5 The outstanding Notes were issued in anticipation of the issuance of the County's consolidated public improvement bonds and metropolitan district bonds, and the County 6 authorized the issuance of such bonds in one or more series pursuant to Council Bill No. 7 8 34-2006 enacted by the County Council and effective on June 7, 2006, as amended and supplemented from time to time (as so amended and supplemented and together with this 9 10 Ordinance, the "Master Bond Ordinance"). Current market conditions are volatile and an inflexible approach to 8 (4) borrowing by the County threatens its ability to initiate necessary capital projects and will 9 diminish the resources available to provide for the needs of the citizens of the County in 10 the future, and the interests of the County are best served by providing the County with 11 reasonable flexibility in accessing the capital markets. Accordingly, any sale of 12 Consolidated Public Improvement Bonds and Metropolitan District Bonds (collectively, 13 "Bonds") pursuant to this Ordinance by private negotiation will provide significant benefits 14 to the County which would not be achieved if such Bonds were sold at public sale and is 15 16 in the County's best interest.

17 (5) The probable remaining average useful life of (a) the Public Improvement 18 Capital Projects financed and refinanced with proceeds of the Refunded Obligations and 19 to be refinanced with the proceeds of the Consolidated Public Improvement Bonds and (b) 20 the Other Public Improvement Capital Projects (if any) is more than 25 years, and all of 21 the Consolidated Public Improvement Bonds shall be payable within such probable average 22 useful life.

Section 16. The County hereby covenants with each of the holders of any Bonds,
the interest on which is expected to be excludable from federal income taxation (such

Bonds being referred to herein collectively as "Tax-Exempt Obligations"), that it will not 1 use, or suffer or permit to be used, the proceeds received from sale of such Tax-Exempt 2 Obligations, or any moneys on deposit to the credit of any account of the County which 3 may be deemed to be proceeds of such Tax-Exempt Obligations, pursuant to Section 148 4 ("Section 148") of the Internal Revenue Code of 1986, as amended (the "Code"), and 5 applicable regulations thereunder, which use would cause such Tax-Exempt Obligations to 6 be "arbitrage bonds" within the meaning of Section 148 and the regulations thereunder. 7 The County further covenants that it will comply with Section 148 and the regulations 8 thereunder which are applicable to Tax-Exempt Obligations on the date of issuance of such 9 Tax-Exempt Obligations and which may subsequently lawfully be made applicable to such 10 Tax-Exempt Obligations. The County Executive, the County Administrative Officer and 11 the Director of Finance shall be officers of the County responsible for issuing any Tax-12 Exempt Obligations. The County Executive or the Director of Finance is hereby authorized 13 and directed to prepare or cause to be prepared and to execute, any certification, opinion 14 or other document which may be required to assure that such Tax-Exempt Obligations will 15 not be deemed to be "arbitrage bonds" within the meaning of Section 148 and the 16 regulations thereunder. 17

i j

18 The County is hereby authorized to take any and all actions as may be necessary or 19 desirable to assure that interest on Tax-Exempt Bonds is and remains excludable from gross 20 income for federal income tax purposes.

The County is hereby authorized to take any and all actions as may be necessary or desirable to assure that any Bonds authorized by this Ordinance are allowed a tax credit, that the County is entitled to a subsidy from the United States of America or any agency or

instrumentality thereof with respect to such Bonds or the interest payable thereon, or that
 any such Bond or the interest thereon is entitled to any other available benefits under the
 Code (any such Bonds being referred to herein as "Tax Advantaged Obligations"). Any
 such actions may be authorized by an order of the County Executive.

The County Executive is hereby authorized to make such covenants or agreements 5 6 in connection with the issuance of any Tax-Exempt Obligations or Tax Advantaged 7 Obligations as he shall deem advisable in order to assure (i) the holders of any such Tax-8 Exempt Obligations that interest thereon shall be and remain exempt from federal income taxation, (ii) the holders of any such Tax Advantaged Obligations that such Tax 9 Advantaged Obligations will be entitled to such benefits, and (iii) that the County is entitled 10 to any subsidy available for any such Tax Advantaged Obligations. Such covenants or 11 12 agreements shall be binding on the County so long as the observance by the County of any such covenants or agreements is necessary in connection with the maintenance of the 13 exemption from federal income taxation of the interest on such Tax-Exempt Obligations 14 or the entitlement of such Tax Advantaged Obligations to such benefits, respectively. The 15 foregoing covenants and agreements may include (without limitation) covenants or 16 agreements on behalf of the County relating to the investment of proceeds of such Tax-17 Exempt Obligations or Tax Advantaged Obligations, the rebate of certain earnings 18 resulting from such investment to the United States of America (or the payment of penalties 19 in lieu of such rebate), limitations on the times within which, and the purposes for which, 20 such proceeds may be expended or the utilization of specified procedures for accounting 21 for and segregating such proceeds. Any covenant or agreement made by the County 22

Executive pursuant to this paragraph in an order or certificate executed by the County
 Executive shall be binding upon the County.

