**SECTION 3.3. Mutilated, Lost, Stolen or Destroyed Agreement.** In the event that this Agreement is mutilated, lost, stolen or destroyed, the County and the Registered Owner (as then shown on the registration books maintained by the Registrar) shall execute a substitute for this Agreement having the same terms as that of this Agreement mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Agreement, such mutilated Agreement shall first be surrendered to the Registrar, and, in the case of any lost, stolen or destroyed Agreement there shall be first furnished to the County and the Registrar evidence of such loss, theft or destruction satisfactory to the County and the Registrar, together with indemnity satisfactory to each of them in their sole discretion. The County and the Registrar may charge the Registered Owner requesting such new Agreement their expenses and reasonable fees, including attorney's fees, in this connection. The Registered Owner shall be responsible for the payment of all such expenses and fees whether or not the Registered Owner subsequently recovers, presents, and surrenders this Agreement at the office of the Registrar. The Registrar shall deduct such expenses from the final installment of the Deferred Purchase Price before paying the balance to the Registered Owner. If after the delivery of such substitute Agreement, a bona fide purchaser of the original Agreement (in lieu of which such substitute Agreement was issued) presents for payment such original Agreement, the County and the

Registrar shall be entitled to recover such substitute Agreement from the person to whom it was delivered or any other person who receives delivery thereof, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor or otherwise to the extent of any loss, damage, cost or expense incurred by the County and the Registrar in connection therewith.

#### ARTICLE IV REPRESENTATIONS AND WARRANTIES

SECTION 4.1. Representations and Warranties of the County. The County makes the following representations and warranties:

(a) The County is a body corporate and politic and a political subdivision of the State of Maryland.

(b) The County has the necessary power and authority to acquire the Development Rights, to enter into this Agreement, to perform and observe the covenants and agreements on its part contained in this Agreement and to carry out and consummate all transactions contemplated hereby. By proper action, the County has duly authorized the execution and delivery of this Agreement.

(c) The Enabling Legislation and the Approval Ordinance authorize the County to enter into this Agreement, and this Agreement has been duly and properly authorized, executed, sealed and delivered by the County, constitutes the valid and legally binding obligation of the County, and is enforceable against the County in accordance with its terms.

(d) There are no proceedings pending before any court or administrative agency which may affect the authority of the County to enter into this Agreement.

SECTION 4.2. Representations and Warranties of the Original Seller. The original Seller make the following representations and warranties with respect to themselves, but not with respect to any transferee Registered Owner:

(a) The Seller has full power and authority and is legally competent to execute and deliver this Agreement and the Deed of Easement, and to incur and perform the obligations provided for herein and therein. No consent or approval of any person or public authority or regulatory body is required as a condition to the validity or enforceability of this Agreement or the Deed of Easement, or, if required, the same has been duly obtained.

(b) This Agreement and the Deed of Easement have been duly and properly executed by the Seller, constitute valid and legally binding obligations of the Seller, and are fully enforceable against the Seller in accordance with their respective terms.

(c) There is no litigation or proceeding pending or, so far as the Seller knows, threatened before any court or administrative agency which, in the opinion of the Seller, will materially adversely affect the authority of the Seller to enter into, or the validity or enforceability of, this Agreement or the Deed of Easement.

(d) There is (i) no provision of any existing mortgage, indenture, contract or agreement binding on the Seller or affecting the Land, and (ii) to the knowledge of the Seller, no provision of law or order of court binding upon the Seller or affecting the Land, which would conflict with or in any way prevent the execution, delivery, or performance of the terms of this Agreement or the Deed of Easement, or which would be in default or violated as a result of such execution, delivery or performance, or for which adequate consents, waivers or, if necessary, subordinations, have not been obtained.

(e) The Seller is the sole owner and lawfully seized of a fee simple estate in the Land and has the right to grant and convey the easement conveyed pursuant to the Deed of Easement. Further, there exist no liens, security interests or other encumbrances on or with respect to the Land (other than Permitted Encumbrances), and the Seller specially warrants and will defend the County's right, title and interest in and to the easement granted under the Deed of Easement.

(f) The Seller is not a nonresident alien of the United States of America for purposes of federal income taxation.

The representations in subsection (f) above are made under penalties of perjury and the information contained therein may be disclosed by the County to the Internal Revenue Service. The Seller acknowledges that any false statement in such subsection could be punished by fine, imprisonment or both.

ARTICLE V  
PROVISIONS RELATING TO EXCLUSION  
OF INTEREST FROM INCOME FOR FEDERAL INCOME TAXATION

SECTION 5.1. Intent of County and Tax Covenant of County. The County intends that the interest payable under this Agreement shall not be includible in the gross income of the Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code. Accordingly, the County shall not knowingly take or permit to be taken any other action or actions or omit or fail to take any action, which would cause this Agreement to be an "arbitrage bond" within the meaning of Section 148 of the Code, or which would otherwise cause interest payable under this Agreement to become includible in the gross income of any Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code.

