[Note: This email originated from outside of the organization. Please only click on links or attachments if you know the sender.]

PASS CB11-2022. Not releasing funds will harm the CEF program and create uncertainty for candidates wishing to use it, whereas releasing funds does no harm to candidates or the program. It's important that we make this technical fix both for the impact on this election, but also to avoid the perception that our elected officials are playing politics with the program or the fund.

[Note: This email originated from outside of the organization. Please only click on links or attachments if you know the sender.]

Dear Council Members and County Executive, The citizens passed the Citizens Election Fund and their vote needs to be respected. All elected members representing Howard County need to fix any issues and all need to vote to resolve this problem. This should not be coming up now in an election year if people were doing their jobs to assure things are correct and that no technical issues existed that could present a problem. Quality matters in all jobs and ethics matter the most. I will personally be paying attention to see who steps up to get this resolved as fast as possible.

Best Regards & Be Safe,

Peggy Stover - Catha

[Note: This email originated from outside of the organization. Please only click on links or attachments if you know the sender.]

Hello,

We call on County Executive Calvin Ball and the County Council to support emergency legislation to remedy the language in the original 2017 CEF Bill, and not to thwart the election process that was pushed forward by County voters.

Thank you,
Rene Carter

Dear County Council,

I urge you to pass this bill in order to carry out the will of the people as implemented in the Citizens Election Fund.

A technicality should not reverse what was put in place by voters. Matching public funds should go to candidates who are deemed qualified.

To whom it may concern,

In my opinion, the delay in releasing campaign funding to state-qualified candidates is ridiculous, bordering on unethical. Please prove me wrong. Vote for emergency CB11 as soon as possible and release the funds that my fellow citizens and I helped to provide in 2017.

Thank you,
Esta Glazer

You must release campaign funds! Not releasing funds will harm the CEF program and create uncertainty for candidates wishing to use it, whereas releasing funds does no harm to candidates or the program. It's important that we make this technical fix both for the impact on this election, but also ... to avoid the perception that our elected officials are playing politics with the program and the fund,

Dear Mr. Ball and members of the County Council,

Please pass CB11-2022.

Releasing the funds does no harm to any candidate while not releasing creates uncertainty for those candidates who wish to use it and who have planned their campaigns accordingly. Fixing this technical error should be made now for this year's primary election. Let's not play politics with the CEF program and the integrity of Howard County's elections.

Dear all,

As a resident of Howard County who voted, along with the majority of voters in Howard County, to establish a Citizens Election Fund, I expect you to pass CB11-2022 without delay.

I am not interested in hearing about a technicality, discovered at the last hour, that could derail the implementation of this fund. The voters in Howard County have been waiting for this program for years and want to see it in action.

Not releasing funds will harm the CEF program and erode the confidence of candidates in its viability. It will also erode the confidence of voters in your competence. And it would certainly create the perception that our elected officials are playing politics with the program and the fund. I am sure you wouldn't want that.

I am so glad to see this on the agenda for the Special Legislative Session scheduled for Wednesday, January 26th at 6:00 pm.

And I am hopeful this means the bill will be passed as not releasing these funds could do harm to the Citizens Election Fun program.
