Howard County Council Persons,

I am supporting the bill CB1-2023 for the property tax credit in Agg. pres. It will streamline and make the process easier for the farmer, but also Joy Levy and other County staff. I am always back and forth getting the paperwork and sending it in and some years back and forth for various reasons. I am sure they get the same issues from all the other farmers too. There is enough other work to do on both parties. Please support this bill.

Thank You,

Teresa Stonesifer
