Speed Enforcement Fund

Description

This fund allows the Department of Police to implement a speed enforcement program in Howard County to increase public safety on county roadways in compliance with local and state requirements. This fund receives revenues from fines paid by motor vehicle operators exceeding the posted speed limits on designated county roadways. Citations are issued based upon review of photographic evidence provided by speed camera equipment in compliance with local and state requirements. Funds in excess of those needed to operate the program can be used for other public safety uses in the capital and operating budget.

Risk Management Fund

Description

This fund combines county government risk management activities including: Workers' Compensation, General, Auto, Property, and Environmental Liability and Risk Management Administration. The County insures these exposures with an appropriate combination of self-insurance and purchased excess insurance. The County Library System, Community College, Economic Development Authority and Housing Commission participate in the Risk Management Fund. The Fund is estimated to have \$18.4 million in required claims reserve and \$18.9 million in cash balance available to pay for outstanding and future claims presented against the County.
