6 judicial review in accordance with the Administrative Procedure Act.

7

8 **Section 3.213. Indemnity and insurance.**

- 9 (a) *Indemnity.* Except a holder of an active master [[electrician's]] ELECTRICIAN-GENERAL
10 license issued by the State of Maryland, the holder of an electrical [[license]] RESTRICTED
11 OR LIMITED REGISTRATION shall indemnify and hold Howard County harmless from and
12 against all liability and expenses, including attorney fees, howsoever arising or incurred, for
13 damage to property or injury to or death of any person arising out of or attributable to the
14 performance of the [[licensee]]REGISTRANT in Howard County.
- 15 (b) *Requirement for Insurance.* Except a holder of an active master electrician's license issued
16 by the State of Maryland, an individual may not perform electrical work unless the
17 individual maintains insurance of the type and in the amount required under THE BUSINESS
18 OCCUPATIONS AND PROFESSIONS ARTICLE OF THE [[section 6-604 of the business
19 occupations and professions article,]] Annotated Code of Maryland. This insurance
20 provision does not relieve the individual doing electrical work of any of the responsibilities
21 assumed by an individual doing such work or for which an individual doing electrical work
22 may be liable by law or otherwise.
- 23 (c) *Insurance Required to Obtain [[License]]REGISTRATION.* The Board shall not issue, renew,
24 restore, or reactivate a [[license]]REGISTRATION unless the individual to be

Section 3.217. Permit required.

(a) (1) Except as provided in paragraph (2) of this subsection and subsection (c) and subsection (d) of this section, a person shall not perform electrical work without a permit obtained under this subtitle.

(2) A permit is not required for a homeowner to repair or replace a portable appliance, lighting fixture, fuse, lamp, socket or to make other minor repairs at an existing outlet in the homeowner's residence.

(b) If an electrical application accompanies a building permit issued with a contingency construction start (CCS), then electrical work, including rough-in work:

- (1) May begin prior to the issuance of an electrical permit;
- (2) Is subject to inspection after the electrical permit is issued; and
- (3) Is subject to all rules and limitations of the CCS.

(c) Instead of obtaining an individual electrical permit, the holder of a master electrician-limited ~~[[license]]~~REGISTRATION may obtain an annual electrical permit.

(d) (1) Instead of obtaining an electrical permit for each telephone communication wiring job, a ~~[[licensee]]~~REGISTRANT may obtain a blanket electrical permit to cover all telephone communication wiring.

(2) A holder of a blanket electrical permit for telephone communication wiring shall file a monthly list with the Building Official that includes:

- (i) The address of each telephone wiring job performed during the prior month; and
- (ii) The name of the owner and occupant of the premises.

(e) (1) Unless a permit is issued to a master electrician-general or master electrician-limited, a service release shall not be issued to a public utility company.

(2) A service release will be issued only if there has been compliance with the requirements of this subtitle.

(f) The Applicant shall keep a copy of the electrical permit at the site of the work until completion.

1 **Section 3.221. Inspections.**

2 (a) An inspection is performed for the protection of the public safety, health, and welfare; is
3 purely governmental in nature; and is shall not be construed as providing a warranty of
4 construction to individual members of the public.

5 (b) Electrical work that requires a permit shall:

6 (1) Be subject to inspection by the Building Official;

7 (2) Remain accessible and exposed for the purpose of inspection; and

8 (3) Not be completed beyond the point indicated in each successive inspection without
9 prior approval of the Building Official.

10 (c) The Building Official may examine a building, structure, or site listed in the application in
11 order to inspect the electrical work:

12 (1) Prior to issuing a permit;

13 (2) During the performance of work to ensure compliance with the provisions of this
14 subtitle; and

15 (3) After all work required by the permit is completed.

16 (d) Except as provided in subsections (d) and (e) of this section, the holder of a building permit
17 shall:

18 (1) Notify the Building Official when work is ready for inspection; and

19 (2) Cause the work to remain accessible and exposed for the purpose of inspection.

