County, Maryland,**

21 That any bonds or other obligations issued from time to time under this Act are specifically exempt from  
22 the provisions of Sections 19-205 and 19-206 of the Local Government Article of the Annotated Code of  
23 Maryland, as amended, and any successor provision of law.

24 **Section 7. And be it further enacted by the County Council of Howard County, Maryland,**

25 That all bonds or other obligations authorized hereby shall be issued within four years from the date this  
26 Act becomes effective. Notwithstanding the foregoing, if bond anticipation notes are issued within such

1 period in accordance with Section 2 hereof, the bonds or other obligations authorized hereby may be  
2 issued until the final maturity date of such notes.

3 **Section 8. And be it further enacted by the County Council of Howard County, Maryland,**

4 That the County anticipates that a portion of the costs of some or all of the Projects may be paid prior to  
5 the issuance of the bonds or other obligations authorized hereby. The amount of such costs so paid will  
6 depend on various factors, including, without limitation, the timing and speed of progress on the Projects,  
7 the availability of other funds to pay such costs on an interim basis, bond and money market conditions  
8 and compliance with federal and State laws and regulations.

9 Accordingly, the County reasonably expects to reimburse costs of the Projects (as described  
10 herein) with proceeds of the bonds or other obligations authorized hereby, such bonds or other obligations  
11 to be issued by the County in the maximum principal amount of \$9,248,099.

12 **Section 9. And be it further enacted by the County Council of Howard County, Maryland,**

13 That this Act shall take effect sixty-one (61) days after its enactment.