. ,

In furtherance of the foregoing, in order to qualify for and maintain the tax-exempt 3 status of any Tax-Exempt Obligations or the benefits inuring with respect to any Tax 4 Advantaged Obligation, the County Executive shall be authorized to make any elections or 5 6 designations permitted or required under the Code, to apply for an allocation from the State of Maryland or the federal government in the case of Bonds or Notes subject to any volume 7 limitation and to apply for any tax credit, to take such actions as shall be necessary to permit 8 9 any tax credit to be stripped and sold separately from the ownership interest in any Tax Advantaged Bond and to claim any cash subsidy with respect to any Tax Advantaged 10 Obligation. It is confirmed that the County Executive is authorized to declare official intent 11 to reimburse expenditures from proceeds of Tax Advantaged Obligations. 12

For purposes of establishing compliance with Section 148 of the Code regarding the expenditure of proceeds of Tax-Exempt Obligations or Tax Advantaged Obligations, the source of Capital Projects Fund monies for capital expenditures may be specifically attributed to funds deposited to the Capital Projects Fund as a reimbursement from the proceeds of County debt issuances in accordance with a certificate executed by the County Executive.

19 It is confirmed that bond premium, consisting of net bond proceeds from the sale 20 of bonds sold at a price above par, may be allocated for expenditure purposes permitted 21 under provisions of federal income tax law pertaining to excludability of interest on the 22 bonds from gross income or the tax status of Tax Advantaged Obligations, as applicable.

1 Section 17. In accordance with the provisions of Section 402(a) of the Charter, 2 the County Executive is hereby authorized to delegate to the Chief Administrative Officer the power and authority to take any and all actions required or permitted to be taken by the 3 4 County Executive pursuant to this Ordinance. 5 (a) This Ordinance shall be supplemental to the Master Bond Section 18. Ordinance and shall be a "Supplemental Ordinance" as defined therein; provided, however, 6 that to the extent that any of the terms and provisions of this Ordinance conflict with the 7 terms and provisions of the Master Bond Ordinance, the terms and provisions of this 8 9 Ordinance shall control. 10 It is hereby found and determined that the modification and (b)11 supplementation of the Master Bond Ordinance, as provided herein, is in the best interest of the County and is not adverse to the interests of the holders of the Notes. 12 13 Except as hereby or heretofore supplemented, the Master Bond Ordinance (c) 14 shall remain in full force and effect; and the Master Bond Ordinance, as so modified and 15 supplemented, is ratified and confirmed. 16 (đ) On and after the date of enactment hereof, all references to "Bond 17 Ordinance" in the Note Ordinance or the Master Bond Ordinance shall mean the Master 18 Bond Ordinance as supplemented hereby. 19 Section 19. If any one or more of the provisions of this Ordinance, including any covenants or agreements provided herein on the part of the County to be performed, should 20 be contrary to law, then such provision or provisions shall be null and void and shall in no 21 22 way affect the validity of the other provisions of this Ordinance or of the Bonds. 23 Section 20. This Ordinance shall take effect on the date of its enactment.

## Council Bill No. 68-2021

í

Introduced: October 4, 2021 Auditor: Owen Clark & Michael A. Martin

### Fiscal Impact:

This ordinance will have no direct fiscal impact to the County.

All capital appropriations to be funded with consolidated public improvement (CPI) and metropolitan district (Metro) bond proceeds were approved in prior years' budget legislation.

## Purpose:

This ordinance seeks to authorize the issuance and sale of the County's CPI bonds and Metro bonds. The ordinance authorizes the County to issue CPI bonds up to \$150,000,000 and Metro bonds up to \$50,000,000 to finance and retire outstanding short-term debt.

### Other Comments:

Bond issuance costs include rating agency fees, bond counsel, and financial advisory services. The cost for the March 2021 bond sale was \$833,058, or 0.5 percent of the total bond issuance.

The bond issuance over the last four years is noted in **Attachment A**. This table also includes a four-year Bond Anticipation Note (BAN) Repayment and Bond Issuance Trend.

The interest rates from the County's last bond sale are as follows:

- The Metro District Bond Series was 2 to 5 percent
- The CPI Bond Series was 1.75 to 5 percent

Per the Administration, the sale is expected to occur in February 2022.

SUBJECT – Testimony for Ordinance Authorizing Bond Sale

September 9, 2021

To: Lonnie R. Robbins Chief Administrative Officer

From: Rafiu O. Ighile K2 Director of Finance

The proposed legislation will authorize the County to sell bonds to finance certain capital projects as well as use the sale proceeds to retire outstanding short-term debt (Bond Anticipation Notes). Council Bill 35-2021, Council Bill 37-2021, Council Bill 38-2021, Council Bill 39-2021, and Council Bill 36-2021 authorized the issuance of bonds for the projects included in this legislation as part of the FY 2022 Capital Budget.

The bonds are expected to be sold in April 2022. As has been done in the past, the specific terms of the sale will be specified by Executive Order based upon market conditions at the time of the sale. The sale is expected to include up to \$150,000,000 for Consolidated Public Improvement (general county), and up to \$50,000,000 for Metropolitan District (water and sewer) bonds.