20 (e) If electrical work is performed under an annual electrical permit, the holder of a master
21 electrician-limited [[license]]REGISTRATION shall:

22 (1) Notify the Building Official when concealed work is complete and ready for
23 inspection; and

24 (2) Maintain a log of work for an annual permit.

25 (f) If electrical work is performed under a blanket electrical permit for telephone wiring, the
26 [[licensee]]REGISTRANT shall notify the Building Official when work is complete and ready
27 for inspection unless:

28 (1) The rough wiring portion of the telephone communication wiring is complete and
29 ready for inspection at the same time the electrical contractor's rough wiring is
30 inspected;

31 (2) The electrical work meets all requirements of this subtitle; and

1 (3) The telephone communication wiring is tagged to identify the [[licensee]]REGISTRANT
2 who did the electrical work.

3 (g) The Building Official shall:

4 (1) Upon notification, make the requested inspection;

5 (2) Notify the permit holder that the electrical work:

6 (i) Is satisfactorily completed; or

7 (ii) Fails to comply with this subtitle; and

8 (3) Be identified by proper credentials.

9 (h) The Building Official may accept reports of approved inspection agencies if the agency
10 satisfies requirements as to qualifications and reliability.

11 (i) Electrical work that does not comply with this subtitle as determined upon inspection shall
12 be corrected and shall not be covered or concealed until authorized by the Building Official.

13 (j) Approval of electrical work as a result of an inspection is not considered approval of a
14 violation of this subtitle or any other provision of the Howard County Code.

15 (k) The Building Official or the County is not liable for any expenses incurred in the removal or
16 replacement of any material required to be moved to allow inspection.

17
18 **Section 3.225. Hazardous conditions and authority to disconnect.**

19 (a) If the Building Official finds a dangerous installation, alteration, or repair of electrical work,
20 the Building Official shall provide notice that shall:

21 (1) Be served on the owner or occupant of the premises and the [[licensee]]REGISTRANT
22 by:

23 (i) Telephone;

24 (ii) Personal service;

25 (iii) First class mail; or

26 (iv) By posting the property as "unsafe"; and

27 (2) State that necessary repairs shall be made within [[five days of receipt of the
28 notification]]THE TIME PERIOD SPECIFIED IN THE NOTICE.

29 (b) (1) The Building Official may disconnect public utilities, including electrical supply, to a
30 building, structure, or system regulated by this subtitle if:

31 (i) Repairs are not made under this section; or

1 (ii) A hazardous condition exists that threatens or may threaten the public health and
2 safety.

3 (2) The Building Official shall notify:

4 (i) The serving utility; and

5 (ii) The owner and occupant of the building, structure, or service system of the
6 decision to disconnect:

7 a. Where possible, prior to disconnecting; or

8 b. As soon as practical, after disconnecting.

9
10 **Section 3.226. Notice of violation.**

11 (a) A person shall not perform or cause to be performed electrical work in violation of this
12 subtitle.

13 (b) The Building Official may serve a notice of violation on the owner or
14 [[licensee]]REGISTRANT for the erection, construction, alteration, extension, repair, moving,
15 removing, demolition, occupancy, or installation of electrical work that is in violation of a
16 provision of this subtitle or in violation of a permit or [[license]]REGISTRATION granted
17 under this subtitle.

18 (c) A notice of violation shall order that:

19 (1) The illegal action be terminated;

20 (2) The illegal condition be fixed; and

21 (3) The violation be abated.

22 (d) A notice of violation shall be served by:

23 (1) Personal service;

24 (2) Certified mail, restricted delivery, return receipt requested to the property owner and to
25 the [[licensee]]REGISTRANT;

26 (3) First class to the property owner's address as listed on the permit application;

27 (4) First class to the [[licensee's]]REGISTRANT'S address as listed on the
28 [[license]]REGISTRATION application; or

29 (5) If service is not obtained in one of these methods, by posting in a conspicuous place on
30 the property.
