In response to your request, I would like to express my interest in serving on the Adult Public Guardianship Board as a representative for the Health Board.

I have a Bachelor of Nursing degree from University of Delaware, and have an active registered nursing license in MD. I have worked since May 1993 for the Howard County Health Department as a Community Health nurse. Most of my years at the health department have been in the Adult Evaluation and Review Services program (AERS). I have worked closely with various State and local agencies in serving persons in Howard County with a wide spectrum of needs.

Please let me know if there is anything further that I need to provide.

Thank you,

Renee Bitner