SECTION 5.2. Acknowledgment of Seller with Regard to Tax Consequences of Transaction. The Seller has received an opinion from Miles & Stockbridge P.C., Bond Counsel, dated the Closing Date, to the effect that under existing laws, regulations, rulings and decisions, interest payable under this Agreement is not includible in the gross income of the Seller for federal income tax purposes, which opinion assumes continuous compliance with certain covenants in the Tax Certificate and Compliance Agreement to be executed and delivered by the County on the Closing Date and is otherwise limited in accordance with its terms. The Seller acknowledges that they have made their own independent investigation and have consulted with attorneys, accountants and others selected by the Seller in the Seller's sole discretion with respect to all other tax considerations related to the transaction contemplated hereby (including, but not limited to, installment sales treatment under Section 453 of the Code, charitable contribution deductions under Section 170 of the Code, and

federal estate tax implications); and the Seller certifies that the Seller has not looked to or relied upon the County or any of its officials, agents or employees, or to Bond Counsel, with respect to any of such matters.

## ARTICLE VI THE REGISTRAR

SECTION 6.1. Appointment of Registrar. Manufacturers and Traders Trust Company, a New York banking corporation, is hereby designated and appointed to act as Registrar for this Agreement.

SECTION 6.2. Ownership of Agreement. The Registrar, in its individual capacity or as trustee for holders of participation interests in this Agreement, may in good faith buy, sell, own and hold this Agreement, and may join in any action which any Registered Owner may be entitled to take with like effect as if it did not act as Registrar hereunder. The Registrar, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the County and may act as depository, trustee or agent for other obligations of the County as freely as if it did not act in any capacity hereunder.

SECTION 6.3. Removal of Registrar and Appointment of Successor Registrar. The County shall have the right, subject to the terms of any agreement with the Registrar, to remove the Registrar at any time by filing with the registrar to be removed, and with the Registered Owner, an instrument in writing. Notwithstanding the foregoing, such removal shall not be effective until a successor Registrar has assumed the Registrar's duties hereunder.

SECTION 6.4. Qualifications of Successor Registrar. Any successor Registrar shall be either (a) the Department of Finance of the County, (b) an officer or employee of the County, or (c) a bank, trust company or other financial institution duly organized under the laws of the United States or any state or territory thereof which is authorized by law and permitted under the laws of the State to perform all the duties imposed upon it as Registrar by this Agreement.

SECTION 6.5. Successor by Merger or Consolidation. If the Registrar is a bank, trust company or other financial institution, any institution or corporation into which the Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Registrar hereunder shall be a party or any institution or corporation succeeding to the corporate trust business (if any) of the Registrar, shall be the successor Registrar under this agreement, without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Agreement to the contrary notwithstanding.

## ARTICLE VII MISCELLANEOUS

SECTION 7.1. Successors of County. In the event of the dissolution of the County, all the covenants, stipulations, promises and agreements in this Agreement contained, by or on behalf of, or for the benefit of, the County, the Seller, any other Registered Owner and the Registrar, shall bind or inure to the benefit of the successors of the County from time to time and any entity, officer, board,

commission, agency or instrumentality to whom or to which any power or duty of the County shall be transferred.

SECTION 7.2. Parties in Interest. Except as herein otherwise specifically provided, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person, firm or corporation, other than the County, the Seller, any other Registered Owner and the Registrar, any right, remedy or claim under or by reason of this Agreement, this Agreement being intended to be for the sole and exclusive benefit of the County, the Seller, any other Registered Owner from time to time of this Agreement and the Registrar.

SECTION 7.3. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors and assigns, including, without limitation, all Registered Owners from time to time of this Agreement.

SECTION 7.4. Severability. In case any one or more of the provisions of this Agreement shall, for any reason, be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Agreement and this Agreement shall be construed and enforced as if such illegal or invalid provisions had not been contained herein or therein.

SECTION 7.5. Prior Agreements Cancelled; No Merger. This Agreement and the Deed of Easement shall completely and fully supersede all other prior agreements, both written and oral, between the County and the Seller relating to the acquisition of the Development Rights. Neither the County nor the Seller shall hereafter have any rights under such prior agreements but shall look solely to this Agreement and the Deed of Easement for definitions and determination of all of their respective rights, liabilities and responsibilities relating to the Land, the Development Rights and the payment for the Development Rights. In addition, this Agreement shall survive the execution and recording of the Deed of Easement in all respects and shall not be merged therein.

SECTION 7.6. Amendments, Changes and Modifications. This Agreement may not be amended, changed, modified, altered or terminated except by an agreement in writing between the County and the then-Registered Owner. An executed counterpart of any such amendment shall be attached to this Agreement and shall be binding upon such Registered Owner and all successor Registered Owners.

SECTION 7.7. No Personal Liability of County Officials. No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of any official, officer, agent or employee of the County in his or her individual capacity, and neither the officers or employees of the County nor any official executing this Agreement shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 7.8. Governing Law. The laws of the State shall govern the construction and enforcement of this Agreement.
